

**17D-1-504 Pledge of revenues to pay for bonds.**

Bonds may be payable from and secured by the pledge of all or any specified part of:

- (1) the revenues to be derived by the special service district from providing its services and from the operation of its facilities and other properties;
- (2) sales and use taxes, property taxes, and other taxes;
- (3) federal, state, or local grants;
- (4) in the case of special assessment bonds, the special assessments pledged to repay the special assessment bonds; and
- (5) other money legally available to the special service district.
