Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(c)

In aggregate, the changes in this bill are estimated to decrease sales tax liability for taxpayers by approximately \$166.0 million in FY 2024 and \$198.0 million in FY 2025. Impacts will vary by household depending on the amount of expenditures on food and food ingredients. A household that spends \$6,000 annually on food/food ingredients could see tax savings of approximately \$105 per year.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
