

Effective 5/10/2016

10-5-114 Appropriations limited to estimated revenue.

- (1) The council may not make any appropriation in the final budget of any fund in excess of the estimated expendable revenue for the budget year of such fund.
- (2) If there is a deficit fund balance in a fund at the close of the last completed fiscal year, the council shall include an item of appropriation for the deficit in the current budget of the fund equal to:
 - (a) at least 5% of the total revenue of the fund in the last completed fiscal year; or
 - (b) if the deficit is equal to less than 5% of the total revenue of the fund in the last completed fiscal year, the entire amount of the deficit.
