 - (b) Notwithstanding any other provision to the contrary, all risk retention groups chartered in this state shall file with the commissioner and the National Association of Insurance Commissioners an annual statement in a form prescribed by the commissioner and

completed in accordance with the statement instructions and the National Association of Insurance Commissioners Accounting Practices and Procedures Manual.

- (3) Before it may offer insurance in any state, each risk retention group shall also submit for approval to the commissioner of this state a plan of operation or feasibility study. The risk retention group shall submit an appropriate revision of the plan or study in the event of any subsequent material change in any item of the plan of operation or feasibility study within 10 days of any change. The group may not offer any additional kinds of liability insurance, in this state or in any other state, until any revision of the plan or study is approved by the commissioner.

- (5) The governance standards for risk retention groups are as follows:
 - (a) A risk retention group that exists as of May 10, 2016, shall be in compliance with the governance standards described in this Subsection (5) by no later than May 10, 2017.  - (b) The board of directors of a risk retention group shall have a majority of independent directors. If the risk retention group is a reciprocal:
 - (i) the attorney-in-fact is required to adhere to the same standards regarding independence of operation and governance as imposed on the risk retention group's board of directors and subscribers advisory committee under these standards; and
 - (ii) to the extent permissible under state law, service providers of a reciprocal risk retention group shall contract with the risk retention group and not the attorney-in-fact.
 - (c) A director does not qualify as independent unless the board of directors affirmatively determines that the director has no material relationship with the risk retention group. Each risk retention group shall disclose these determinations to its domestic regulator, at least annually. For this purpose, any person who is a direct or indirect owner of, or subscriber in, the risk retention group or is an officer, director, or employee of the owner and insured, is considered to be independent, unless some other position of the officer, director, or employee constitutes a material relationship, as contemplated by Section 3901(a)(4)(E)(ii) of the Liability Risk Retention Act.

the greater of the following as measured at the end of any fiscal quarter falling in the 12-month period:

- (A) 5% of the risk retention group's gross written premium for the 12-month period; or

 - (iv) The director or immediate family member of a director described in Subsection (5)(d)(iii) is not independent until one year after the end of the affiliation, employment, or auditing relationship.
 - (v) A material relationship exists if the director or immediate family member of a director who is employed as an executive officer of another company where any of the risk retention group's present executives serve on that other company's board of directors is not independent until one year after the end of the service or the employment relationship.
- (e)
- (i) The term of any material service provider contract with the risk retention group may not exceed five years. A material service provider contract, or its renewal, shall require the approval of the majority of the risk retention group's independent directors. The service provider contract is considered material if the amount to be paid for the contract is greater than or equal to the greater of:
 - (A) 5% of the risk retention group's annual gross written premium; or
 - (B) 2% of the risk retention group's surplus.
 - (ii) For purposes of Subsection (5)(e)(i), "service provider" includes a captive manager, auditor, accountant, actuary, investment advisor, lawyer, managing general underwriter, or other party responsible for underwriting, determining rates, collecting premiums, adjusting and settling claims, or preparing financial statements. A reference to "lawyer" in this Subsection (5)(e)(ii) does not include defense counsel retained by the risk retention group to defend claims, unless the amount of fees paid to the lawyer is "material" as referenced in Section (5)(e)(i).
 - (iii) A service provider contract meeting the definition of material relationship contained in Section (5)(d) may not be entered into unless the risk retention group has, at least 30 days before entering into the service provider contract, notified the commissioner in writing of its intention to enter into the transaction and the commissioner has not disapproved it within the 30-day period.
 - (iv) The risk retention group's board of directors shall have the right to terminate any service provider, audit contract, or actuarial contract at any time for cause after providing adequate notice as defined in the contract.

- (i) assure that an owner of the risk retention group receive evidence of ownership interest;
 - (ii) develop a set of governance standards applicable to the risk retention group;
 - (iii) oversee the evaluation of the risk retention group's management including the performance of the captive manager, managing general underwriter, or one or more other parties responsible for underwriting, determining rates, collecting premiums, adjusting or settling claims, or preparing financial statements;

- (iv) review and approve the amount to be paid for all material service providers; and
- (v) review and approve at least annually:
 - (A) the risk retention group's goals and objectives relevant to the compensation of officers and service providers;
 - (B) the officers' and service providers' performance in light of those goals and objectives; and
 - (C) the continued engagement of the officers and material service providers.
- (g)
 - (i) A risk retention group shall have an audit committee composed of at least three independent board members as defined in Subsection (5)(c). A non-independent board member may participate in the activities of the audit committee, if invited by the members of the audit committee, but cannot be a member of the audit committee.
 - (ii) The audit committee shall have a written charter that defines the audit committee's purpose, which, at a minimum, shall be to:

 - (C) discuss the annual audited financial statements with its independent auditor and, if advisable, discuss its quarterly financial statements with its independent auditor;
 - (D) discuss policies with respect to risk assessment and risk management;
 - (E) meet separately and periodically, either directly or through a designated representative of the committee, with management and the independent auditor;
 - (F) review with the independent auditor any audit problems or difficulties and management's response;
 - (G) set clear hiring policies of the risk retention group as to the hiring of employees or former employees of the independent auditor;
 - (H) require the external auditor to rotate the lead or coordinating audit partner having primary responsibility for the risk retention group's audit as well as the audit partner responsible for reviewing that audit so that neither individual performs audit services for more than five consecutive fiscal years; and
 - (I) report regularly to the board of directors.
 - (iii) The domestic regulator may waive the requirement to establish an audit committee composed of independent board members if the risk retention group is able to demonstrate to the domestic regulator that it is impracticable to do so and the risk retention group's board of directors itself is otherwise able to accomplish the purposes of an audit committee, as described in this Section (5)(g).
- (h) The board of directors shall adopt and disclose governance standards, where "disclose" means making such information available through election, including posting the information on the risk retention group's website or other means, and providing such information to owners upon request, which shall include:
 - (i) a process by which the directors are elected by the owners;
 - (ii) director qualification standards;

 - (vii) the policies and procedures that are followed for management succession; and

- (viii) the policies and procedures that are followed for annual performance evaluation of the board.
