Local Government

UCA 36-12-13(2)(c)

Enactment of this logislation could passesitate additional trainings to be provided by counties in

Enactment of this legislation could necessitate additional trainings to be provided by counties in nonattainment areas for contractors who conduct vehicle emissions testing. This bill could also increase revenue to local governments by about \$37/case for each second or subsequent fine/fee.

## Individuals & Businesses

**Net All Funds** 

UCA 36-12-13(2)(c)

\$0

\$0

To the extent that individuals commit second or subsequent violations of the provisions of this bill, this could cost certain offenders about \$50/case, however the total amount is unknown. This bill could also result in increased costs to businesses and individuals for up to 2,050,000 vehicles that require an inspection for noise prevention equipment during emissions inspections.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Evaluation JR1-4-601

This bill does not create a new program or significantly expand an existing program.

## **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
