Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation prohibits local education agencies (LEAs) from charging certain curricular and co-curricular fees as outlined in the bill. LEAs that currently charge student fees for these purposes may see reduced revenue collections. Estimates from FY 2021 by the State Board of Education indicate LEAs collected \$53.6 million statewide from these fees. Assuming secondary school enrollment in Grades 7 through 12, this amount is approximately \$170 per student. These amounts and the revenue impact on each LEA will vary by LEA depending on their current fees charged and the number of students paying the fee.

Individuals & Businesses

UCA 36-12-13(2)(c)

Individuals currently paying fees to local education agencies (LEAs) for categories prohibited in this legislation may see a reduction in the amount of fees paid. This amount will vary depending on current LEA fee schedules. Estimates indicate that the total revenue collected from curricular and co-curricular fees is \$53.6 million statewide and on average approximately \$170 per student.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a medium reduction in the regulatory burden for Utah residents or businesses.

This bill creates a new program or significantly expands an existing program. For a list of questions lawmakers might ask to improve accountability for the proposed program, please see:

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
