

Effective 5/12/2015

11-44-203 Length of agreements.

A political subdivision may only enter into a performance efficiency agreement for more than one year if the political subdivision finds that the amount the political subdivision would spend on the performance efficiency measure will not exceed the amount of the cost savings over 20 years from the date of installation of the performance efficiency measure.

Amended by Chapter 181, 2015 General Session
