Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(c)

To the extent that existing pollution control equipment is replaced, enactment of this legislation could result in a shift of approximately \$227,000 in property tax liability over the course of the depreciation schedule away from refineries in those counties and to other individual and corporate property tax payers. There could be other shifts to the extent that additional pollution control equipment is acquired in the future; the aggregate impact is unknown.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
