Revenues	FY 2024	FY 2025	FY 2026
Total Revenues	\$0	\$0	\$0

Enactment of this legislation will permit the Utah Housing Corporation to carry forward low income housing tax credits that were returned, recaptured, or never allocated by the Utah Housing Corporation, up to 15% of the total amount available in the previous fiscal year. This grants the Utah Housing Corporation the ability to use up to \$1,500,000 worth of authorized tax credits from the previous fiscal year. Assuming full utilization, the net effect will remain the same over the course of the authorized period for the tax credit, but may shift the burden of revenue reduction unevenly over term of the tax credit.

Expenditures	FY 2024	FY 2025	FY 2026
Olene Walker Housing	\$0	\$0	\$0
Total Expenditures	\$0	\$0	\$0

Enactment of this legislation could cost the Department of Workforce services up to an additional \$122,700 ongoing beginning in FY 2025 for increased spending authority from the Olene Walker Housing Loan Fund from 3% to 6% of total revenues for administrative costs. This would shift 3% of revenues from the fund from projects to administration.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
