

19-6-711 Application of used oil to the land -- Limitations.

- (1) A person may not apply used oil to the land as a dust or weed suppressant or for other similar applications to the land unless the person has obtained:
 - (a) written authorization as required under this chapter; and
 - (b) a permit from the director.
- (2) The applicant for a permit under this section shall demonstrate:
 - (a) the used oil is not mixed with any hazardous waste;
 - (b) the used oil does not exhibit any hazardous characteristic other than ignitability; and
 - (c) how the applicant will minimize the impact on the environment of the use of used oil as a dust or weed suppressant or for other similar applications to the land.
- (3) Prior to acting on the application, the director shall provide public notice of the application and shall provide opportunity for public comment under Section 19-6-712.
