## Local Government

**Net All Funds** 

Enactment of this bill would allow LEAs to adopt a biennial evaluation process for educators rather than the current annual. This could result in cost savings to LEAs if they choose to adopt this option resulting from reduced personnel requirements for evaluations every year. Exact cost savings are unknown as LEAs administer evaluations using varied methodologies and current costs associate with performing these evaluations are not uniform across LEAs.

### **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
