Actual costs could vary depending on the number of cases the commission considers each year. Additionally, in the event of an individual bringing and winning a lawsuit against a Local Education Agency (LEA) for violations of the sports participation prohibitions outlined in this bill, enactment of this bill could generate costs for the Attorney General to defend the case and for LEAs and State Risk Management in the event of judgments against the LEA. **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
