Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation would require an owner of an off-highway vehicle (OHV) to obtain a license plate, which would cost \$7 per vehicle. The estimated cumulative impact to all OHV owners would be \$630,000 in FY 2023 and \$1,260,000 in FY 2024.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
