### Individuals & Businesses

UCA 36-12-13(2)(c)

To the extent that individuals own and operate snowmobiles that are not equipped with a saddle, individuals could pay approximately \$2,400 less in fees starting in fiscal year 2025. To the extent that individuals participate in the airport prescreening program, they may \$17,300 annually in aggregate. To the extent that individuals violate provisions of this legislation, this could cost certain offenders about \$680 per case, however the total amount is unknown.

Regulatory Impact UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small reduction in the regulatory burden for Utah residents or businesses.

#### Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

#### **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
