

Part 13 City Resources

10-7-79 Power of board of city commissioners or council to provide for development of resources.

The boards of city commissioners or city councils of the respective cities within the state are authorized and empowered to provide for the development of the city's mineral, water, manpower, industrial and other resources.

Enacted by Chapter 16, 1965 General Session

10-7-80 Development committee -- Appointment of members -- Terms, compensation and expenses, vacancies and removal of members.

The board of city commissioners or council of any city within the state is hereby authorized and empowered to appoint by resolution an unpaid commission of three or more members, to be known as the city resource development committee. One or more members of the board of city commissioners or council shall be designated by the board of city commissioners or council as members of such committee. Each of the other members of the committee shall be a resident of the city. The term of appointed members of the committee shall be two years and until their respective successors have been appointed. The members of the committee shall serve as such without compensation, except that the board of city commissioners or council may provide for reimbursement of the members of the committee for actual expenses incurred, upon presentation of proper receipts and vouchers. The board of city commissioners or council shall provide for the filling of vacancies in the membership of the committee and for the removal of a member for nonperformance of duty or misconduct.

Enacted by Chapter 16, 1965 General Session

10-7-81 Development committee -- Election of officers -- Employment of executive director.

The city resource development committee may elect such officers from its members as it may deem advisable and may, with consent and approval of the board of city commissioners or council, employ an executive director for the committee.

Enacted by Chapter 16, 1965 General Session

10-7-82 Development committee -- Functions.

It shall be the function of the city resource development committee to assist in the development of the city's mineral, water, manpower, industrial and other resources, and to make such recommendations to the board of city commissioners or council for resource development programs as it may deem advisable.

Enacted by Chapter 16, 1965 General Session

10-7-83 Power of board of city commissioners or council to contract with other authorities.

The board of city commissioners or council may co-operate with and enter into contracts with other municipalities, local communities and counties for the purpose of promoting the development of the economic resources of their respective areas.

Enacted by Chapter 16, 1965 General Session

10-7-84 Expenditure of city funds authorized.

The board of city commissioners or council may expend city funds as are deemed advisable to carry out the purposes of this act.

Enacted by Chapter 16, 1965 General Session

10-7-85 Support of the arts.

The governing body of any municipality may provide for and appropriate funds for the support of the arts, including music, dance, theatre, crafts and visual, folk and literary art, for the purpose of enriching the lives of its residents and may establish guidelines for the support of the arts.

Amended by Chapter 378, 2010 General Session

10-7-86 Municipality may adopt Utah Procurement Code -- Hiring of professional architect, engineer, or surveyor.

- (1) The governing body of any municipality may adopt any or all of the provisions of Title 63G, Chapter 6a, Utah Procurement Code, or the rules promulgated pursuant to that code.
- (2) Notwithstanding Subsection (1), the governing body of each municipality that engages the services of a professional architect, engineer, or surveyor and considers more than one such professional for the engagement:
 - (a) shall consider, as a minimum, in the selection process:
 - (i) the qualifications, experience, and background of each firm submitting a proposal;
 - (ii) the specific individuals assigned to the project and the time commitments of each to the project; and
 - (iii) the project schedule and the approach to the project that the firm will take; and
 - (b) may engage the services of a professional architect, engineer, or surveyor based on the criteria under Subsection (2)(a) rather than solely on lowest cost.
