| Net All Funds                                | \$0                       | \$0             | \$0                |
|  |                           |                 |                    |

# Local Government

To the extent that certain counties jails do not already have suicide barriers installed, counties could pay about \$140,600 for each wing to install these barriers beginning in FY 2024. The total amount of applicable counties and how many barriers they would need to install is unknown.

# Individuals & Businesses

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

# Regulatory Impact

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

# Performance Evaluation

This bill does not create a new program or significantly expand an existing program.

## **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
