

Chapter 14
New Automobile Franchise Act

Part 1
General Administration

13-14-101 Title -- Legislative purpose.

- (1) This chapter shall be cited as the "New Automobile Franchise Act."
- (2) The Legislature finds that:
 - (a) The distribution and sales of new motor vehicles through franchise arrangements in the state vitally affects the general economy of the state, the public interest, and the public welfare. A substantial inequality of bargaining power between motor vehicle franchisors and motor vehicle franchisees enables a franchisor:
 - (i) to compel a franchisee to execute agreements that contain terms and conditions that a franchisee generally would not be agreed to absent the compulsion and duress that arise out of the inequality of bargaining power; and
 - (ii) in some cases to terminate a franchise without good cause, or to force a franchisee out of business by the use of unfair practices.
 - (b) Termination of franchises, without good cause or by unfair means:
 - (i) diminishes competition and, as a result, leads to higher retail prices and fewer purchase options;
 - (ii) adversely affects communities that depend on a franchisee to make available motor vehicles for sale or lease and to provide warranty work and other services related to vehicles; and
 - (iii) undercuts expectations of consumers concerning the availability of future services including warranty work from the franchisee.
 - (c) To promote the public welfare and in the exercise of the state's police powers, it is necessary to establish statutory guidelines regulating the relationship between franchisors and franchisees in the motor vehicle industry.

 - (iv) the failure of the franchisor or its affiliate to exercise a right of first refusal to purchase the assets or ownership of the franchisee's business when given the opportunity to do so under the franchise or other agreement, subject to the repayment requirements of Subsection (2) if the right of first refusal arises because of the voluntary action of the franchisee.
- (2)
 - (a) If a franchisee voluntarily terminates a site-control agreement after the franchisor has paid and the franchisee or other recipient has accepted additional specified cash consideration, the site-control agreement remains valid only until the franchisee or other recipient satisfies the repayment terms specified in Subsection (2)(b).
 - (b)

- (i) If the franchisor's additional specified cash consideration was used for the construction of a building or improvement on the property that is the subject of the site-control agreement, the amount of the repayment under Subsection (2)(a):
 - (A) is based on any repayment terms specified in the site-control agreement, if the parties to the site-control agreement have willingly agreed to the terms; and
 - (B) may not exceed the market value of the portion of the building or improvement constructed with the additional specified cash consideration paid by the franchisor, after allowing for depreciation based on a market-based depreciation schedule, as determined by an independent appraiser at the request of the franchisee or other recipient.
- (ii) If the franchisor's additional specified cash consideration was not used for construction of a building or improvement on the property that is the subject of the site-control agreement, the amount of the repayment under Subsection (2)(a) is an equitable portion of the cash consideration, as determined under any terms specified in the site-control agreement for the equitable repayment following a franchisee's voluntary termination of the agreement.
- (c) Immediately upon the repayment under Subsection (2)(b):
 - (i) the site-control agreement is terminated; and
 - (ii) the franchisor or other party that is the beneficiary under the site-control agreement shall prepare and deliver to the franchisee a recordable notice of termination of:

13-14-303 Effect of terminating a franchise.

If under Section 13-14-301 the executive director permits a franchisor to terminate or not continue a franchise and prohibits the franchisor from entering into a franchise for the sale of new motor vehicles of a line-make in a relevant market area, the franchisor may not enter into a franchise for the sale of new motor vehicles of that line-make in the specified relevant market area unless the executive director determines, after a recommendation by the advisory board, that there has been a change of circumstances so that the relevant market area at the time of the establishment of the new franchise agreement can reasonably be expected to support the new franchisee.

13-14-304 Hearing regarding termination, relocation, or establishment of franchises.

- (1)
 - (a) Within 10 days after the day on which the advisory board receives an application from a franchisee under Subsection 13-14-301(3) challenging a franchisor's right to terminate or not continue a franchise, or an application under Section 13-14-302 challenging the establishment or relocation of a franchise, the executive director shall:

 - (b) A copy of an order mailed under Subsection (1)(a) shall be addressed to the franchisee at the place where the franchisee's business is conducted.
- (2) An affected municipality and any other person who can establish an interest in the application may intervene as a party to the hearing, whether or not that person receives notice.

 - (ii) A final decision on the challenge shall be made by the executive director no later than 20 days after the day on which the hearing ends.
 - (b) Failure to comply with the time requirements of Subsection (4)(a) is considered a determination that the franchisor acted with good cause or, in the case of a protest of a proposed establishment or relocation of a dealer, that good cause exists for permitting the proposed additional or relocated new motor vehicle dealer, unless:
 - (i) the delay is caused by acts of the franchisor or the additional or relocating franchisee; or
 - (ii) the delay is waived by the parties.
- (5) The franchisor has the burden of proof to establish by a preponderance of the evidence that under the provisions of this chapter it should be granted permission to:
 - (a) terminate or not continue the franchise;

- (b) enter into a franchise agreement establishing an additional franchise; or
 - (c) relocate the dealership of an existing franchisee.
- (6) Any party to the hearing may appeal the executive director's final decision in accordance with Title 63G, Chapter 4, Administrative Procedures Act, including the franchisor, an existing franchisee of the same line-make whose relevant market area includes the site of the proposed dealership, or an affected municipality.

13-14-305 Evidence to be considered in determining cause to terminate or discontinue.

- (1) In determining whether a franchisor has established good cause for terminating or not continuing a franchise agreement, the advisory board and the executive director shall consider:
- (a) the amount of business transacted by the franchisee, as compared to business available to the franchisee;
 - (b) the investment necessarily made and obligations incurred by the franchisee in the performance of the franchisee's part of the franchise agreement;
 - (c) the permanency of the investment;
 - (d) whether it is injurious or beneficial to the public welfare or public interest for the business of the franchisee to be disrupted;
 - (e) whether the franchisee has adequate motor vehicle sales and service facilities, equipment, vehicle parts, and qualified service personnel to reasonably provide for the needs of the consumer for the new motor vehicles handled by the franchisee and has been and is rendering adequate services to the public;
 - (f) whether the franchisee refuses to honor warranties of the franchisor under which the warranty service work is to be performed pursuant to the franchise agreement, if the franchisor reimburses the franchisee for the warranty service work;
 - (g) failure by the franchisee to substantially comply with those requirements of the franchise agreement that are determined by the advisory board or the executive director to be:
 - (i) reasonable;
 - (ii) material; and
 - (iii) not in violation of this chapter;
 - (h) evidence of bad faith by the franchisee in complying with those terms of the franchise agreement that are determined by the advisory board or the executive director to be:
 - (i) reasonable;
 - (ii) material; and
 - (iii) not in violation of this chapter;
 - (i) prior misrepresentation by the franchisee in applying for the franchise;
 - (j) transfer of any ownership or interest in the franchise without first obtaining approval from the franchisor or the executive director after receipt of the advisory board's recommendation; and
 - (k) any other factor the advisory board or the executive director consider relevant.
- (2) Notwithstanding any franchise agreement, the following do not constitute good cause, as used in this chapter for the termination or noncontinuation of a franchise:
- (a) the sole fact that the franchisor desires greater market penetration or more sales or leases of new motor vehicles;
 - (b) the change of ownership of the franchisee's dealership or the change of executive management of the franchisee's dealership unless the franchisor proves that the change of ownership or executive management will be substantially detrimental to the distribution of the franchisor's motor vehicles; or

- (c) the fact that the franchisee has justifiably refused or declined to participate in any conduct covered by Section 13-14-201.
- (3) For purposes of Subsection (2), "substantially detrimental" includes the failure of any proposed transferee to meet the objective criteria applied by the franchisor in qualifying franchisees at the time of application.

Amended by Chapter 249, 2005 General Session

13-14-306 Evidence to be considered in determining cause to relocate or establish a new franchised dealership.

In determining whether a franchisor has established good cause for relocating an existing franchisee or establishing a new franchised dealership for the same line-make in a given relevant market area, the advisory board and the executive director shall consider:

- (1) the amount of business transacted by other franchisees of the same line-make in that relevant market area, as compared to business available to the franchisees;
- (2) the investment necessarily made and obligations incurred by other franchisees of the same line-make in that relevant market area in the performance of their part of their franchisee agreements;
- (3) the permanency of the existing and proposed investment;
- (4) whether it is injurious or beneficial to the public welfare or public interest for an additional franchise to be established, including:
 - (a) the impact on any affected municipality;
 - (b) population growth trends in any affected municipality;
 - (c) the number of dealerships in the primary market area of the new or relocated dealership compared to the number of dealerships in each primary market area adjacent to the new or relocated dealership's primary market area; and
 - (d) how the new or relocated dealership would impact the distance and time that an individual in the new or relocated dealership's primary market area would have to travel to access a dealership in the same line-make as the new or relocated dealership.
- (5) whether the franchisees of the same line-make in that relevant market area are providing adequate service to consumers for the motor vehicles of the line-make, which shall include the adequacy of:
 - (a) the motor vehicle sale and service facilities;
 - (b) equipment;
 - (c) supply of vehicle parts; and
 - (d) qualified service personnel; and
- (6) whether the relocation or establishment would cause any material negative economic effect on a dealer of the same line-make in the relevant market area.

- (iii) adding any charges made by the franchisor, for distribution, delivery, or taxes;
- (iv) adding the franchisee's cost of any franchisor accessories added on the vehicle, except only those recreational vehicle accessories that are listed in the franchisor's wholesale product literature as options for that vehicle shall be repurchased; and
- (v) subtracting all allowances paid or credited to the franchisee by the franchisor;
- (b) the franchisee's cost of new and undamaged motor vehicles in the franchisee's inventory of demonstrator vehicles, reduced by a prorated 1% for each 1000 miles over 500 miles registered on the demonstrator vehicle's odometer, except recreational vehicles whose cost shall be reduced by 2% for each 1,000 miles registered on the odometer of demonstrator self-propelled recreational vehicles, exclusive of miles incurred in delivery of the vehicle, and the cost of demonstrator nonself-propelled recreational vehicles shall be reduced by 10% of the franchisee's vehicle cost:
 - (i) plus any charges made by the franchisor for distribution, delivery, or taxes;
 - (ii) plus the franchisee's cost of any accessories added on the vehicles, except only those recreational vehicle accessories that are listed in the franchisor's wholesale product literature as options for that vehicle shall be repurchased; and

- (d) the fair market value, but not less than the franchisee's depreciated acquisition cost of each undamaged sign owned by the franchisee that bears a common name, trade name, or trademark of the franchisor if acquisition of the sign was recommended or required by the franchisor. If a recreational vehicle franchisee has a sign with multiple manufacturers listed, the franchisor is only responsible for its pro rata portion of the sign;

- (f) the cost of transporting, handling, packing, and loading motor vehicles, supplies, parts, accessories, signs, special tools, equipment, and furnishings;
- (g) subject to Subsection (5), reasonable compensation to the franchisee for any cost incurred pertaining to the unexpired term of a lease agreement for the dealership's existing location;
- (h) the negotiated fair market value of the dealership premises, based on the fair market value of the real property, if the dealer opts to sell the dealership premises; and
- (i) compensate the franchisee for the blue sky or goodwill of the dealership, as determined in accordance with the applicable industry standards taking into consideration the effect that the timing of the manufacturer's announcement of discontinuance of a line make has or will have on future profitability of the dealership.
- (2) Subsections (1)(g), (h), and (i) do not apply if a franchise is terminated:
 - (a) by the franchisor for cause as defined in Subsections 13-14-301(1)(b) and (2)(a);

- (b) upon mutual written agreement of the franchisor and franchisee as provided in Subsection 13-14-301(2)(b); or

- (4) If repurchased inventory, equipment, or demonstrator vehicles are subject to a security interest, the franchisor may make payment jointly to the franchisee and to the holder of the security interest.
- (5) Subsection (1)(g) does not relieve the franchisee or its lessor from an obligation under their lease agreement to mitigate damages.
- (6)
 - (a) This section does not apply to a franchisee's voluntary termination or noncontinuation of its franchise that occurs as a result of the franchisee's sale of its dealership business entity or substantially all of the assets of that entity to a third party if the franchisor contemporaneously grants a franchise to the third party on terms and conditions that are comparable to those of the terminating or noncontinuing franchise.
 - (b) Subsection (6)(a) may not be construed to impair a contractual right of a terminating or noncontinuing franchisee under a franchise or related agreement with a franchisor or its affiliate, including a right to return unsold parts.
- (7) This section does not apply to a termination, cancellation, or nonrenewal of:
 - (a) a recreational vehicle franchise; or
