

10-9a-506 Regulating annexed territory.

- (1) The legislative body of each municipality shall assign a land use zone or a variety thereof to territory annexed to the municipality at the time the territory is annexed.
- (2) If the legislative body fails to assign a land use zone at the time the territory is annexed, all land uses within the annexed territory shall be compatible with surrounding uses within the municipality.

Renumbered and Amended by Chapter 254, 2005 General Session
