Local Government

To the extent that justice court judges are currently paid between the 50%-90% rate of a district court judge salary, this bill could result in a $1,000,000 collective expense to local governments in order to meet the 90% salary rate of a district court judge.

Individuals & Businesses

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
