

23-25-6 Reciprocal recognition of suspension.

- (1) All participating states shall recognize the suspension of license privileges of a person by the participating state as though the violation resulting in the suspension:
 - (a) had occurred in their state; and
 - (b) could have been the basis of the suspension of license privileges in their state.
- (2) Each participating state shall communicate suspension information to other participating states in the form and with the content as contained in the compact manual.
