

Do you know why we fast?

1. Fasting brings us closer to God.
2. Fasting makes us humble.
3. Fasting weakens Satan's power over the flesh.
4. Fasting is in direct opposition to survival instinct.
5. Got the picture? Who Satan is? Satan is survival instinct; immoral, selfish, bodiless entity with power over the flesh and constructs reality for your conscious experience in mortal life.

Why does Satan have power over the flesh; Because that is the way God created life. Independent, Intelligent, Operations, Management: brains to run the impossible: independent life forms.

LET ME HELP ALL OF YOU WITH SOME LOGIC.

This is for all who believe: God Created all life._____

1. If God created all things: he created instinct for all life to know what to do for survival, without learning.
2. God created instinct which includes sex drive and other non-learned survival mechanisms.
3. Satan has power over the flesh: Christian, Muslim, Judaism all believe this truth.
4. Knowing 1, 2, and 3 are true: Instinct and Satan are the same entity. God created Instinct/Satan.

"INTELLIGENT LOGIC W/ USE OF THE FACTS"

Our Faith in God declares that Satan is Instinct: It is bodiless, powerful intelligence with power over the flesh, given that power by God. Because God has power over all things, we do not have power over the flesh, that authority was given to Satan by necessity. By Elder Jonathan L. Peterson, servant of our Lord Jesus Christ (jlp1997@msn.com)

I am an intelligent, educated human being; why would you say I'm a sheep?

(Because you needed me to tell you the difference between right and wrong.)

HUMAN BEINGS: BIOLOGICAL THINKING MACHINES DRIVEN BY SURVIVAL LOGIC/INSTINCT.

DO YOU KNOW WHY BRIBERY IS A CRIME? Bribery is a violation of **Constitutional equality, under all laws, by its citizen members.**

This principle is known by most all members of our group, but because of instinct-Satan, awareness of the sin or immorality of its supported use is taken from the individual's beliefs and logic, because of survival risks to status quo operations in current reality. Instinct is an advanced artificial intelligence program from God; without moral judgments.

BRIBERY: The offering, giving, receiving, or soliciting of something of value for the purpose of influencing the action of an official in the discharge of his or her public or legal duties.....unlawful by constitutional Equality Under All Laws..
