Re: Judicial Nomination of Margaret Plane

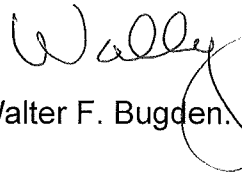

Todd:

Respectfully, I am perplexed that Margaret Plane has not received an invitation to appear before the Senate Judiciary Committee. What's up?

There's no question that she is qualified. I wrote you before that she was my law clerk years ago and she was a terrific researcher and writer! She's a lovely person. You couldn't ask for better judicial demeanor. Seriously, you couldn't ask for a better candidate.

You should speak with her. I am sure you would be impressed by her qualifications and her dedication to the rule of law.

Effervescently yours,

Walter F. Bugden, Jr.
