

23-21-2.4 Procedure to revise a management plan.

- (1) Any person seeking a revision of a management plan may request the regional advisory council in the region where the land is located to consider the proposal to revise the plan. The regional advisory council shall consider the proposal and advise the division.
- (2) The process specified in Sections 23-21-2.2 and 23-21-2.3 shall be used to revise a management plan.

Enacted by Chapter 218, 1998 General Session
