# Local Government

This bill could reduce local government revenue and costs by approximately \$10,000 ongoing in aggregate through a reduction in expungement filing fees and processing.

#### Individuals & Businesses

Beginning in FY 2025, this bill could save individuals about \$228,200 ongoing in expungement fees beginning in FY 2025. The breakdown is as follows: 1. District Court expungement fees - about 49 individuals will save \$150/each for about \$7,300, 2. Local Justice Court - about 74 individuals will save \$135/each for a total of \$10,000; and 3. Bureau of Criminal Identification Fees - in aggregate an unknown amount of individuals will save about \$210,900.

# Regulatory Impact

Enactment of this legislation could result in a medium reduction in the regulatory burden for Utah residents or businesses.

# Performance Evaluation

This bill does not create a new program or significantly expand an existing program.

#### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
