# Local Government

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

# Individuals & Businesses

Taxpayers who adopt a qualifying child may be eligible for either a nonrefundable tax credit or a refundable tax credit (depending on income) equal to the lesser of \$3,500 or the amount of the claimant's adoption expenses for which a federal tax credit was not claimed. An estimated 1,025 individuals are expected to claim one of the credits in tax year 2023. Additionally, an estimated 150 taxpayers could lose a special needs adoption credit of \$1,000 annually.

## Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

#### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
