Local Government UCA 36-12-13(2)(c)

This bill would impact local governments that employ public safety and firefighter personnel by requiring them to provide benefit contract protection in addition to long-term disability coverage. An employer would be required to pay a percentage of a qualifying employee's salary to the Utah Retirement System until that employee is eligible for retirement. The amount will vary based on employee's length of service and pay rate.

## Individuals & Businesses

UCA 36-12-13(2)(c)

This bill would impact employers that employ public safety and firefighter personnel by requiring them to provide benefit contract protection in addition to long-term disability coverage. An employer would be required to pay a percentage of a qualifying employee's salary to the Utah Retirement System until that employee is eligible for retirement. The amount will vary based on employee's length of service and pay rate.

Regulatory Impact UCA 36-12-13(2)(d)

Enactment of this legislation could result in a medium increase in the regulatory burden for Utah residents or businesses.

Performance Evaluation JR1-4-601

This bill does not create a new program or significantly expand an existing program.

## **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
