Local Government

UCA 36-12-13(2)(c)

Individuals & Businesses

UCA 36-12-13(2)(c)

Beginning January 1, 2025, enactment of this bill would lower the total 911 service charges per line by 23 cents per month and lower the tax rate on a prepaid wireless 911 service charge from 3.7% to 3.13%. Removing the July 1, 2025 repeal date on the Unified statewide 911 emergency service charge will increase the total 911 service charges per line for taxpayers as they will have to continue paying this 25 cent charge after that date. In total, this bill is estimated to save taxpayers approximately \$4.3 million in tax in FY 2025 and \$400,000 in FY 2026. Lastly, ending the Radio Network Charge in 2033 will decrease the total 911 service charges per line for taxpayers as they will not have to pay this 27 cent charge after that time.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
