 - party affiliation or status as unaffiliated;
 - status as an active or inactive voter;
 - the last day on which your registration record was updated; and
 - your voting history.
- You may apply for designation as an at-risk voter in accordance with Utah Code Section 20A-2-606 at any time, but if the application is not received by your county clerk before May

6, 2026, your information, described above will, beginning on May 25, 2026, be subject to public disclosure, unless and until you request and receive designation as an at-risk voter. A person who uses or discloses information from a voter registration record in a manner that is prohibited by law, including information in a voter registration that is subject to public disclosure, is subject to criminal prosecution."; and

- (c) immediately after the notice described in Subsection (1)(b), a brief, concise statement of:
 - (i) the qualifications to become an at-risk voter; and
 - (ii) how to apply for designation as an at-risk voter.
- (2) On or before April 8, 2026, the lieutenant governor shall mail to each registered voter whose voter registration record is designated as private:
 - (a) the following written notice:

"Notice of Voter Registration Record Status Change

You are receiving this notice because your voter registration record is currently classified as private and is not subject to public disclosure. Your voter registration will no longer be classified as private, and will be subject to public disclosure unless, before May 6, 2026, you submit the enclosed at-risk designation request form, and the required proof that you qualify as an at-risk voter, to your county clerk. If you do not take this action before May 6, 2026, or if you do not qualify as an at-risk voter, you will be designated as a public registered voter. As a public registered voter, the following information from your voter registration record is subject to public disclosure:

full legal name;

voter identification number and federal information processing series geographic code;

age range;

complete residential address, including the unit type and number;

county of residence;

mailing address, including the city;

voting precinct, congressional district, state House of Representatives district, state Senate district, state school board district, local school board district, county council district, and city council district;

party affiliation or status as unaffiliated;

status as an active or inactive voter;

the last day on which your registration record was updated; and

your voting history.

You may apply for designation as an at-risk voter in accordance with Utah Code Section 20A-2-606 at any time, but if the application is not received by your county clerk before May 6, 2026, your information, described above will, beginning on May 25, 2026, be subject to public disclosure, unless and until you request and receive designation as an at-risk voter. A person who uses or discloses information from a voter registration record in a manner that is prohibited by law, including information in a voter registration that is subject to public disclosure, is subject to criminal prosecution."; and
 - (b) immediately after the notice described in Subsection (2)(a), a brief, concise statement of:
 - (i) the qualifications to become an at-risk voter;
 - (ii) how to apply for designation as an at-risk voter; and
 - (iii) how to obtain an at-risk voter designation request form.
- (3) A county clerk who receives a completed at-risk designation request form on or before May 6, 2026, shall, on or before May 21, 2026:
 - (a) process the form; and
 - (b)

- (i) if, based on the information provided in the form and the supporting documents provided with the form, the county clerk determines that the voter has established that the voter qualifies as an at-risk voter, designate the voter as an at-risk voter; or
 - (ii) if, based on the information provided in the form and the supporting documents provided with the form, the county clerk does not make the determination described in Subsection (3)(b)(i), the county clerk shall, as soon as reasonably possible, notify the voter, by mail or other means:
 - (A) that the county clerk was not able to make the determination described in Subsection (3)(b)(i);
 - (B) of the reason that the county clerk was not able to make the determination described in Subsection (3)(b)(i); and
 - (C) of what, if anything, the voter can do to resolve the reason the county clerk was not able to make the determination described in Subsection (3)(b)(i).
- (4) On or before May 24, 2026, the lieutenant governor or a county clerk shall:
- (a) designate a current registered voter as an at-risk voter if:
 - (i) before May 12, 2020, the voter's voter registration record was protected from disclosure due to the election officer determining that the voter was facing a threat or risk of harm;
 - (ii) on or after May 12, 2020, the voter was designated as a withheld voter; or
 - (iii) on or before May 24, 2026, the voter was designated as an at-risk voter under Subsection 20A-2-606; and
 - (b) designate a current registered voter who is not designated as an at-risk voter under Subsection (4)(a) as a public registered voter.
- (5) After the lieutenant governor or a county clerk finishes taking the action described in Subsection (4):
- (a) a voter designated as an at-risk voter shall maintain the designation, unless and until:
 - (i) the voter is removed from the list of registered voters in accordance with the requirements of this chapter;
 - (ii) the voter requests removal of the designation; or
 - (iii) the designation is removed in accordance with Subsection 20A-2-606(6); and
 - (b) a voter designated as a public registered voter shall maintain the designation, unless and until the voter is designated as an at-risk voter in accordance with Section 20A-2-606.
- (6) Beginning on January 1, 2027, the lieutenant governor shall ensure that the Statewide Electronic Voter Information Website provides a process where:
- (a) an individual may enter a voter identification number;
 - (b) the website will respond to the entry described in Subsection (6)(a) with:
 - (i) the current political party affiliation of the voter to which the voter identification relates; and
 - (ii) the last date on which the voter's voter registration was updated; and
 - (c) the website will not provide any information, other than the information described in Subsection (6)(b), in response to the entry described in Subsection (6)(a).
- (7) As soon as possible, but no later than January 1, 2027, the lieutenant governor shall post the following information on the lieutenant governor's website, and update the information on a monthly basis:
- (a) for the entire state:
 - (i) the total number of at-risk voters in the state; and
 - (ii) the total number of at-risk voters in the state who are affiliated with a political party; and
 - (b) for each state House of Representatives district and each state Senate district:
 - (i) the total number of at-risk voters in the district; and
 - (ii) the total number of at-risk voters in the district who are affiliated with a political party.

20A-2-603 General request for voter registration records.

- (1) Except as otherwise provided in this section, this part, or another express provision of law, upon receiving a request under this section from a person for voter registration records, the lieutenant governor or a county clerk:
 - (a) shall disclose to the person the standard voter data from a public registered voter's voter registration record; and
 - (b) may not disclose to the person:
 - (i) information from a public registered voter's voter registration record that is not standard voter data; or
 - (ii) any information from an at-risk voter's voter registration record.
- (2) A person that receives information under Subsection (1)(a):
 - (a) shall ensure, using industry standard security measures, that the information may not be accessed by another person, unless the other person is an authorized agent of the person that receives the information under Subsection (1)(a);
 - (b) may only use the information in a manner the person is permitted to use the information under Subsection 20A-2-607(3);
 - (c) may not:
 - (i) use or share the information for a purpose other than a purpose described in Subsection (2)(b); or
 - (ii) grant access to the information to a person other than an authorized agent of the person that receives the information under Subsection (1)(a);
 - (d) notwithstanding Subsection (2)(b), may not grant access to the information or share the information with another person, if the person that receives the information under this section believes that the other person:
 - (i) will use or share the information in a manner other than a manner described in Subsection (2)(b); or
 - (ii) will not comply with Subsection (2)(a), (b), or (c); and
 - (e) may limit access by an authorized agent of the person to only the portion of the information needed for the authorized agent to fulfill a purpose for which the authorized agent is:
 - (i) permitted by law to use the information; and
 - (ii) authorized by the person who receives the information under Subsection (1)(a).
- (3) Before providing the information described in Subsection (1)(a) to a person under this section:
 - (a) if an individual is requesting the information on behalf of another person, the lieutenant governor or county clerk shall verify that the individual requesting the information on behalf of the other person is an authorized agent of the other person; and
 - (b) the individual requesting the information under Subsection (3)(a) shall sign a request form that includes:
 - (i) the name, address, and telephone number of the person that is seeking the information;
 - (ii) the individual's name, address, and telephone number;
 - (iii) a statement that the individual is requesting the information:
 - (A) on the individual's own behalf; or
 - (B) as an authorized agent of the other person described in Subsection (3)(a) and has presented to the lieutenant governor or the county clerk valid verification that the individual is an authorized agent of the other person;

- (iv) a statement that the individual and, if applicable, the other person described in Subsection (3)(a):
 - (A) will comply with the requirements described in Subsection (2); and
 - (B) will not provide or use the information obtained from the list of registered voters in a manner that is prohibited by law;
- (v) a statement that obtaining the information under false pretenses, or providing or using the information in a manner that is prohibited by law, is punishable as a class A misdemeanor and by a civil fine; and
- (vi) notice that if a person makes a false statement in the request form, the person is punishable by law under Section 76-8-504.
- (c) The lieutenant governor or a county clerk may not disclose the information described in Subsection (1)(a) to a person requesting the information under this section if the lieutenant governor or county clerk has probable cause to believe that the person:
 - (i) is not the person whom the person claims to be;
 - (ii) is not an agent of the person of whom the person claims to be an agent; or
 - (iii) will use or share the information in a manner prohibited by law.

20A-2-604 Request for voter registration records by political party -- Confirmation of political party affiliation.

- (1) Except as otherwise provided in this section or another express provision of law, upon receiving a request from a political party for voter registration records, the lieutenant governor or a county clerk:
 - (a) for each public registered voter who is not affiliated with the political party:
 - (i) shall provide to the political party the voter's standard voter data; and
 - (ii) may not provide to the political party any information from the public registered voter's voter registration record that is not standard voter data;
 - (b) for each public registered voter who is affiliated with the political party:
 - (i) shall provide to the political party the voter's standard voter data;
 - (ii) beginning January 1, 2027, shall provide the public registered voter's phone number, only if the voter consents on the voter's voter registration form to the election officer disclosing the voter's phone number to the political party;
 - (iii) beginning January 1, 2027, shall provide the public registered voter's email address, only if the voter consents on the voter's voter registration form to the election officer disclosing the voter's email address to the political party; and
 - (iv) may not provide to the political party any information relating to the voter other than the information provided in accordance with Subsections (1)(b)(i) through (iii); and
 - (c) may not provide to the political party any information from an at-risk voter's voter registration record.
- (2) If an at-risk voter consents, on the voter's voter registration form, to provide the political party with which the voter chooses to affiliate with the voter's phone number or email address, the county clerk or the lieutenant governor:
 - (a) may not provide the phone number or email address to the political party; and
 - (b) shall notify the at-risk voter that the voter must contact the political party directly to provide the voter's phone number or email address to the political party.
- (3) A political party, or an agent of a political party, that receives information under this section:

- (a) shall ensure, using industry standard security measures, that the information may not be accessed by a person other than the political party or an authorized agent of the political party;
- (b) may only use the information:
 - (i) to communicate with an individual who is affiliated with the political party in relation to the business of the political party or for a political purpose;
 - (ii) to verify that the voter is a member of the political party;
 - (iii) to conduct demographic or other analysis for a political purpose; or
 - (iv) for a purpose described in Subsection 20A-2-607(3);
- (c) may not:
 - (i) use or share the information for a purpose other than a purpose described in Subsection (3)(b); or
 - (ii) grant access to the information to a person other than an authorized agent of the political party;
- (d) notwithstanding Subsection (1)(a) or (b), may not grant access to the information or share the information with a person whom the political party believes:
 - (i) will use or share the information in a manner other than a manner described in Subsection (3)(b); or
 - (ii) will not comply with Subsection (3)(a), (b), or (c); and
- (e) may limit access by an authorized agent to only the portion of the information needed for the authorized agent to fulfill a purpose for which the authorized agent is:
 - (i) permitted by law to use the information; and
 - (ii) authorized by the state political party to use the information.
- (4) Before providing the information described in this section to a political party:
 - (a) the lieutenant governor or county clerk shall verify that the individual requesting the information on behalf of the political party is an authorized agent of the political party; and
 - (b) the individual requesting the information under Subsection (4)(a) shall sign a request form that includes:
 - (i) the name, address, and telephone number of the political party that is seeking the information;
 - (ii) the individual's name, address, and telephone number;
 - (iii) a statement that the individual is an authorized agent of the political party and has presented to the lieutenant governor or the county clerk valid verification that the individual is an authorized agent of the political party;
 - (iv) a statement that the political party and the individual will comply with the requirements described in Subsection (3);
 - (v) a statement that the political party, or an agent of the political party, will not provide or use the information obtained from the list of registered voters in a manner that is prohibited by law;
 - (vi) a statement that obtaining the information under false pretenses, or providing or using the information in a manner that is prohibited by law, is punishable as a class A misdemeanor and by a civil fine; and
 - (vii) notice that if a person makes a false statement in the request form, the person is punishable by law under Section 76-8-504.
- (5) The lieutenant governor or a county clerk may not disclose the information described in Subsection (1)(a) or (b) to a person requesting the information under this section if the lieutenant governor or county clerk has probable cause to believe that the person:
 - (a) is not a political party or an agent of the political party; or

(b) will use or share the information in a manner prohibited by law.

20A-2-605 Request for voter registration records by a government official.

- (1) Except as otherwise provided in this section or another express provision of law, upon request by a government official acting in the government official's capacity as a government official, the lieutenant governor or a county clerk:
 - (a) shall disclose to the government official only the information in a voter registration record necessary to permit the government official to fulfill an official duty imposed by law on the government official; and
 - (b) may not disclose to the government official the information in a voter registration record that is not necessary to permit the government official to fulfill an official duty imposed by law on the government official.
- (2) A government official who receives information under Subsection (1)(a):
 - (a) shall ensure, using industry standard security measures, that the information may not be accessed by a person other than the government official or the government entity that the government official represents;
 - (b) may only use the information to the extent necessary to fulfill a duty of the government official; and
 - (c) may not disclose the information to a person other than a person needing the information to fulfill a duty of the government official or the government entity that the government official represents.
- (3) Before providing the information described in Subsection (1)(a) to a government official:
 - (a) the lieutenant governor or county clerk shall verify that:
 - (i) the person requesting the information is a government official; and
 - (ii) it is necessary to provide the information requested to permit the government official to fulfill an official duty imposed by law on the government official; and
 - (b) the government official requesting the information shall sign a request form that includes:
 - (i) the name, address, and telephone number of the government official;
 - (ii) the government official's position or title;
 - (iii) a description of the information requested;
 - (iv) a description of the official duty imposed by law on the government official that requires the requested information;
 - (v) a statement that the government official will ensure, using industry standard security measures, that the information may not be accessed by a person other than the government official or the government entity that the government official represents;
 - (vi) a statement that the government official will only use the information to the extent necessary to fulfill an official duty imposed by law on the government official;
 - (vii) an assertion that the government official will not provide or use the information obtained from the voter registration records in a manner that is prohibited by law;
 - (viii) a statement that obtaining the information under false pretenses, or providing or using the information from the voter registration records in a manner that is prohibited by law, is punishable as a class A misdemeanor and a civil fine; and
 - (ix) notice that if the person signing the request form makes a false statement in the request form, the person is punishable by law under Section 76-8-504.
- (4) The lieutenant governor or a county clerk may not disclose the information under this section if the lieutenant governor or county clerk reasonably believes that the person:

- (a) is not a government official;
- (b) does not need the information requested to fulfill an official duty imposed by law on the government official; or
- (c) will provide or use the information in a manner prohibited by law.

20A-2-606 At-risk registered voter -- Application -- Designation -- Change of status.

- (1) Except to the extent expressly authorized in this part or otherwise expressly provided by law, the lieutenant governor or a county clerk may not disclose an at-risk voter's voter registration record, or any information from an at-risk voter's voter registration record.
- (2)
 - (a) The lieutenant governor shall design and distribute an at-risk designation request form to each election officer and to each agency that provides a voter registration form.
 - (b) The director of elections within the Office of the Lieutenant Governor may make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, establishing requirements for providing the proof described in Subsections (4)(a)(ii) and (b)(ii).
- (3) The following may not encourage an individual to submit, or discourage an individual from submitting, an at-risk designation request form:
 - (a) an election officer;
 - (b) an agency described in Subsection (2)(a); or
 - (c) an employee of a person described in Subsection (3)(a) or (b).
- (4) A voter may apply for designation as an at-risk voter by submitting, either with the voter's voter registration form, or separately to the voter's county clerk:
 - (a)
 - (i) an at-risk designation request form indicating that the voter is, or resides with, an individual who is a victim of, or who is threatened with, domestic violence or dating violence; and
 - (ii) in accordance with any rules made under Subsection (2)(b), proof of the indication described in Subsection (4)(a)(i) in the form of a sworn affidavit where the voter swears to the following statement: "I am applying for designation as an at-risk voter because I am, or I reside with, an individual who is a victim of, or who is threatened with, domestic violence or dating violence."; or
 - (b)
 - (i) an at-risk designation request form indicating that the voter, or an individual who resides with the voter, is a law enforcement officer, a public figure, a member of the armed forces, or protected by a protective order or protection order; and
 - (ii) in accordance with any rules made under Subsection (2)(b), proof of the indication described in Subsection (4)(b)(i).
- (5) A county clerk shall designate a voter as an at-risk voter if the voter complies with Subsection (4).
- (6) A county clerk shall, beginning in 2030, and every five years after 2030, before July 15:
 - (a) mail to each voter who, for a period of one year or longer, has been designated as an at-risk voter:
 - (i) notice that the voter is designated as an at-risk voter and the grounds for the designation;
 - (ii) a list of the grounds for designating a voter as an at-risk voter;
 - (iii) an inquiry regarding whether the voter still qualifies as an at-risk voter; and
 - (iv) a self-addressed envelope, with postage prepaid, for the voter to mail the voter's response to the inquiry described in Subsection (6)(a)(iii); and

- (b) remove the designation of a voter as an at-risk voter if the voter responds that the voter no longer qualifies as an at-risk voter.

20A-2-607 Applicability and enforcement -- Transition.

- (1) This part does not govern or restrict the release of a voter registration record:
 - (a) to an election officer or an employee of an election officer;
 - (b) for a government purpose relating to maintaining the voter registration list or the administration of an election;
 - (c) to the extent required by law, to the federal government to comply with, or verify compliance with, the requirements of federal election law;
 - (d) in accordance with an order of a court with jurisdiction; or
 - (e) to a federal, state, or local law enforcement agency for a legitimate law enforcement purpose related to election law.
- (2) Beginning on March 9, 2026, and ending on May 25, 2026, a person that requests a copy of the voter registration list:
 - (a) will receive the portion of the list, as the list existed on March 8, 2026, that the person was eligible to receive on March 8, 2026; and
 - (b) will not receive an updated version of the list, or of any information in an updated version of the list, until May 25, 2026.
- (3) A person may only obtain or use information from the list of registered voters for:
 - (a) a political purpose;
 - (b) another purpose for which the person is, under this part, expressly permitted to obtain or use the information; or
 - (c) another purpose for which the person is permitted to obtain or use the information:

Enacted by Chapter 102, 2026 General Session

20A-2-608 Election officer to keep voting history information and status -- Restrictions.

- (1) A county clerk shall maintain:
 - (a) for each registered voter:

- (i) the standard voter information for that voter; and
 - (ii) whether the voter is a public registered voter or an at-risk voter; and
 - (b) only during the time period beginning on the day on which the bulk of ballots are mailed for an election and ending at the close of operating hours on the day before the election, a voted report and a mailed ballot report for the election.
- (2)
- (a) Except as provided under Subsection (2)(b), the county clerk shall retain a copy of each voter registration form in a permanent countywide alphabetical file, which may be electronic or some other recognized system.
 - (b) The county clerk may transfer a superseded voter registration form to the Division of Archives and Records Service created under Section 63A-12-101.
 - (c) A county clerk shall retain a list of currently registered voters.
 - (d) The lieutenant governor shall maintain a list of registered voters in electronic form.
 - (e) If there are any discrepancies between the lists described in Subsections (2)(c) and (d), the county clerk's list is the official list.
- (3) Subsection (1) or (2) does not authorize the disclosure of the information described in Subsection (1) or (2) beyond the extent expressly provided in this part.
- (4) A person may, on a subscription basis, obtain the voted report and the mailed ballot report during the time period described in Subsection (1)(b).
- (5)
- (a) Notwithstanding the time limits for response to a request for records under Section 63G-2-204 or the time limits for a request for records established in any ordinance, the election officer shall ensure that the information required to be disclosed under this part is recorded and made available, upon request and subject to the provisions of this part, no later than one business day after the day on which the election officer receives the information.
 - (b) Notwithstanding the fee requirements of Section 63G-2-203 or the fee requirements established in any ordinance, the election officer shall provide the information disclosed under this section, Section 20A-6-603, or Section 20A-6-604, in accordance with the fees established under Subsection 63G-2-203(10).
