Description:

SB 87 (2012 GS) Imposes a fee and creates an account to fund a program to control predatory animals. Creates the Predator Control Restricted Account within the General Fund. Imposes a fee of \$5 on big game hunting permits, which will be deposited in the account. Money from the restricted account will be used to control populations of predatory animals that endanger the health of non-predatory wildlife populations. Donations and appropriations may also be deposited into the account. (Div. of Wildlife Resources administers.) Appropriates for fiscal year 2013 \$600,000 from the account to the DNR-DWR, subject to intent language in bill that the appropriation shall be nonlapsing at the close of fiscal year 2013.

4/17/2012 Note: Although not specified in the section of code that created this account, per UCA 23-22-2, Acceptance of Acts of Congress, any interest or other income earned from revenue from the sale of any license, permit, tag, stamp or certification of registration that conveys a person the privilege to take wildlife for sport or recreations may not be used for any purpose other than the administration of the division. Accordingly, any account into which these receipts are deposited must earn interest, regardless of whether specified in the section of code that created the account.
