Description:

HB 14 (2001 GS) Established certification requirements for individuals who design, inspect, maintain, or conduct percolation or soil tests for underground wastewater disposal systems. The Water Quality Board will charge such individuals fees for testing and certification. Also, the law requires a one-time fee assessed on all new underground wastewater disposals systems, which fee revenue will be used to pay for training programs. For FY02 the installation fee is \$25. After FY02, DEQ will establish the fee by schedule. The fund is effective July 1, 2001.
