

23-16-1.1 Definitions.

As used in this chapter:

- (1) "Cultivated crops" means:
 - (a) crops from or on cleared and planted land; and
 - (b) crop residues that have forage value for livestock.
- (2) "Depredation mitigation plan" means the plan described in Subsection 23-16-3(2).
- (3) "Mitigation review panel" means the panel created under Section 23-16-3.2.

Enacted by Chapter 228, 2003 General Session
