Enactment of this legislation could cost the Governor's Office approximately \$4.7 million one-time from the General Fund in FY2022 to update voting equipment statewide.

	FY 2022	FY 2023	FY 2024
Net All Funds	\$(4,700,000)	\$0	\$0

Local Government UCA 36-12-13(2)(c)

Enactment of this legislation could cost local governments approximately \$2.9 million one-time in the first election year and approximately \$323,200 ongoing beginning in the first election year for costs associated with storage of images of election software, electronic logging of replicated ballots, and ballot processing and updates.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
