

Compendium of Budget Information for the 2014 General Session

Natural Resources, Agriculture, and Environmental Quality Appropriations Subcommittee

Agency: Natural Resources

Line Item: Predator Control

Function

UCA 4-23-9(2)(a) requires the Division of Wildlife Resources in its annual budget request to include a request for General Fund equal to 25% of the amount of fees and contributions deposited in the Agricultural and Wildlife Damage Prevention Account during the previous fiscal year. These funds are transferred to the Department of Agriculture and Food and are used to partially fund Agriculture's Predatory Animal Control program, which strives to minimize livestock and wildlife losses to predators on private, state and federal land.
