

23-23-6 Season dates -- Boundaries -- Review by councils and board.

- (1) The Wildlife Board shall establish season dates and boundaries for each cooperative wildlife management unit.
- (2) Season dates may differ from general statewide season dates.
- (3) At least every five years, cooperative wildlife management units containing public land will be reviewed by the regional advisory councils and the Wildlife Board.

Repealed and Re-enacted by Chapter 258, 1997 General Session
