

17-21-21 Ownership plats -- Use of geographic information systems or computer systems.

- (1) The county recorder shall prepare and keep ownership plats drawn to a convenient scale, which show the record owners of each tract of land in the county, together with the dimensions of the tract.
- (2) The county recorder may not be required to:
 - (a) show ownership of timeshare units or timeshare estates on ownership plats; or
 - (b) show lot or unit ownership on subdivisions or condominium plats or other ownership plats if that information is available through computer systems or other indexes.
- (3) Nothing in this chapter precludes the use of geographic information systems or computer systems by the recorder if the systems include all of the information required by this section.
