## Local Government

UCA 36-12-13(2)(c)
Enactment of this legislation could increase sales tax revenue for the Class 3-6 counties in the State if a county chooses to implement the new tax. Revenues would vary county by county with an average maximum revenue available to the counties of $\$ 3,200,000$. If all eligible counties implement the full rate, total county revenue could increase by $\$ 77.3$ million.

## Individuals \& Businesses

UCA 36-12-13(2)(c)
Enactment of this legislation could require businesses and individuals in rural counties that choose to implement this tax an additional $0.4 \%$ in tax on sales and services.

## Regulatory Impact

UCA 36-12-13(2)(d)

## Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
