## State Government

UCA 36-12-13(2)(c)

Revenues	FY 2023	FY 2024	FY 2025
Total Revenues	\$0	\$0	\$0

Counties that receive grants to develop Assertive Community Treatment (ACT) teams could use those funds to draw down additional federal funds, depending on the number of clients who are Medicaid eligible.

Expenditures	FY 2023	FY 2024	FY 2025
General Fund, One-time	\$0	\$5,202,000	\$0
Total Expenditures	\$0	\$5,202,000	\$0

Enactment of this legislation could cost the Department of Health and Human Services \$5,202,000 one-time from the General Fund, likely spent over FY 2024 and FY 2025, to administer and disburse grants for counties to develop ACT teams. Of that amount, the legislation appropriates \$5 million, which would be nonlapsing through FY 2025.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
