Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could require Counties to pay the cost of medication-assisted treatment (MAT) for approximately 240 individuals statewide each year with substance use disorder who were receiving MAT but would otherwise have ended treatment upon incarceration in county jails. These costs would be paid from county general funds and begin in FY 2023; the actual cost is unknown and will depend on the type of MAT and the length of each individual's stay in jail.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
