Chapter 22
Contracts in Specific Lines

Part 1
Contracts of Suretyship

31A-22-101 Scope of part.
This Part 1, Contracts of Suretyship, applies to those suretyship obligations that are subject to
Chapter 21, Insurance Contracts in General, and this chapter under Section 31A-21-101.

Amended by Chapter 90, 2004 General Session

31A-22-102 Bonds need not be under seal.
Under this code, no suretyship obligation is required to be under seal.

Enacted by Chapter 242, 1985 General Session

31A-22-103 Validity of surety bonds.
(1) An undertaking to stand as surety which is issued by an insurer authorized to do a surety
business in this state is complete compliance with any qualification requirement in Utah law
respecting surety bonds. This undertaking is acceptable to any state official or court-appointed
fiduciary authorized to receive or empowered to require the undertaking. A copy of a surety's
certificate of authority, certified by the commissioner, is prima facie evidence that a surety was
authorized to do business in this state on the date of the certificate.
(2) No instrument executed by an insurer authorized to do a surety business is ineffective because
of the insurer's failure to attach a copy of its certificate of authority to do business in this state.
However, a public official or court-appointed fiduciary may, by prior written request, require that
a copy of the insurer's certificate of authority, certified by the commissioner, be delivered. The
insurer's failure to deliver a certified copy of the surety's certificate of authority within 10 days
of receipt of the request is adequate grounds for refusing to accept the suretyship instrument.
Failure to request a copy of the certificate of authority prior to accepting the surety instrument is
a waiver of the right to request the certificate.
(3) After executing an obligation of suretyship, no insurer may deny its corporate power to execute
that type of instrument or to incur that type of liability in any proceeding against the insurer upon
that instrument.

Amended by Chapter 204, 1986 General Session

31A-22-104 Indemnity agreements and security for benefit of surety.
(1) Any insurer authorized to do a surety business may contract with any person, including a
principal debtor under a suretyship obligation, for indemnity or security to protect the surety
against losses. No indemnity agreement or provision of security by the principal debtor
releases from or changes the liability of the principal debtor or of the sureties from the terms
established in the bond. No surety may be indemnified through funds held by the principal
debtor in a fiduciary capacity.
(2) Security may be in any of the following forms:
(a) deposits of money or other property of the principal debtor which can be held by a responsible financial institution authorized by law to do that type of business, in a manner that prevents withdrawal or alienation of the money or other property without the written consent of the sureties or an order of a court of competent jurisdiction made after notice is given to the sureties and a hearing is held as directed by the court; or
(b) security interests in real or personal property perfected under the laws of Utah.
(3) This section does not affect a surety's common-law right to reimbursement, subrogation, or exoneration.

Amended by Chapter 218, 1987 General Session

31A-22-105 Common control of fiduciary funds permissible.
Any fiduciary from whom a bond, undertaking, or other obligation is required may agree and arrange with his sureties for the deposit for safekeeping of any and all assets for which he is responsible with a depository institution authorized by law to hold the assets, in a manner which prevents the withdrawal or alienation of any part of the property without the written consent of the sureties, or an order of the court made after notice is given to the sureties and a hearing is held as directed by the court. This deposit agreement does not release or change the fiduciary responsibility of the principal, or the liability of the principal or sureties as established under the bond.

Enacted by Chapter 242, 1985 General Session

31A-22-106 Petition of fiduciary's surety to be relieved from liability.
Any surety securing others against losses caused by breach of duty by a fiduciary, herein called "principal," may petition the court where the surety's obligation is filed or which has jurisdiction over the principal, for an order relieving the surety from further liability for the acts or omissions of the principal. This order may be issued only after the court is satisfied that the principal has accounted to the petitioner and has obtained a new surety. The surety relieved from liability shall refund any unearned part of the premium paid which the surety held as consideration for its promise to be surety. To relieve a surety from liability, the court may order the principal to account, to obtain a new surety, or to refrain from acting except to preserve property held in a fiduciary capacity.

Enacted by Chapter 242, 1985 General Session

31A-22-107 Bond premium allowable expense of fiduciary.
Any fiduciary required by law, or the court in providing a surety to secure the fiduciary's performance, may include as part of the expense of executing the fiduciary responsibility a reasonable premium paid to a surety for becoming the fiduciary's surety. However, the court may not allow an expense allowance greater than the larger of 1% of the surety's maximum obligation or $25.

Enacted by Chapter 242, 1985 General Session

Part 2
Liability Insurance in General
31A-22-201 Required provisions of liability insurance policies.

Every liability insurance policy shall provide that the bankruptcy or insolvency of the insured may not diminish any liability of the insurer to third parties, and that if execution against the insured is returned unsatisfied, an action may be maintained against the insurer to the extent that the liability is covered by the policy.

Enacted by Chapter 242, 1985 General Session

(1) An insurance contract insuring against loss or damage through legal liability for the bodily injury or death by accident of any person, or for damage to the property of any person, may not be retroactively abrogated to the detriment of any third-party claimant by any agreement between the insurer and insured after the occurrence of any injury, death, or damage for which the insured may be liable. This attempted abrogation is void.

(2) A motor vehicle liability policy may be rescinded or cancelled as to an insured for fraud, material misrepresentation, or any reason allowable under the law.

(3) A motor vehicle liability policy may not be rescinded for fraud or material misrepresentation, as to minimum liability coverage limits under Section 31A-22-304, to the detriment of a third party for a loss otherwise covered by the policy.

Amended by Chapter 138, 2016 General Session

31A-22-203 Notice and proof of loss.

Section 31A-21-312 applies to the notice required under liability policies. Subsection 31A-21-312(1) may not be construed to extend the normal provisions of any claims-made coverage that required notice of an occurrence or claim prior to the expiration of the policy for coverage to be in force.

Amended by Chapter 10, 1988 Special Session 2
Amended by Chapter 10, 1988 Special Session 2

31A-22-204 Restriction on limitation of coverage.

No insurer may limit coverage under a policy insuring against legal liability to claims that are first made against the insured while the policy is in force, unless the policy contains on the cover page, a conspicuous statement that the coverage of the policy is limited in that way.

Enacted by Chapter 242, 1985 General Session

31A-22-205 Applicability of restatement of law.

(1) A restatement of the law of liability insurance is not the law or public policy of this state if the statement of law is inconsistent or in conflict with:
(a) the Constitution of the United States;
(b) the Utah Constitution;
(c) a state statute;
(d) state case law; or
(e) state-adopted common law.
(2) Nothing in this section precludes a court from referencing or considering a restatement or other legal treatise.

Enacted by Chapter 32, 2020 General Session

Amended by Chapter 91, 2013 General Session

31A-22-302.5 Named driver exclusions.
(1) A policy of personal lines insurance or combination of personal lines policies purchased to satisfy the owner's or operator's security requirement under Section 41-12a-301 may specifically exclude from coverage:
   (a) a person who is a resident of the named insured's household, including a person who usually makes the person's home in the same household but temporarily lives elsewhere; or
   (b) a person who usually or customarily operates the motor vehicle.
(2) The named driver exclusion under Subsection (1) is effective only if:
   (a) at the time of the proposed exclusion, each person excluded from coverage satisfies the owner's or operator's security requirement under Section 41-12a-301, independently of the named insured's proof of owner's or operator's security;
   (b) any named insured and the person excluded from coverage each provide written consent to the exclusion; and
   (c) the insurer includes the name of each person excluded from coverage in the evidence of insurance provided to an additional insured or loss payee.
(3) The provisions of Subsection (2)(a) do not apply to the named driver exclusion of the person excluded from coverage if the person's driver license has been denied, suspended, or revoked.
(4) The named driver exclusion shall remain effective until removed by the insurer.
(5) If the driver license of a person excluded from coverage under Subsection (1) has been denied, suspended, revoked, or disqualified and the person excluded from coverage subsequently operates a motor vehicle, the exclusion shall:
   (a) exclude all liability coverage and all physical damage coverage without regard to the comparative fault of the excluded driver;
   (b) proportionately reduce any benefits otherwise payable to the person excluded from coverage and to any named insured for benefits payable under uninsured motorist coverage, underinsured motorist coverage, personal injury protection coverage, and first party medical coverage to the extent the person excluded from coverage was comparatively at fault; and
   (c) if the person excluded from coverage is 50% or more at fault in causing the accident, bar both the excluded driver and any named insured from recovering any benefits under any coverage listed under Subsection (5)(b).
(6) The named driver exclusion under Subsection (1) does not apply when the person excluded from coverage is:
   (a) a non-driving passenger in a motor vehicle; or
   (b) a pedestrian.

31A-22-303 Motor vehicle liability coverage.
(1) 
   (a) In addition to complying with the requirements of Chapter 21, Insurance Contracts in General, and Part 2, Liability Insurance in General, a policy of motor vehicle liability coverage under Subsection 31A-22-302(1)(a) shall:
(i) name the motor vehicle owner or operator in whose name the policy was purchased, state
that named insured's address, the coverage afforded, the premium charged, the policy
period, and the limits of liability;

(ii)
(A) if it is an owner's policy, designate by appropriate reference all the motor vehicles on
which coverage is granted, insure the person named in the policy, insure any other person
using any named motor vehicle with the express or implied permission of the named
insured, and, except as provided in Section 31A-22-302.5, insure any person included in
Subsection (1)(a)(iii) against loss from the liability imposed by law for damages arising out
of the ownership, maintenance, or use of these motor vehicles within the United States
and Canada, subject to limits exclusive of interest and costs, for each motor vehicle, in
amounts not less than the minimum limits specified under Section 31A-22-304; or
(B) if it is an operator's policy, insure the person named as insured against loss from the
liability imposed upon him by law for damages arising out of the insured's use of any motor
vehicle not owned by him, within the same territorial limits and with the same limits of
liability as in an owner's policy under Subsection (1)(a)(ii)(A);

(iii) except as provided in Section 31A-22-302.5, insure persons related to the named insured
by blood, marriage, adoption, or guardianship who are residents of the named insured's
household, including those who usually make their home in the same household but
temporarily live elsewhere, to the same extent as the named insured;

(iv) where a claim is brought by the named insured or a person described in Subsection (1)(a)
(iii), the available coverage of the policy may not be reduced or stepped-down because:
(A) a permissive user driving a covered motor vehicle is at fault in causing an accident; or
(B) the named insured or any of the persons described in Subsection (1)(a)(iii) driving a
covered motor vehicle is at fault in causing an accident; and

(v) cover damages or injury resulting from a covered driver of a motor vehicle who is stricken
by an unforeseeable paralysis, seizure, or other unconscious condition and who is not
reasonably aware that paralysis, seizure, or other unconscious condition is about to occur to
the extent that a person of ordinary prudence would not attempt to continue driving.

(b) The driver's liability under Subsection (1)(a)(v) is limited to the insurance coverage.

(c)

(i) "Guardianship" under Subsection (1)(a)(iii) includes the relationship between a foster parent
and a minor who is in the legal custody of the Division of Child and Family Services if:
(A) the minor resides in a foster home, as defined in Section 62A-2-101, with a foster parent
who is the named insured; and
(B) the foster parent has signed to be jointly and severally liable for compensatory damages
caused by the minor's operation of a motor vehicle in accordance with Section 53-3-211.

(ii) "Guardianship" as defined under this Subsection (1)(c) ceases to exist when a minor
described in Subsection (1)(c)(i)(A) is no longer a resident of the named insured's
household.

(2)

(a) A policy containing motor vehicle liability coverage under Subsection 31A-22-302(1)(a) may:
(i) provide for the prorating of the insurance under that policy with other valid and collectible
insurance;
(ii) grant any lawful coverage in addition to the required motor vehicle liability coverage;
(iii) if the policy is issued to a person other than a motor vehicle business, limit the coverage
afforded to a motor vehicle business or its officers, agents, or employees to the minimum
limits under Section 31A-22-304, and to those instances when there is no other valid and
collectible insurance with at least those limits, whether the other insurance is primary, excess, or contingent; and
(iv) if issued to a motor vehicle business, restrict coverage afforded to anyone other than the motor vehicle business or its officers, agents, or employees to the minimum limits under Section 31A-22-304, and to those instances when there is no other valid and collectible insurance with at least those limits, whether the other insurance is primary, excess, or contingent.

(b)
(i) The liability insurance coverage of a permissive user of a motor vehicle owned by a motor vehicle business shall be primary coverage.
(ii) The liability insurance coverage of a motor vehicle business shall be secondary to the liability insurance coverage of a permissive user as specified under Subsection (2)(b)(i).

(3) Motor vehicle liability coverage need not insure any liability:
(a) under any workers’ compensation law under Title 34A, Utah Labor Code;
(b) resulting from bodily injury to or death of an employee of the named insured, other than a domestic employee, while engaged in the employment of the insured, or while engaged in the operation, maintenance, or repair of a designated vehicle; or
(c) resulting from damage to property owned by, rented to, bailed to, or transported by the insured.

(4) An insurance carrier providing motor vehicle liability coverage has the right to settle any claim covered by the policy, and if the settlement is made in good faith, the amount of the settlement is deductible from the limits of liability specified under Section 31A-22-304.

(5) A policy containing motor vehicle liability coverage imposes on the insurer the duty to defend, in good faith, any person insured under the policy against any claim or suit seeking damages which would be payable under the policy.

(6)
(a) If a policy containing motor vehicle liability coverage provides an insurer with the defense of lack of cooperation on the part of the insured, that defense is not effective against a third person making a claim against the insurer, unless there was collusion between the third person and the insured.
(b) If the defense of lack of cooperation is not effective against the claimant, after payment, the insurer is subrogated to the injured person's claim against the insured to the extent of the payment and is entitled to reimbursement by the insured after the injured third person has been made whole with respect to the claim against the insured.

(7)
(a) A policy of motor vehicle coverage may limit coverage to the policy minimum limits under Section 31A-22-304 if the policy or a specifically reduced premium was extended to the insured upon express written declaration executed by the insured that the insured motor vehicle would not be operated by a person described in Subsection (7)(c) operating in a manner described in Subsection (7)(b)(i).
(b) A policy of motor vehicle liability coverage may limit coverage as described in Subsection (7)
   (a) if the insured motor vehicle is operated by an individual described in Subsection (7)(c) if the individual described in Subsection (7)(c) is guilty of:
   (A) driving under the influence as described in Section 41-6a-502;
   (B) impaired driving as described in Section 41-6a-502.5; or
   (C) operating a vehicle with a measurable controlled substance in the individual's body as described in Section 41-6a-517.
(ii) An individual’s refusal to submit to a chemical test as described in Sections 41-6a-520 and 41-6a-520.1 is admissible evidence, but not conclusive, that the individual is guilty of an offense described in Subsection (7)(b)(i).

(c) A reduction in coverage as described in Subsection (7)(a) applies to the following individuals:
(i) the insured;
(ii) the spouse of the insured; or
(iii) if the individual has a separate policy as a secondary source of coverage, and:
(A) the individual is over the age of 21 and resides in the household of the insured; or
(B) the individual is a permissible user of the motor vehicle.

(d) A reduction in coverage as described in Subsection (7)(a) does not apply to an individual under the age of 21 who is a relative of the insured and a resident of the insured’s household.

(8)
(a) When a claim is brought exclusively by a named insured or a person described in Subsection (1)(a)(iii) and asserted exclusively against a named insured or an individual described in Subsection (1)(a)(iii), the claimant may elect to resolve the claim:
(i) by submitting the claim to binding arbitration; or
(ii) through litigation.

(b) Once the claimant has elected to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of both parties and the defendant’s liability insurer.

(c)
(i) Unless otherwise agreed on in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a panel of three arbitrators.
(ii) Unless otherwise agreed on in writing by the parties, each party shall select an arbitrator. The arbitrators selected by the parties shall select a third arbitrator.

(d) Unless otherwise agreed on in writing by the parties, each party will pay the fees and costs of the arbitrator that party selects. Both parties shall share equally the fees and costs of the third arbitrator.

(e) Except as otherwise provided in this section, an arbitration procedure conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act, unless otherwise agreed on in writing by the parties.

(f)
(i) Discovery shall be conducted in accordance with Rules 26b through 36, Utah Rules of Civil Procedure.
(ii) All issues of discovery shall be resolved by the arbitration panel.

(g) A written decision of two of the three arbitrators shall constitute a final decision of the arbitration panel.

(h) Prior to the rendering of the arbitration award:
(i) the existence of a liability insurance policy may be disclosed to the arbitration panel; and
(ii) the amount of all applicable liability insurance policy limits may not be disclosed to the arbitration panel.

(i) The amount of the arbitration award may not exceed the liability limits of all the defendant’s applicable liability insurance policies, including applicable liability umbrella policies. If the initial arbitration award exceeds the liability limits of all applicable liability insurance policies, the arbitration award shall be reduced to an amount equal to the liability limits of all applicable liability insurance policies.

(j) The arbitration award is the final resolution of all claims between the parties unless the award was procured by corruption, fraud, or other undue means.
(k) If the arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitration panel may award reasonable fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(l) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(9) An at-fault driver or an insurer issuing a policy of insurance under this part that is covering an at-fault driver may not reduce compensation to an injured party based on the injured party not being covered by a policy of insurance that provides personal injury protection coverage under Sections 31A-22-306 through 31A-22-309.

Amended by Chapter 415, 2023 General Session

31A-22-304 Motor vehicle liability policy minimum limits.

(1) A policy issued or renewed on or before December 31, 2024, containing motor vehicle liability coverage may not limit the insurer's liability under that coverage below the following:

(a)

(i) $25,000 because of liability for bodily injury to or death of one person, arising out of the use of a motor vehicle in any one accident;

(ii) subject to the limit for one person in Subsection (1)(a)(i), in the amount of $65,000 because of liability for bodily injury to or death of two or more persons arising out of the use of a motor vehicle in any one accident; and

(iii) in the amount of $15,000 because of liability for injury to, or destruction of, property of others arising out of the use of a motor vehicle in any one accident; or

(b) $80,000 in any one accident whether arising from bodily injury to or the death of others, or from destruction of, or damage to, the property of others.

(2) Subject to Subsection (3), a policy issued or renewed on or after January 1, 2025, containing motor vehicle liability coverage may not limit the insurer's liability under that coverage below the following:

(a)

(i) $30,000 because of liability for bodily injury to or death of one person, arising out of the use of a motor vehicle in any one accident;

(ii) subject to the limit for one person in Subsection (2)(a)(i), in the amount of $65,000 because of liability for bodily injury to or death of two or more persons arising out of the use of a motor vehicle in any one accident; and

(iii) in the amount of $25,000 because of liability for injury to, or destruction of, property of others arising out of the use of a motor vehicle in any one accident; or

(b) $90,000 in any one accident whether arising from bodily injury to or the death of others, or from destruction of, or damage to, the property of others.

(3) Notwithstanding Subsection (2), for a policy for a self-insured, private rental fleet, the policy containing motor vehicle liability coverage may not limit the insurer's liability under that coverage below the following:

(a)

(i) $25,000 because of liability for bodily injury to or death of one person, arising out of the use of a motor vehicle in any one accident;

(ii) subject to the limit for one person in Subsection (3)(a)(i), in the amount of $65,000 because of liability for bodily injury to or death of two or more persons arising out of the use of a motor vehicle in any one accident; and
(iii) in the amount of $15,000 because of liability for injury to, or destruction of, property of others arising out of the use of a motor vehicle in any one accident; or 
(b) $80,000 in any one accident whether arising from bodily injury to or the death of others, or from destruction of, or damage to, the property of others.

Amended by Chapter 51, 2023 General Session

31A-22-305 Uninsured motorist coverage.
(1) As used in this section, "covered persons" includes:
   (a) the named insured;
   (b) for a claim arising on or after May 13, 2014, the named insured’s dependent minor children;
   (c) persons related to the named insured by blood, marriage, adoption, or guardianship, who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere;
   (d) any person occupying or using a motor vehicle:
      (i) referred to in the policy; or
      (ii) owned by a self-insured; and
   (e) any person who is entitled to recover damages against the owner or operator of the uninsured or underinsured motor vehicle because of bodily injury to or death of persons under Subsection (1)(a), (b), (c), or (d).

(2) As used in this section, "uninsured motor vehicle" includes:
   (a)
      (i) a motor vehicle, the operation, maintenance, or use of which is not covered under a liability policy at the time of an injury-causing occurrence; or
      (ii)
         (A) a motor vehicle covered with lower liability limits than required by Section 31A-22-304; and
         (B) the motor vehicle described in Subsection (2)(a)(ii)(A) is uninsured to the extent of the deficiency;
   (b) an unidentified motor vehicle that left the scene of an accident proximately caused by the motor vehicle operator;
   (c) a motor vehicle covered by a liability policy, but coverage for an accident is disputed by the liability insurer for more than 60 days or continues to be disputed for more than 60 days; or
   (d)
      (i) an insured motor vehicle if, before or after the accident, the liability insurer of the motor vehicle is declared insolvent by a court of competent jurisdiction; and
      (ii) the motor vehicle described in Subsection (2)(d)(i) is uninsured only to the extent that the claim against the insolvent insurer is not paid by a guaranty association or fund.

(3) Uninsured motorist coverage under Subsection 31A-22-302(1)(b) provides coverage for covered persons who are legally entitled to recover damages from owners or operators of uninsured motor vehicles because of bodily injury, sickness, disease, or death.

(4)
   (a) For new policies written on or after January 1, 2001, the limits of uninsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:
      (i) is filed with the department;
(ii) is provided by the insurer;
(iii) waives the higher coverage;
(iv) need only state in this or similar language that uninsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has no liability insurance; and
(v) discloses the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(b) Any selection or rejection under this Subsection (4) continues for that issuer of the liability coverage until the insured requests, in writing, a change of uninsured motorist coverage from that liability insurer.

c) Subsections (4)(a) and (b) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.

(ii) The Legislature finds that the retroactive application of Subsections (4)(a) and (b) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(d) For purposes of this Subsection (4), "new policy" means:
(i) any policy that is issued which does not include a renewal or reinstatement of an existing policy; or
(ii) a change to an existing policy that results in:
   (A) a named insured being added to or deleted from the policy; or
   (B) a change in the limits of the named insured's motor vehicle liability coverage.

(e) As used in this Subsection (4)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.

(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (4)(d).

(iii) If an additional motor vehicle is added to a personal lines policy where uninsured motorist coverage has been rejected, or where uninsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:
   (A) in the same manner as described in Subsection (4)(a)(iv), explains the purpose of uninsured motorist coverage; and
   (B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase uninsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum uninsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (4)(d)(ii) does not constitute a new policy.

(g) Subsection (4)(d) applies retroactively to any claim arising on or after January 1, 2001, for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.
(ii) The Legislature finds that the retroactive application of Subsection (4):
(A) does not enlarge, eliminate, or destroy vested rights; and
(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide uninsured motorist
coverage in an amount that is less than its maximum self-insured retention under Subsections
(4)(a) and (5)(a) by issuing a declaratory memorandum or policy statement from the chief
financial officer or chief risk officer that declares the:
(i) self-insured entity's coverage level; and
(ii) process for filing an uninsured motorist claim.

(i) Uninsured motorist coverage may not be sold with limits that are less than the minimum bodily
injury limits for motor vehicle liability policies under Section 31A-22-304.

(j) The acknowledgment under Subsection (4)(a) continues for that issuer of the uninsured
motorist coverage until the named insured requests, in writing, different uninsured motorist
coverage from the insurer.

(k)
(i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies
existing on that date, the insurer shall disclose in the same medium as the premium renewal
notice, an explanation of:
(A) the purpose of uninsured motorist coverage in the same manner as described in
Subsection (4)(a)(iv); and
(B) a disclosure of the additional premiums required to purchase uninsured motorist coverage
with limits equal to the lesser of the limits of the named insured's motor vehicle liability
coverage or the maximum uninsured motorist coverage limits available by the insurer
under the named insured's motor vehicle policy.
(ii) The disclosure required under Subsection (4)(k)(i) shall be sent to all named insureds that
carry uninsured motorist coverage limits in an amount less than the named insured's motor
vehicle liability policy limits or the maximum uninsured motorist coverage limits available by
the insurer under the named insured's motor vehicle policy.

(l) For purposes of this Subsection (4), a notice or disclosure sent to a named insured in a
household constitutes notice or disclosure to all insureds within the household.

(5)
(a)
(i) Except as provided in Subsection (5)(b), the named insured may reject uninsured motorist
coverage by an express writing to the insurer that provides liability coverage under
Subsection 31A-22-302(1)(a).
(ii) This rejection shall be on a form provided by the insurer that includes a reasonable
explanation of the purpose of uninsured motorist coverage.
(iii) This rejection continues for that issuer of the liability coverage until the insured in writing
requests uninsured motorist coverage from that liability insurer.

(b) All persons, including governmental entities, that are engaged in the business of, or that
accept payment for, transporting natural persons by motor vehicle, and all school districts
that provide transportation services for their students, shall provide coverage for all motor
vehicles used for that purpose, by purchase of a policy of insurance or by self-insurance,
uninsured motorist coverage of at least $25,000 per person and $500,000 per accident.

(ii) This coverage is secondary to any other insurance covering an injured covered person.

(c) Uninsured motorist coverage:
(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by the workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by any benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f), may be reduced by health insurance subrogation only after the covered person has been made whole;

(v) may not be collected for bodily injury or death sustained by a person:
   (A) while committing a violation of Section 41-1a-1314;
   (B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or
   (C) while committing a felony; and

(vi) notwithstanding Subsection (5)(c)(v), may be recovered:
   (A) for a person under 18 years old who is injured within the scope of Subsection (5)(c)(v) but limited to medical and funeral expenses; or
   (B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer's duties.

(d) As used in this Subsection (5), "motor vehicle" has the same meaning as under Section 41-1a-102.

(6) When a covered person alleges that an uninsured motor vehicle under Subsection (2)(b) proximately caused an accident without touching the covered person or the motor vehicle occupied by the covered person, the covered person shall show the existence of the uninsured motor vehicle by clear and convincing evidence consisting of more than the covered person's testimony.

(7)

(a) The limit of liability for uninsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.

(b)

(i) Subsection (7)(a) applies to all persons except a covered person as defined under Subsection (8)(b).

(ii) A covered person as defined under Subsection (8)(b)(i) is entitled to the highest limits of uninsured motorist coverage afforded for any one motor vehicle that the covered person is the named insured or an insured family member.

(iii) This coverage shall be in addition to the coverage on the motor vehicle the covered person is occupying.

(iv) Neither the primary nor the secondary coverage may be set off against the other.

(c) Coverage on a motor vehicle occupied at the time of an accident shall be primary coverage, and the coverage elected by a person described under Subsections (1)(a) through (c) shall be secondary coverage.

(8)

(a) Uninsured motorist coverage under this section applies to bodily injury, sickness, disease, or death of covered persons while occupying or using a motor vehicle only if the motor vehicle is described in the policy under which a claim is made, or if the motor vehicle is a
newly acquired or replacement motor vehicle covered under the terms of the policy. Except as provided in Subsection (7) or this Subsection (8), a covered person injured in a motor vehicle described in a policy that includes uninsured motorist benefits may not elect to collect uninsured motorist coverage benefits from any other motor vehicle insurance policy under which the person is a covered person.

(b) Each of the following persons may also recover uninsured motorist benefits under any one other policy in which they are described as a "covered person" as defined in Subsection (1):
   (i) a covered person injured as a pedestrian by an uninsured motor vehicle; and
   (ii) except as provided in Subsection (8)(c), a covered person injured while occupying or using a motor vehicle that is not owned, leased, or furnished:
      (A) to the covered person;
      (B) to the covered person's spouse; or
      (C) to the covered person's resident parent or resident sibling.

(c)
   (i) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:
      (A) a dependent minor of parents who reside in separate households; and
      (B) injured while occupying or using a motor vehicle that is not owned, leased, or furnished:
         (I) to the covered person;
         (II) to the covered person's resident parent; or
         (III) to the covered person's resident sibling.
   (ii) Each parent's policy under this Subsection (8)(c) is liable only for the percentage of the damages that the limit of liability of each parent's policy of uninsured motorist coverage bears to the total of both parents' uninsured coverage applicable to the accident.

(d) A covered person's recovery under any available policies may not exceed the full amount of damages.

(e) A covered person in Subsection (8)(b) is not barred against making subsequent elections if recovery is unavailable under previous elections.

(f)
   (i) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.
   (ii) Except to the extent permitted by Subsection (7) and this Subsection (8), interpolicy stacking is prohibited for uninsured motorist coverage.

(9)
(a) When a claim is brought by a named insured or a person described in Subsection (1) and is asserted against the covered person's uninsured motorist carrier, the claimant may elect to resolve the claim:
   (i) by submitting the claim to binding arbitration; or
   (ii) through litigation.
(b) Unless otherwise provided in the policy under which uninsured benefits are claimed, the election provided in Subsection (9)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (9)(a)(ii).
(c) Once the claimant has elected to commence litigation under Subsection (9)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the uninsured motorist carrier.
(d) For purposes of the statute of limitations applicable to a claim described in Subsection (9)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (9).

(e) (i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (9)(a)(i) shall be resolved by a single arbitrator.
(ii) All parties shall agree on the single arbitrator selected under Subsection (9)(e)(i).
(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (9)(e) (ii), the parties shall select a panel of three arbitrators.

(f) If the parties select a panel of three arbitrators under Subsection (9)(e)(iii):
(i) each side shall select one arbitrator; and
(ii) the arbitrators appointed under Subsection (9)(f)(i) shall select one additional arbitrator to be included in the panel.

(g) Unless otherwise agreed to in writing:
(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(e)(i); or
(ii) if an arbitration panel is selected under Subsection (9)(e)(iii):
(A) each party shall pay the fees and costs of the arbitrator selected by that party; and
(B) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (9)(f)(ii).

(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the parties, an arbitration proceeding conducted under this section shall be governed by Title 78B, Chapter 11, Utah Uniform Arbitration Act.

(i) (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through 37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections (10)(a) through (c) are satisfied.
(ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be determined based on the claimant’s specific monetary amount in the written demand for payment of uninsured motorist coverage benefits as required in Subsection (10)(a)(i)(A).
(iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims under this part.

(j) All issues of discovery shall be resolved by the arbitrator or the arbitration panel.

(k) A written decision by a single arbitrator or by a majority of the arbitration panel shall constitute a final decision.

(l) (i) Except as provided in Subsection (10), the amount of an arbitration award may not exceed the uninsured motorist policy limits of all applicable uninsured motorist policies, including applicable uninsured motorist umbrella policies.
(ii) If the initial arbitration award exceeds the uninsured motorist policy limits of all applicable uninsured motorist policies, the arbitration award shall be reduced to an amount equal to the combined uninsured motorist policy limits of all applicable uninsured motorist policies.

(m) The arbitrator or arbitration panel may not decide the issues of coverage or extra-contractual damages, including:
(i) whether the claimant is a covered person;
(ii) whether the policy extends coverage to the loss; or
(iii) any allegations or claims asserting consequential damages or bad faith liability.
(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-representative basis.

(o) If the arbitrator or arbitration panel finds that the action was not brought, pursued, or defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees and costs against the party that failed to bring, pursue, or defend the claim in good faith.

(p) An arbitration award issued under this section shall be the final resolution of all claims not excluded by Subsection (9)(m) between the parties unless:

(i) the award was procured by corruption, fraud, or other undue means;

(ii) either party, within 20 days after service of the arbitration award:

(A) files a complaint requesting a trial de novo in the district court; and

(B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(q) Upon filing a complaint for a trial de novo under Subsection (9)(p), the claim shall proceed through litigation pursuant to the Utah Rules of Civil Procedure and Utah Rules of Evidence in the district court.

(i) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (9)(p)(ii)(A).

(r) If the claimant, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party's costs.

(ii) If the uninsured motorist carrier, as the moving party in a trial de novo requested under Subsection (9)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the uninsured motorist carrier is responsible for all of the nonmoving party's costs.

(iii) Except as provided in Subsection (9)(r)(iv), the costs under this Subsection (9)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (9)(r) may not exceed $2,500 unless Subsection (10)(h)(iii) applies.

(s) For purposes of determining whether a party's verdict is greater or less than the arbitration award under Subsection (9)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that the moving party's use of the trial de novo process was filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit any claim under any other portion of an applicable insurance policy.

(v) If there are multiple uninsured motorist policies, as set forth in Subsection (8), the claimant may elect to arbitrate in one hearing the claims against all the uninsured motorist carriers.

(10) Within 30 days after a covered person elects to submit a claim for uninsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the uninsured motorist carrier:

(i) a written demand for payment of uninsured motorist coverage benefits, setting forth:
(A) subject to Subsection (10)(l), the specific monetary amount of the demand, including a computation of the covered person’s claimed past medical expenses, claimed past lost wages, and the other claimed past economic damages; and
(B) the factual and legal basis and any supporting documentation for the demand;

(ii) a written statement under oath disclosing:
(A)
(I) the names and last known addresses of all health care providers who have rendered health care services to the covered person that are material to the claims for which uninsured motorist benefits are sought for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and
(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised that have not been disclosed under Subsection (10)(a)(ii)(A)(I);
(B)
(I) the names and last known addresses of all health insurers or other entities to whom the covered person has submitted claims for health care services or benefits material to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised; and
(II) the names and last known addresses of the health insurers or other entities to whom the covered person has submitted claims for health care services or benefits, which the covered person claims are immaterial to the claims for which uninsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation have not been disclosed;
(C) if lost wages, diminished earning capacity, or similar damages are claimed, all employers of the covered person for a period of five years preceding the date of the event giving rise to the claim for uninsured motorist benefits up to the time the election for arbitration or litigation has been exercised;
(D) other documents to reasonably support the claims being asserted; and
(E) all state and federal statutory lienholders including a statement as to whether the covered person is a recipient of Medicare or Medicaid benefits or Utah Children’s Health Insurance Program benefits under Title 26B, Chapter 3, Part 9, Utah Children's Health Insurance Program, or if the claim is subject to any other state or federal statutory liens; and
(iii) signed authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities disclosed under Subsections (10)(a)(ii)(A)(I), (B)(I), and (C).

(b)
(i) If the uninsured motorist carrier determines that the disclosure of undisclosed health care providers or health care insurers under Subsection (10)(a)(ii) is reasonably necessary, the uninsured motorist carrier may:
(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and
(B) make a request for authorizations to allow the uninsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:
(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and
(B) either the covered person or the uninsured motorist carrier may request the arbitrator or arbitration panel to resolve the issue of whether the identities or records are to be provided if the covered person has elected arbitration.

(iii) The time periods imposed by Subsection (10)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c)
(i) An uninsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of uninsured motorist benefits under Subsection (10) (a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (10)(a)(i) through (iii), to:
(A) provide a written response to the written demand for payment provided for in Subsection (10)(a)(i);
(B) except as provided in Subsection (10)(c)(i)(C), tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person; and
(C) if the covered person is a recipient of Medicare or Medicaid benefits or Utah Children's Health Insurance Program benefits under Title 26B, Chapter 3, Part 9, Utah Children's Health Insurance Program, or if the claim is subject to any other state or federal statutory liens, tender the amount, if any, of the uninsured motorist carrier's determination of the amount owed to the covered person less:
(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or
(II) if the amount of the state or federal statutory lien is not established, two times the amount of the medical expenses subject to the state or federal statutory lien until such time as the amount of the state or federal statutory lien is established.

(ii) If the amount tendered by the uninsured motorist carrier under Subsection (10)(c)(i) is the total amount of the uninsured motorist policy limits, the tendered amount shall be accepted by the covered person.

(d) A covered person who receives a written response from an uninsured motorist carrier as provided for in Subsection (10)(c)(i), may:
(i) elect to accept the amount tendered in Subsection (10)(c)(i) as payment in full of all uninsured motorist claims; or
(ii) elect to:
(A) accept the amount tendered in Subsection (10)(c)(i) as partial payment of all uninsured motorist claims; and
(B) continue to litigate or arbitrate the remaining claim in accordance with the election made under Subsections (9)(a) through (c).

(e) If a covered person elects to accept the amount tendered under Subsection (10)(c)(i) as partial payment of all uninsured motorist claims, the final award obtained through arbitration, litigation, or later settlement shall be reduced by any payment made by the uninsured motorist carrier under Subsection (10)(c)(i).

(f) In an arbitration proceeding on the remaining uninsured claims:
(i) the parties may not disclose the arbitrator or arbitration panel the amount paid under Subsection (10)(c)(i) until after the arbitration award has been rendered; and
(ii) the parties may not disclose the amount of the limits of uninsured motorist benefits provided by the policy.

(g) If the final award obtained through arbitration or litigation is greater than the average of the covered person's initial written demand for payment provided for in Subsection (10)(a)(i) and the uninsured motorist carrier's initial written response provided for in Subsection (10)(c)(i), the uninsured motorist carrier shall pay:

(i) the final award obtained through arbitration or litigation, except that if the award exceeds the policy limits of the subject uninsured motorist policy by more than $15,000, the amount shall be reduced to an amount equal to the policy limits plus $15,000; and

(ii) any of the following applicable costs:

(A) any costs as set forth in Rule 54(d), Utah Rules of Civil Procedure;
(B) the arbitrator or arbitration panel's fee; and
(C) the reasonable costs of expert witnesses and depositions used in the presentation of evidence during arbitration or litigation.

(h)

(i) The covered person shall provide an affidavit of costs within five days of an arbitration award.

(ii)

(A) Objection to the affidavit of costs shall specify with particularity the costs to which the uninsured motorist carrier objects.
(B) The objection shall be resolved by the arbitrator or arbitration panel.

(iii) The award of costs by the arbitrator or arbitration panel under Subsection (10)(g)(ii) may not exceed $5,000.

(i)

(i) A covered person shall disclose all material information, other than rebuttal evidence, within 30 days after a covered person elects to submit a claim for uninsured motorist coverage benefits to binding arbitration or files litigation as specified in Subsection (10)(a).

(ii) If the information under Subsection (10)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (10)(g).

(j) This Subsection (10) does not limit any other cause of action that arose or may arise against the uninsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (10) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l)

(i)

(A) The written demand requirement in Subsection (10)(a)(i)(A) does not affect the covered person's requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed.

(B) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to this Subsection (10)(l) and Subsection (10)(a)(i)(A) apply to a claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(ii) The changes made by Laws of Utah 2014, Chapter 290, Section 10, and Chapter 300, Section 10, to Subsections (10)(a)(ii)(A)(II) and (B)(II) apply to any claim submitted to binding arbitration or through litigation on or after May 13, 2014.

(11)
(a) A person shall commence an action on a written policy or contract for uninsured motorist coverage within four years after the inception of loss.
(b) Subsection (11)(a) shall apply to all claims that have not been time barred by Subsection 31A-21-313(1)(a) as of May 14, 2019.

Amended by Chapter 327, 2023 General Session

31A-22-305.3 Underinsured motorist coverage.
(1) As used in this section:
(a) "Covered person" has the same meaning as defined in Section 31A-22-305.
(b)
(i) "Underinsured motor vehicle" includes a motor vehicle, the operation, maintenance, or use of which is covered under a liability policy at the time of an injury-causing occurrence, but which has insufficient liability coverage to compensate fully the injured party for all special and general damages.
(ii) The term "underinsured motor vehicle" does not include:
(A) a motor vehicle that is covered under the liability coverage of the same policy that also contains the underinsured motorist coverage;
(B) an uninsured motor vehicle as defined in Subsection 31A-22-305(2); or
(C) a motor vehicle owned or leased by:
   (I) a named insured;
   (II) a named insured's spouse; or
   (III) a dependent of a named insured.

(2)
(a) Underinsured motorist coverage under Subsection 31A-22-302(1)(c) provides coverage for a covered person who is legally entitled to recover damages from an owner or operator of an underinsured motor vehicle because of bodily injury, sickness, disease, or death.
(b) A covered person occupying or using a motor vehicle owned, leased, or furnished to the covered person, the covered person's spouse, or covered person's resident relative may recover underinsured benefits only if the motor vehicle is:
   (i) described in the policy under which a claim is made; or
   (ii) a newly acquired or replacement motor vehicle covered under the terms of the policy.

(3)
(a) For purposes of this Subsection (3), "new policy" means:
   (i) any policy that is issued that does not include a renewal or reinstatement of an existing policy; or
   (ii) a change to an existing policy that results in:
      (A) a named insured being added to or deleted from the policy; or
      (B) a change in the limits of the named insured's motor vehicle liability coverage.
(b) For new policies written on or after January 1, 2001, the limits of underinsured motorist coverage shall be equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy, unless a named insured rejects or purchases coverage in a lesser amount by signing an acknowledgment form that:
   (i) is filed with the department;
   (ii) is provided by the insurer;
(iii) waives the higher coverage;
(iv) need only state in this or similar language that "underinsured motorist coverage provides benefits or protection to you and other covered persons for bodily injury resulting from an accident caused by the fault of another party where the other party has insufficient liability insurance"; and
(v) discloses the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(c) Any selection or rejection under Subsection (3)(b) continues for that issuer of the liability coverage until the insured requests, in writing, a change of underinsured motorist coverage from that liability insurer.

(d)
(i) Subsections (3)(b) and (c) apply retroactively to any claim arising on or after January 1, 2001, for which, as of May 14, 2013, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.
(ii) The Legislature finds that the retroactive application of Subsections (3)(b) and (c) clarifies legislative intent and does not enlarge, eliminate, or destroy vested rights.

(e)
(i) As used in this Subsection (3)(e), "additional motor vehicle" means a change that increases the total number of vehicles insured by the policy, and does not include replacement, substitute, or temporary vehicles.
(ii) The adding of an additional motor vehicle to an existing personal lines or commercial lines policy does not constitute a new policy for purposes of Subsection (3)(a).
(iii) If an additional motor vehicle is added to a personal lines policy where underinsured motorist coverage has been rejected, or where underinsured motorist limits are lower than the named insured's motor vehicle liability limits, the insurer shall provide a notice to a named insured within 30 days that:
(A) in the same manner described in Subsection (3)(b)(iv), explains the purpose of underinsured motorist coverage; and
(B) encourages the named insured to contact the insurance company or insurance producer for quotes as to the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(f) A change in policy number resulting from any policy change not identified under Subsection (3)(a)(ii) does not constitute a new policy.

(g)
(i) Subsection (3)(a) applies retroactively to any claim arising on or after January 1, 2001 for which, as of May 1, 2012, an insured has not made a written demand for arbitration or filed a complaint in a court of competent jurisdiction.
(ii) The Legislature finds that the retroactive application of Subsection (3)(a):
(A) does not enlarge, eliminate, or destroy vested rights; and
(B) clarifies legislative intent.

(h) A self-insured, including a governmental entity, may elect to provide underinsured motorist coverage in an amount that is less than its maximum self-insured retention under Subsections (3)(b) and (l) by issuing a declaratory memorandum or policy statement from the chief financial officer or chief risk officer that declares the:
(i) self-insured entity's coverage level; and
(ii) process for filing an underinsured motorist claim.

(i) Underinsured motorist coverage may not be sold with limits that are less than:
   (i) $10,000 for one person in any one accident; and
   (ii) at least $20,000 for two or more persons in any one accident.

(j) An acknowledgment under Subsection (3)(b) continues for that issuer of the underinsured motorist coverage until the named insured, in writing, requests different underinsured motorist coverage from the insurer.

(k)
   (i) The named insured's underinsured motorist coverage, as described in Subsection (2), is secondary to the liability coverage of an owner or operator of an underinsured motor vehicle, as described in Subsection (1).
   (ii) Underinsured motorist coverage may not be set off against the liability coverage of the owner or operator of an underinsured motor vehicle, but shall be added to, combined with, or stacked upon the liability coverage of the owner or operator of the underinsured motor vehicle to determine the limit of coverage available to the injured person.

(l)
   (i) In conjunction with the first two renewal notices sent after January 1, 2001, for policies existing on that date, the insurer shall disclose in the same medium as the premium renewal notice, an explanation of:
      (A) the purpose of underinsured motorist coverage in the same manner as described in Subsection (3)(b)(iv); and
      (B) a disclosure of the additional premiums required to purchase underinsured motorist coverage with limits equal to the lesser of the limits of the named insured's motor vehicle liability coverage or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.
   (ii) The disclosure required under this Subsection (3)(l) shall be sent to all named insureds that carry underinsured motorist coverage limits in an amount less than the named insured's motor vehicle liability policy limits or the maximum underinsured motorist coverage limits available by the insurer under the named insured's motor vehicle policy.

(m) For purposes of this Subsection (3), a notice or disclosure sent to a named insured in a household constitutes notice or disclosure to all insureds within the household.

(4)

(a)
   (i) Except as provided in this Subsection (4), a covered person injured in a motor vehicle described in a policy that includes underinsured motorist benefits may not elect to collect underinsured motorist coverage benefits from another motor vehicle insurance policy.
   (ii) The limit of liability for underinsured motorist coverage for two or more motor vehicles may not be added together, combined, or stacked to determine the limit of insurance coverage available to an injured person for any one accident.
   (iii) Subsection (4)(a)(ii) applies to all persons except a covered person described under Subsections (4)(b)(i) and (ii).

(b)
   (i) A covered person injured as a pedestrian by an underinsured motor vehicle may recover underinsured motorist benefits under any one other policy in which they are described as a covered person.
   (ii) Except as provided in Subsection (4)(b)(iii), a covered person injured while occupying, using, or maintaining a motor vehicle that is not owned, leased, or furnished to the covered
person, the covered person's spouse, or the covered person's resident parent or resident sibling, may also recover benefits under any one other policy under which the covered person is also a covered person.

(iii)
(A) A covered person may recover benefits from no more than two additional policies, one additional policy from each parent's household if the covered person is:
(I) a dependent minor of parents who reside in separate households; and
(II) injured while occupying or using a motor vehicle that is not owned, leased, or furnished to the covered person, the covered person's resident parent, or the covered person's resident sibling.
(B) Each parent's policy under this Subsection (4)(b)(iii) is liable only for the percentage of the damages that the limit of liability of each parent's policy of underinsured motorist coverage bears to the total of both parents' underinsured coverage applicable to the accident.

(iv) A covered person's recovery under any available policies may not exceed the full amount of damages.

(v) Underinsured coverage on a motor vehicle occupied at the time of an accident is primary coverage, and the coverage elected by a person described under Subsections 31A-22-305(1)(a), (b), and (c) is secondary coverage.

(vi) The primary and the secondary coverage may not be set off against the other.

(vii) A covered person as described under Subsection (4)(b)(i) or is entitled to the highest limits of underinsured motorist coverage under only one additional policy per household applicable to that covered person as a named insured, spouse, or relative.

(viii) A covered injured person is not barred against making subsequent elections if recovery is unavailable under previous elections.

(ix)
(A) As used in this section, "interpolicy stacking" means recovering benefits for a single incident of loss under more than one insurance policy.
(B) Except to the extent permitted by this Subsection (4), interpolicy stacking is prohibited for underinsured motorist coverage.

(c) Underinsured motorist coverage:

(i) does not cover any benefit paid or payable under Title 34A, Chapter 2, Workers' Compensation Act, except that the covered person is credited an amount described in Subsection 34A-2-106(5);

(ii) may not be subrogated by a workers' compensation insurance carrier, workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iii) may not be reduced by benefits provided by workers' compensation insurance, uninsured employer, the Uninsured Employers Fund created in Section 34A-2-704, or the Employers' Reinsurance Fund created in Section 34A-2-702;

(iv) notwithstanding Subsection 31A-1-103(3)(f) may be reduced by health insurance subrogation only after the covered person is made whole;

(v) may not be collected for bodily injury or death sustained by a person:
(A) while committing a violation of Section 41-1a-1314;
(B) who, as a passenger in a vehicle, has knowledge that the vehicle is being operated in violation of Section 41-1a-1314; or
(C) while committing a felony; and

(vi) notwithstanding Subsection (4)(c)(v), may be recovered:
(A) for a person younger than 18 years old who is injured within the scope of Subsection (4) (c)(v), but is limited to medical and funeral expenses; or
(B) by a law enforcement officer as defined in Section 53-13-103, who is injured within the course and scope of the law enforcement officer’s duties.

(5)
(a) Notwithstanding Section 31A-21-313, an action on a written policy or contract for underinsured motorist coverage shall be commenced within four years after the inception of loss.
(b) The inception of the loss under Subsection 31A-21-313(1) for underinsured motorist claims occurs upon the date of the settlement check representing the last liability policy payment.

(6) An underinsured motorist insurer does not have a right of reimbursement against a person liable for the damages resulting from an injury-causing occurrence if the person’s liability insurer has tendered the policy limit and the limits have been accepted by the claimant.

(7) Except as otherwise provided in this section, a covered person may seek, subject to the terms and conditions of the policy, additional coverage under any policy:
(a) that provides coverage for damages resulting from motor vehicle accidents; and
(b) that is not required to conform to Section 31A-22-302.

(8)
(a) When a claim is brought by a named insured or a person described in Subsection 31A-22-305(1) and is asserted against the covered person’s underinsured motorist carrier, the claimant may elect to resolve the claim:
(i) by submitting the claim to binding arbitration; or
(ii) through litigation.
(b) Unless otherwise provided in the policy under which underinsured benefits are claimed, the election provided in Subsection (8)(a) is available to the claimant only, except that if the policy under which insured benefits are claimed provides that either an insured or the insurer may elect arbitration, the insured or the insurer may elect arbitration and that election to arbitrate shall stay the litigation of the claim under Subsection (8)(a)(ii).
(c) Once a claimant elects to commence litigation under Subsection (8)(a)(ii), the claimant may not elect to resolve the claim through binding arbitration under this section without the written consent of the underinsured motorist coverage carrier.
(d) For purposes of the statute of limitations applicable to a claim described in Subsection (8)(a), if the claimant does not elect to resolve the claim through litigation, the claim is considered filed when the claimant submits the claim to binding arbitration in accordance with this Subsection (8).
(e)
(i) Unless otherwise agreed to in writing by the parties, a claim that is submitted to binding arbitration under Subsection (8)(a)(i) shall be resolved by a single arbitrator.
(ii) All parties shall agree on the single arbitrator selected under Subsection (8)(e)(i).
(iii) If the parties are unable to agree on a single arbitrator as required under Subsection (8)(e)
(ii), the parties shall select a panel of three arbitrators.
(f) If the parties select a panel of three arbitrators under Subsection (8)(e)(iii):
(i) each side shall select one arbitrator; and
(ii) the arbitrators appointed under Subsection (8)(f)(i) shall select one additional arbitrator to be included in the panel.
(g) Unless otherwise agreed to in writing:
(i) each party shall pay an equal share of the fees and costs of the arbitrator selected under Subsection (8)(e)(i); or
(ii) if an arbitration panel is selected under Subsection (8)(e)(iii):
   (A) each party shall pay the fees and costs of the arbitrator selected by that party; and
   (B) each party shall pay an equal share of the fees and costs of the arbitrator selected under
   Subsection (8)(f)(ii).
(h) Except as otherwise provided in this section or unless otherwise agreed to in writing by the
   parties, an arbitration proceeding conducted under this section is governed by Title 78B,
   Chapter 11, Utah Uniform Arbitration Act.
(i)
   (i) The arbitration shall be conducted in accordance with Rules 26(a)(4) through (f), 27 through
   37, 54, and 68 of the Utah Rules of Civil Procedure, once the requirements of Subsections
   (9)(a) through (c) are satisfied.
   (ii) The specified tier as defined by Rule 26(c)(3) of the Utah Rules of Civil Procedure shall be
determined based on the claimant's specific monetary amount in the written demand for
   payment of uninsured motorist coverage benefits as required in Subsection (9)(a)(i)(A).
   (iii) Rules 26.1 and 26.2 of the Utah Rules of Civil Procedure do not apply to arbitration claims
   under this part.
(j) An issue of discovery shall be resolved by the arbitrator or the arbitration panel.
(k) A written decision by a single arbitrator or by a majority of the arbitration panel constitutes a
   final decision.
(l)
   (i) Except as provided in Subsection (9), the amount of an arbitration award may not exceed the
   underinsured motorist policy limits of all applicable underinsured motorist policies, including
   applicable underinsured motorist umbrella policies.
   (ii) If the initial arbitration award exceeds the underinsured motorist policy limits of all applicable
   underinsured motorist policies, the arbitration award shall be reduced to an amount equal
to the combined underinsured motorist policy limits of all applicable underinsured motorist
   policies.
(m) The arbitrator or arbitration panel may not decide an issue of coverage or extra-contractual
   damages, including:
   (i) whether the claimant is a covered person;
   (ii) whether the policy extends coverage to the loss; or
   (iii) an allegation or claim asserting consequential damages or bad faith liability.
(n) The arbitrator or arbitration panel may not conduct arbitration on a class-wide or class-
   representative basis.
(o) If the arbitrator or arbitration panel finds that the arbitration is not brought, pursued, or
   defended in good faith, the arbitrator or arbitration panel may award reasonable attorney fees
   and costs against the party that failed to bring, pursue, or defend the arbitration in good faith.
(p) An arbitration award issued under this section shall be the final resolution of all claims not
   excluded by Subsection (8)(m) between the parties unless:
   (i) the award is procured by corruption, fraud, or other undue means; or
   (ii) either party, within 20 days after service of the arbitration award:
       (A) files a complaint requesting a trial de novo in the district court; and
       (B) serves the nonmoving party with a copy of the complaint requesting a trial de novo under

   in the district court.
(ii) In accordance with Rule 38, Utah Rules of Civil Procedure, either party may request a jury trial with a complaint requesting a trial de novo under Subsection (8)(p)(ii)(A).

(r)

(i) If the claimant, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least $5,000 and is at least 20% greater than the arbitration award, the claimant is responsible for all of the nonmoving party’s costs.

(ii) If the underinsured motorist carrier, as the moving party in a trial de novo requested under Subsection (8)(p), does not obtain a verdict that is at least 20% less than the arbitration award, the underinsured motorist carrier is responsible for all of the nonmoving party’s costs.

(iii) Except as provided in Subsection (8)(r)(iv), the costs under this Subsection (8)(r) shall include:

(A) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and

(B) the costs of expert witnesses and depositions.

(iv) An award of costs under this Subsection (8)(r) may not exceed $2,500 unless Subsection (9)(h)(iii) applies.

(s) For purposes of determining whether a party’s verdict is greater or less than the arbitration award under Subsection (8)(r), a court may not consider any recovery or other relief granted on a claim for damages if the claim for damages:

(i) was not fully disclosed in writing prior to the arbitration proceeding; or

(ii) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(t) If a district court determines, upon a motion of the nonmoving party, that a moving party’s use of the trial de novo process is filed in bad faith in accordance with Section 78B-5-825, the district court may award reasonable attorney fees to the nonmoving party.

(u) Nothing in this section is intended to limit a claim under another portion of an applicable insurance policy.

(v) If there are multiple underinsured motorist policies, as set forth in Subsection (4), the claimant may elect to arbitrate in one hearing the claims against all the underinsured motorist carriers.

(9)

(a) Within 30 days after a covered person elects to submit a claim for underinsured motorist benefits to binding arbitration or files litigation, the covered person shall provide to the underinsured motorist carrier:

(i) a written demand for payment of underinsured motorist coverage benefits, setting forth:

(A) subject to Subsection (9)(l), the specific monetary amount of the demand, including a computation of the covered person’s claimed past medical expenses, claimed past lost wages, and all other claimed past economic damages; and

(II) the names and last known addresses of the health care providers who have rendered health care services to the covered person, which the covered person claims are immaterial to the claims for which underinsured motorist benefits are sought, for a period of five years preceding the date of the event giving rise to the claim for underinsured

(A) make a request for the disclosure of the identity of the health care providers or health care insurers; and

(B) make a request for authorizations to allow the underinsured motorist carrier to only obtain records and billings from the individuals or entities not disclosed.

(ii) If the covered person does not provide the requested information within 10 days:

(A) the covered person shall disclose, in writing, the legal or factual basis for the failure to disclose the health care providers or health care insurers; and

(iii) The time periods imposed by Subsection (9)(c)(i) are tolled pending resolution of the dispute concerning the disclosure and production of records of the health care providers or health care insurers.

(c) An underinsured motorist carrier that receives an election for arbitration or a notice of filing litigation and the demand for payment of underinsured motorist benefits under Subsection (9)(a)(i) shall have a reasonable time, not to exceed 60 days from the date of the demand and receipt of the items specified in Subsections (9)(a)(i) through (iii), to:

Health Insurance Program benefits under Title 26B, Chapter 3, Part 9, Utah Children's
Health Insurance Program, or if the claim is subject to any other state or federal statutory
liens, tender the amount, if any, of the underinsured motorist carrier's determination of the
amount owed to the covered person less:
(I) if the amount of the state or federal statutory lien is established, the amount of the lien; or
(II) if the amount of the state or federal statutory lien is not established, two times the
amount of the medical expenses subject to the state or federal statutory lien until such
time as the amount of the state or federal statutory lien is established.
(ii) If the amount tendered by the underinsured motorist carrier under Subsection (9)(c)(i) is
the total amount of the underinsured motorist policy limits, the tendered amount shall be
accepted by the covered person.
(d) A covered person who receives a written response from an underinsured motorist carrier as
provided for in Subsection (9)(c)(i), may:
(i) elect to accept the amount tendered in Subsection (9)(c)(i) as payment in full of all

litigation, or later settlement shall be reduced by any payment made by the underinsured
motorist carrier under Subsection (9)(c)(i).
(f) In an arbitration proceeding on the remaining underinsured claims:
(i) the parties may not disclose to the arbitrator or arbitration panel the amount paid under
Subsection (9)(c)(i) until after the arbitration award has been rendered; and
(ii) the parties may not disclose the amount of the limits of underinsured motorist benefits
provided by the policy.
(g) If the final award obtained through arbitration or litigation is greater than the average of the
covered person's initial written demand for payment provided for in Subsection (9)(a)(i) and
the underinsured motorist carrier's initial written response provided for in Subsection (9)(c)(i),
the underinsured motorist carrier shall pay:
(i) the final award obtained through arbitration or litigation, except that if the award exceeds the

(ii) If the information under Subsection (9)(i)(i) is not disclosed, the covered person may not recover costs or any amounts in excess of the policy under Subsection (9)(g).

(j) This Subsection (9) does not limit any other cause of action that arose or may arise against the underinsured motorist carrier from the same dispute.

(k) The provisions of this Subsection (9) only apply to motor vehicle accidents that occur on or after March 30, 2010.

(l) The written demand requirement in Subsection (9)(a)(i)(A) does not affect the covered person’s requirement to provide a computation of any other economic damages claimed, and the one or more respondents shall have a reasonable time after the receipt of the computation of any other economic damages claimed to conduct fact and expert discovery as to any additional damages claimed. (2) persons related to the insured by blood, marriage, adoption, or guardianship who are residents of the insured's household, including those who usually make their home in the same household but temporarily live elsewhere under the circumstances described in Section (1), except where the person is injured as a result of the use or operation of his own motor vehicle not insured under the policy; and

      (ii) dismemberment;
      (iii) permanent disability or permanent impairment based upon objective findings;

(2)

(a) Any insurer issuing personal injury protection coverage under this part may only exclude from this coverage benefits:

(i) for any injury sustained by the insured while occupying another motor vehicle owned by or furnished for the regular use of the insured or a resident family member of the insured and not insured under the policy;

(ii) for any injury sustained by any person while operating the insured motor vehicle without the express or implied consent of the insured or while not in lawful possession of the insured motor vehicle;

(iii) to any injured person, if the person’s conduct contributed to the person's injury:  
(A) by intentionally causing injury to the person; or  
(B) while committing a felony;

(iv) for any injury sustained by any person arising out of the use of any motor vehicle while located for use as a residence or premises;

(v) for any injury due to war, whether or not declared, civil war, insurrection, rebellion or revolution, or to any act or condition incident to any of the foregoing; or

(vi) for any injury resulting from the radioactive, toxic, explosive, or other hazardous properties of nuclear materials.

(b) This Subsection (2) does not limit the exclusions that may be contained in other types of coverage.

(3) The benefits payable to any injured person under Section 31A-22-307 are reduced by:

(a) any benefits which that person receives or is entitled to receive as a result of an accident covered in this code under any workers' compensation or similar statutory plan; and

(b) any amounts which that person receives or is entitled to receive from the United States or any of its agencies because that person is on active duty in the military service.

(4) When a person injured is also an insured party under any other policy, including those policies complying with this part, primary coverage is given by the policy insuring the motor vehicle in use during the accident.

(5)

(a) Payment of the benefits provided for in Section 31A-22-307 shall be made on a monthly basis as expenses are incurred.

(b) Benefits for any period are overdue if they are not paid within 30 days after the insurer receives reasonable proof of the fact and amount of expenses incurred during the period. If reasonable proof is not supplied as to the entire claim, the amount supported by reasonable proof is overdue if not paid within 30 days after that proof is received by the insurer. Any part or all of the remainder of the claim that is later supported by reasonable proof is also overdue if not paid within 30 days after the proof is received by the insurer.

(c) If the insurer fails to pay the expenses when due, these expenses shall bear interest at the rate of 1-1/2% per month after the due date.

(d) The person entitled to the benefits may bring an action in contract to recover the expenses plus the applicable interest. If the insurer is required by the action to pay any overdue benefits and interest, the insurer is also required to pay a reasonable attorney’s fee to the claimant.

(6)
(a) Except as provided in Subsection (6)(b), every policy providing personal injury protection coverage is subject to the following:
   (i) that where the insured under the policy is or would be held legally liable for the personal injuries sustained by any person to whom benefits required under personal injury protection have been paid by another insurer, the insurer of the person who would be held legally liable shall reimburse the other insurer for the payment, but not in excess of the amount of damages recoverable; and
   (ii) that the issue of liability for that reimbursement and its amount shall be decided by mandatory, binding arbitration between the insurers.
(b) There shall be no right of reimbursement between insurers under Subsection (6)(a) if the insurer of the person who would be held legally liable for the personal injuries sustained has tendered its policy limit.
(c)
   (i) If the insurer of the person who would be held legally liable for the personal injuries sustained reimburses a no-fault insurer prior to settling a third party liability claim with an injured person and subsequently determines that some or all of the reimbursed amount is needed to settle a third party claim, the insurer of the person who would be held legally liable for the personal injuries sustained shall provide written notice to the no-fault insurer that some or all of the reimbursed amount is needed to settle a third party liability claim.
   (ii) The written notice described under Subsection (6)(c)(i) shall:
      (A) identify the amount of the reimbursement that is needed to settle a third party liability claim;
      (B) provide notice to the no-fault insurer that the no-fault insurer has 15 days to return the amount described in Subsection (6)(c)(ii)(A); and
      (C) identify the third party liability insurer that the returned amount shall be paid to.
   (iii) A no-fault insurer that receives a notice under this Subsection (6)(c) shall return the portion of the reimbursement identified under Subsection (6)(c)(ii) to the third party liability insurer identified under Subsection (6)(c)(ii)(C) within 15 business days from receipt of a notice under this Subsection (6)(c).

(13)
(a) If the plaintiff, as the moving party in a trial de novo requested under Subsection (11), does
not obtain a verdict that is at least $5,000 and is at least 30% greater than the arbitration
award, the plaintiff is responsible for all of the nonmoving party's costs.
(b) Except as provided in Subsection (13)(c), the costs under Subsection (13)(a) shall include:
   (i) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and
   (ii) the costs of expert witnesses and depositions.
(c) An award of costs under this Subsection (13) may not exceed $6,000.

(14)
(a) If a defendant, as the moving party in a trial de novo requested under Subsection (11), does
not obtain a verdict that is at least 30% less than the arbitration award, the defendant is
responsible for all of the nonmoving party's costs.
(b) Except as provided in Subsection (14)(c), the costs under Subsection (14)(a) shall include:
   (i) any costs set forth in Rule 54(d), Utah Rules of Civil Procedure; and
   (ii) the costs of expert witnesses and depositions.
(c) An award of costs under this Subsection (14) may not exceed $6,000.

(15) For purposes of determining whether a party's verdict is greater or less than the arbitration
award under Subsections (13) and (14), a court may not consider any recovery or other relief
granted on a claim for damages if the claim for damages:
   (a) was not fully disclosed in writing prior to the arbitration proceeding; or
   (b) was not disclosed in response to discovery contrary to the Utah Rules of Civil Procedure.

(16) If a district court determines, upon a motion of the nonmoving party, that the moving party's
use of the trial de novo process was filed in bad faith as defined in Section 78B-5-825, the
district court may award reasonable attorney fees to the nonmoving party.

(17) Nothing in this section is intended to affect or prevent any first party claim from later being
brought under any first party insurance policy under which the injured person is a covered
person.

(18)
(a) If a defendant requests a trial de novo under Subsection (11), in no event can the total verdict
at trial exceed $15,000 above any available limits of insurance coverage and in no event can
the total verdict exceed $65,000.
(b) If a plaintiff requests a trial de novo under Subsection (11), the verdict at trial may not exceed
$50,000.

(19) All arbitration awards issued under this section shall bear postjudgment interest pursuant to
Section 15-1-4.

(20) If a party requests a trial de novo under Subsection (11), the party shall file a copy of the
notice requesting a trial de novo with the commissioner notifying the commissioner of the
party's request for a trial de novo under Subsection (11).

31A-22-401 Prohibited life insurance policy provisions.
No life insurance company may issue or deliver any life insurance policy subject to this chapter under Section 31A-21-101 which contains any provision:
(1) forfeiting the policy for failure to repay any loan on the policy or to pay interest on the loan while the total indebtedness on the policy is less than its loan value, and in ascertaining the indebtedness due upon policy loans, the interest, if not paid when due, may be added to the principal of those loans and may bear interest at the same rate as the principal;
(2) claiming that the policy was issued or became effective more than one year before the original application for the insurance is executed, if the insured would then be rated at an age more than one year younger than his age at the date of his application, unless the aggregate amount of the annual premiums for the whole term of the back-dated period is paid in cash; or
(3) allowing assessments or calls to be made upon policyholders.

31A-22-402 Grace period -- Notification.
(1)
   (a) Every life insurance policy other than a group policy shall contain a provision entitling the policyholder to a grace period within which the payment of any premium may be made after the first payment of any premium.
(b) During the grace period described in Subsection (1)(a), the policy continues in full force.

(2) The grace period required by Subsection (1) may not be less than:
   (a) 31 days; or
   (b) four weeks for policies whose premiums are payable more frequently than monthly.

(3) The insurer may impose an interest charge during the grace period not in excess of the interest rate:
   (a) set by the policy for policy loans; or
   (b) in the absence of a provision described in Subsection (3)(a), a rate set by the commissioner by rule.

(4) If a claim arises under the policy during the grace period, an insurer may deduct from the policy proceeds:

   (b) interest at the rate provided in this section; and
   (c) any deferred installment of the annual premium.

(5)
   (a) At least 30 days before the day on which the insurer terminates coverage, the insurer shall send written notice of termination of coverage to:

      (ii) a third party designated in accordance with Section 31A-22-430.
   (b) An insurer shall obtain and, upon request, demonstrate proof of delivery for a notice the insurer sends under Subsection (5)(a).
   (c) Proof of delivery described in Subsection (5)(b) may include a certified mail receipt or, for electronic delivery, a read receipt.

31A-22-403 Incontestability.
   (1) This section does not apply to group policies.
   (2)
      (a) Except as provided in Subsection (3), a life insurance policy is incontestable after the policy has been in force for a period of two years from the policy's date of issue:
         (i) during the lifetime of the insured; or
         (ii) for a survivorship life insurance policy, during the lifetime of the surviving insured.
      (b) A life insurance policy shall state that the life insurance policy is incontestable after the time period described in Subsection (2)(a).
   (3)
      (a) A life insurance policy described in Subsection (2) may be contested for nonpayment of premiums.
      (b) A life insurance policy described in Subsection (2) may be contested as to:
         (i) provisions relating to accident and health benefits allowed under Section 31A-22-609; and
         (ii) additional benefits in the event of death by accident.
      (c) If a life insurance policy described in Subsection (2) allows the insured, after the policy's issuance and for an additional premium, to obtain a death benefit that is larger than when the policy was originally issued, the payment of the additional increment of benefit is contestable:
         (i) until two years after the incremental increase of benefits; and
         (ii) based only on a ground that may arise in connection with the incremental increase.
   (4)
      (a) A reinstated life insurance policy may be contested:
(i) for two years following reinstatement on the same basis as at original issuance; and
(ii) only as to matters arising in connection with the reinstatement.

(b) Any grounds for contest available at original issuance continue to be available for contest until the policy has been in force for a total of two years:
(i) during the lifetime of the insured; and
(ii) for a survivorship life insurance policy, during the lifetime of the surviving insured.

(5)
(a) The limitations on incontestability under this section:
(i) preclude only a contest of the validity of the policy; and
(ii) do not preclude the good faith assertion at any time of defenses based upon provisions in the policy that exclude or qualify coverage, whether or not those qualifications or exclusions are specifically excepted in the policy's incontestability clause.

(b) A provision on which the contestable period would normally run may not be reformulated as a coverage exclusion or restriction to take advantage of this Subsection (5).

(6) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the commissioner may make rules to implement this section.

31A-22-404 Suicide.

(1)
(a) Suicide is not a defense to a claim under a life insurance policy that is in force for two years from the date of issuance of the later of:
(i) the policy; or
(ii) the certificate.

(b) Subsection (1)(a) applies whether:
(i) the insured's death by suicide is voluntary or involuntary; or
(ii) the insured is sane or insane.

(c) If a suicide occurs within the two-year period described in Subsection (1)(a), the insurer shall pay to the beneficiary an amount not less than the premium paid less the following:
(i) a dividend paid;
(ii) an indebtedness; and
(iii) a partial withdrawal.

(2)
(a) If after a life insurance policy is in effect the policy allows the policyholder to purchase a death benefit that is larger than when the policy was originally effective for an additional premium, the payment of the additional increment of benefit may be limited in the event of a suicide within a two-year period beginning on the day on which the increment increase takes effect.

(b) If a suicide occurs within the two-year period described in Subsection (2)(a), the insurer shall pay to the beneficiary an amount not less than the additional premium paid for the additional increment of benefit.

(3) For a survivorship life insurance policy, this section applies when within two years from the day on which the survivorship life insurance policy is issued:
(a) the death of all insureds results from suicide; or
(b) the death of the surviving insured results from suicide.

(4) This section does not apply to:
(a) a policy insuring against death by accident only; or
(b) an accident or double indemnity provision of an insurance policy.

31A-22-405 Misstated age or gender.
(1) Subject to Subsection (2), if the age or gender of the person whose life is at risk is misstated in an application for a policy of life insurance, and the error is not adjusted during the person's lifetime, the amount payable under the policy is what the premium paid would have purchased if the age or gender had been stated correctly.
(2) If the person whose life is at risk was, at the time the insurance was applied for, beyond the maximum age limit designated by the insurer, the insurer shall refund at least the amount of the premiums collected under the policy.

31A-22-406 Table of installments.
Any life insurance policy which provides that the proceeds may be payable in installments, which are determinable at the issue of the policy, shall provide in the policy a table showing the amounts and intervals of the guaranteed installments.

31A-22-407 Reinstatement.
(1) Except as provided under Subsection (2), life insurance policies, other than group policies, shall be reinstated upon written application made within three years, or within two years in the case of policies with face amounts under $5,000, from the date of premium default. The applicant shall produce evidence of insurability satisfactory to the insurer, pay all premiums in arrears, and pay or reinstate any other indebtedness to the insurer upon the policy, all with interest, compounded annually, at a rate not exceeding the rate set by the policy for policy loans compounded annually. If no rate is set in the policy, the commissioner shall adopt a rule which sets the rate the same as under Section 31A-22-402.
(2) Subsection (1) does not apply if any of these conditions exist:
(a) The policy has been surrendered for its cash surrender value.
(b) The policy's cash surrender value has been exhausted.
(c) The paid-up term insurance, if any, has expired.

Enacted by Chapter 242, 1985 General Session

(1)
(a) This section is known as the "Standard Nonforfeiture Law for Life Insurance."
(b) This section does not apply to group life insurance.
(c) As used in this section, "operative date of the valuation manual" means the same as that term is described in Subsection 31A-17-514(2).
(2) In the case of policies issued on or after July 1, 1961, no policy of life insurance, except as stated in Subsection (8), may be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the commissioner are at least as favorable to the defaulting or surrendering policyholder as are
the minimum requirements specified in this section, and are essentially in compliance with Subsection (8):

(a) That, in the event of default in any premium payment, after premiums have been paid for at least one full year the company will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of such due date, of such amount as is specified in this section. In lieu of that stipulated paid-up nonforfeiture benefit, the company may substitute, upon proper request not later than 60 days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits.

(b) That, upon surrender of the policy within 60 days after the due date of any premium payment in default after premiums have been paid for at least three full years in the case of ordinary insurance or five full years in the case of industrial insurance, the company will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as is specified in this section.

(c) That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than 60 days after the due date of the premium in default.

(d) That, if the policy shall have been paid by the completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the third policy anniversary in the case of ordinary insurance or the fifth policy anniversary in the case of industrial insurance, the company will pay upon surrender of the policy within 30 days after any policy anniversary, a cash surrender value in the amount specified in this section.

(e) In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, such values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the company on the policy.

(f) A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the company on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated in the policy, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy.
(g) Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy.

(h) The company shall reserve the right to defer the payment of any cash surrender value for a period of six months after demand therefor with surrender of the policy with the consent of the commissioner; provided, however, that the policy shall remain in full force and effect until the insurer has made the payment.

(3)

(a) Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by Subsection (2), shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of:

(i) the then present value of the adjusted premiums as defined in Subsections (5) and (6), corresponding to premiums which would have fallen due on and after such anniversary; and

(ii) the amount of any indebtedness to the company on the policy.

(b) Provided, however, that for any policy issued on or after the operative date of Subsection (6)(d) as defined in Subsection (6)(d), which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in Subsection (3)(a) shall be an amount not less than the sum of the cash surrender value as defined in Subsection (3)(a) for an otherwise similar policy issued at the same age without such rider or supplemental policy provision and the cash surrender value as defined in Subsection (3)(a) for a policy which provides only the benefits otherwise provided by such rider or supplemental policy provision.

(c) Provided, further, that for any family policy issued on or after the operative date of Subsection (6)(d) as defined in Subsection (6)(d), which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse’s age 71, the cash surrender value referred to in Subsection (3)(a) shall be an amount not less than the sum of the cash surrender value as defined in Subsection (3)(a) for an otherwise similar policy issued at the same age without such term insurance on the life of the spouse and the cash surrender value as defined in Subsection (3)(a) for a policy which provides only the benefits otherwise provided by such term insurance on the life of the spouse.

(d) Any cash surrender value available within 30 days after any policy anniversary under any policy paid-up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by Subsection (2) shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the company on the policy.

(4) Any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by this section in the absence of the condition that premiums shall have been paid for at least a specified period.

(5)

(a) This Subsection (5) does not apply to policies issued on or after the operative date of Subsection (6)(d) as defined in Subsection (6)(d).
(ii) Except as provided in Subsection (5)(c), the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of:

(A) the then present value of the future guaranteed benefits provided for by the policy;
(B) 2% of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount if the amount of insurance varies with duration of the policy;
(C) 40% of the adjusted premium for the first policy year; and
(D) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less.

(iii) Provided, however, that in applying the percentages specified in Subsections (5)(a)(ii)(C) and (D), no adjusted premium shall be considered to exceed 4% of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this Subsection (5) shall be the date as of which the rated age of the insured is determined.

(b) In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this Subsection (5) shall be considered to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy before the attainment of age 10 were the amount provided by such policy at age 10.

(c)

(i) The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to the sum of:

(A) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits; and
(B) during the period for which premiums for such term insurance benefits are payable, the adjusted premiums for such term insurance.

(ii) The foregoing items (A) and (B) of Subsection (5)(c)(i) being calculated separately and as specified in Subsections (5)(a) and (b) except that, for the purposes of (B), (C), and (D) of Subsection (5)(a)(ii), the amount of insurance or equivalent uniform amount of insurance used in calculation of the adjusted premiums referred to in (B) of Subsection (5)(a)(ii) shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in (A) of Subsection (5)(c)(i).

(d) Except as otherwise provided in Subsection (6), all adjusted premiums and present values referred to in this section shall for all policies of ordinary insurance be calculated on the basis of the Commissioner's 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding 3-1/2% per annum, specified in the policy for
calculating cash surrender values and paid-up nonforfeiture benefits. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than 130% of the rates of mortality according to such applicable table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the commissioner.

(6)

(a) This Subsection (6)(a) does not apply to ordinary policies issued on or after the operative date of Subsection (6)(d) as defined in Subsection (6)(d). In the case of ordinary policies issued on or after the operative date of Subsection (6)(a) as defined in Subsection (6)(b), all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioner's 1958 Standard Ordinary Mortality Table and the rate of interest as specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that such rate of interest may not exceed 3-1/2% per annum for policies issued before June 1, 1973, 4% per annum for policies issued on or after May 31, 1973, and before April 2, 1980, and the rate of interest may not exceed 5-1/2% per annum for policies issued after April 2, 1980, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding 6-1/2% per annum may be used, and provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than six years younger than the actual age of the insured. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioner's 1958 Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the commissioner.

(b) Any company may file with the commissioner a written notice of its election to comply with the provisions of Subsection (6)(a) after a specified date before January 1, 1966. After filing such notice, then upon such specified date, which is the operative date of Subsection (6)(a) for such company, this Subsection (6)(a) shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of Subsection (6)(a) for such company is January 1, 1966.

(c)

(i) This Subsection (6)(c) does not apply to industrial policies issued after the operative date of Subsection (6)(d) as defined in Subsection (6)(d). In the case of industrial policies issued on or after the operative date of this Subsection (6)(c) as defined in this Subsection (6)(c), all adjusted premiums and present values referred to in this section shall be calculated on the basis of the Commissioner's 1961 Standard Industrial Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that such rate of interest may not exceed 3-1/2% per annum for policies issued before June 1, 1973, 4% per annum for policies issued after May 31, 1973, and before April 2, 1980, and 5-1/2% per annum for policies issued after April 2, 1980, except that for any single premium whole life or endowment insurance policy issued after April 2, 1980, a rate of interest not exceeding 6-1/2% per annum may be used. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates
of mortality assumed may be not more than those shown in the Commissioner's 1961 Industrial Extended Term Insurance Table. Provided, further, that for insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the commissioner.

(ii) Any company may file with the commissioner a written notice of its election to comply with the provisions of this Subsection (6)(c) after a specified date before January 1, 1968. After filing such notice, then upon that specified date, which is the operative date of this Subsection (6)(c) for such company, this Subsection (6)(c) shall become operative with respect to the industrial policies thereafter issued by such company. If a company makes no such election, the operative date of this Subsection (6)(c) for such company shall be January 1, 1968.

(d) 

(i) This Subsection (6)(d) applies to all policies issued on or after the operative date of this Subsection (6)(d) as defined in this Subsection (6)(d). Except as provided in Subsection (6)(d)(vii), the adjusted premiums for any policy shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of policy, of all adjusted premiums shall be equal to the sum of:

(A) the then present value of the future guaranteed benefits provided for by the policy;
(B) 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and
(C) 125% of the nonforfeiture net level premium as defined in Subsection (6)(d)(iii), except that in applying the percentage specified in this Subsection (6)(d)(i)(C), no nonforfeiture net level premium shall be considered to exceed 4% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years.

(ii) The date of issue of a policy for the purpose of this Subsection (6)(d) shall be the date as of which the rated age of the insured is determined.

(iii) The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one per annum payable on the date of issue of the policy and on each anniversary of such policy on which a premium falls due.

(iv) In the case of policies which cause on a basis guaranteed in the policy unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any such change in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums, and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change.

(v) Except as otherwise provided in Subsection (6)(d)(viii), the recalculated future adjusted premiums for any such policy shall be such uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts specified in
the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums, of all such future adjusted premiums shall be equal to the excess of:

(A) the sum of:

(I) the then present value of the then future guaranteed benefits provided for by the policy; and

(II) the additional expense allowance, if any; over

(B) the then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy.

(vi) The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of:

(A) 1% of the excess, if positive, of the average amount of insurance at the beginning of each of the first 10 policy years subsequent to the change over the average amount of insurance before the change at the beginning of each of the first 10 policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and

(B) 125% of the increase, if positive, in the nonforfeiture net level premium.

(vii) The recalculated nonforfeiture net level premium shall be equal to:

(A) the sum of:

(I) the nonforfeiture net level premium applicable before the change times the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred; and

(II) the present value of the increase in future guaranteed benefits provided for by the policy; divided by

(B) the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due.

(viii) Notwithstanding any other provision of this Subsection (6)(d) to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, such policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for such substandard policy may be calculated as if it were issued to provide such higher uniform amounts of insurance on the standard basis.

(ix) Any adjusted premiums and present values referred to in this section shall:

(A) for policies of ordinary insurance be calculated on the basis of:

(I) the Commissioner's 1980 Standard Ordinary Mortality Table; or

(II) at the election of the company for any one or more specified plans of life insurance, the Commissioner's 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors;

(B) for all policies of industrial insurance be calculated on the basis of the Commissioner's 1961 Standard Industrial Mortality Table; and

(C) for all policies issued in a particular calendar year be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in Subsection (6)(d)(xi), for policies issued in that calendar year.
(x) Notwithstanding Subsection (6)(d)(ix):

(A) At the option of the company, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in Subsection (6)(d)(xi), for policies issued in the immediately preceding calendar year.

(B) Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by Subsection (2), shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of such paid-up nonforfeiture benefit and paid-up dividend additions, if any.

(C) A company may calculate the amount of any guaranteed paid-up nonforfeiture benefit, including paid-up additions under the policy, on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values.

(D) In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioner's 1980 Extended Term Insurance Table for policies of ordinary insurance and not more than the Commissioner's 1961 Industrial Extended Term Insurance Table for policies of industrial insurance.

(E) For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the aforementioned tables.

(F) For a policy issued before the operative date of the valuation manual, a Commissioner's Standard Ordinary Mortality Tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by rules adopted by the commissioner for use in determining the minimum nonforfeiture standard, may be substituted for the Commissioner's 1980 Standard Ordinary Mortality Table with or without Ten-Year Select Mortality Factors or for the Commissioner's 1980 Extended Term Insurance Table. For a policy issued on or after the operative date of the valuation manual, the valuation manual shall provide the Commissioner's Standard Mortality Table for use in determining the minimum nonforfeiture standard that may be substituted for the Commissioner's 1980 Standard Ordinary Mortality Table with or without Ten-Year Select Mortality Factors or for the Commissioner's 1980 Extended Term Insurance Table. If the commissioner approves by rule any Commissioner's Standard Ordinary Mortality Table adopted by the National Association of Insurance Commissioners for use in determining the minimum nonforfeiture standard for policies issued on or after the operative date of the valuation manual, then that minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual.

(G) For a policy issued before the operative date of the valuation manual, any Commissioner's Standard Industrial Mortality Tables, adopted after 1980 by the National Association of Insurance Commissioners, that are approved by rules adopted by the commissioner for use in determining the minimum nonforfeiture standard may be substituted for the Commissioner's 1961 Industrial Extended Term Insurance Table. For a policy issued on or after the operative date of the valuation manual, the valuation manual shall provide the Commissioner's Standard Mortality Table for use in determining the minimum nonforfeiture standard that may be substituted for the Commissioner's 1961 Standard Industrial Mortality Table or the Commissioner's 1961 Industrial Extended Term Insurance Table. If the commissioner approves by rule any Commissioner's Standard Industrial Mortality Table adopted by the National Association of Insurance Commissioners for use in determining the minimum nonforfeiture standard for policies
issued on or after the operative date of the valuation manual, then that minimum nonforfeiture standard supersedes the minimum nonforfeiture standard provided by the valuation manual.

(xi) The nonforfeiture interest rate is defined in this Subsection (6)(d)(xi):
(A) for a policy issued before the operative date of the valuation manual, the nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be equal to 125% of the calendar year statutory valuation interest rate for such policy as defined in the Standard Valuation Law, rounded to the nearest one-fourth of 1%, except that the nonforfeiture interest rate may not be less than 4%; and
(B) for a policy issued on and after the operative date of the valuation manual, the nonforfeiture interest rate per annum for any policy issued in a particular calendar year shall be provided by the valuation manual.

(xii) Notwithstanding any other provision in this title to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values does not require refiling of any other provisions of that policy form.

(xiii) After the effective date of this Subsection (6)(d), any company may, at any time before January 1, 1989, file with the commissioner a written notice of its election to comply with the provisions of this subsection with regard to any number of plans of insurance after a specified date before January 1, 1989, which specified date shall be the operative date of this Subsection (6)(d) for the plan or plans, but if a company elects to make the provisions of this subsection operative before January 1, 1989, for fewer than all plans, the company shall comply with rules adopted by the commissioner. There is no limit to the number of times this election may be made. If the company makes no such election, the operative date of this subsection for such company shall be January 1, 1989.

(7) In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on the estimates of future experience, or in the case of any plan of life insurance which is of such nature that minimum values cannot be determined by the methods described in Subsection (2), (3), (4), (5), (6)(a), (6)(b), (6)(c), or (6)(d), then:
(a) the insurer shall demonstrate to the satisfaction of the commissioner that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by Subsection (2), (3), (4), (5), (6)(a), (6)(b), (6)(c), or (6)(d);
(b) the plan of life insurance shall satisfy the commissioner that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds; and
(c) the cash surrender values and paid-up nonforfeiture benefits provided by the plan may not be less than the minimum values and benefits required for the plan computed by a method consistent with the principles of this Standard Nonforfeiture Law for Life Insurance, as determined by rules adopted by the commissioner.

(8)
(a)
(i) Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary.
(ii) All values referred to in Subsections (3), (4), (5), and (6) may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death.
(iii) The net value of any paid-up additions, other than paid-up term additions, may not be less than the amounts used to provide such additions.

(b) Notwithstanding the provisions of Subsection (3), additional benefits specified in Subsection (8)(c) and premiums for all such additional benefits shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by this section, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

(c) Additional benefits referred to in Subsection (8)(b) include benefits payable:

(i) in the event of death or dismemberment by accident or accidental means;
(ii) in the event of total and permanent disability;
(iii) as reversionary annuity or deferred reversionary annuity benefits;
(iv) as term insurance benefits provided by a rider or supplemental policy provision to which, if issued as a separate policy, this section would not apply;
(v) as term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is 26, if uniform in amount after the child's age is one, and has not become paid-up by reason of the death of a parent of the child; and
(vi) as other policy benefits additional to life insurance endowment benefits.

(9)

(a) This Subsection (9), in addition to all other applicable subsections of this section, applies to all policies issued on or after January 1, 1985. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary shall be in an amount which does not differ by more than 2/10 of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years, from the sum of:

(i) the greater of zero and the basic cash value specified in Subsection (9)(b); and
(ii) the present value of any existing paid-up additions less the amount of any indebtedness to the company under the policy.

(b) The basic cash value shall be equal to the present value, on such anniversary of the future guaranteed benefits which would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the company, if there had been no default, less the then present value of the nonforfeiture factors, as defined in Subsection (9)(c), corresponding to premiums which would have fallen due on and after such anniversary. Provided, however, that the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in Subsection (3) or (5), whichever is applicable, shall be the same as are the effects specified in Subsection (3) or (5), whichever is applicable, on the cash surrender values defined in that subsection.

(c) The nonforfeiture factor for each policy year shall be an amount equal to a percentage of the adjusted premium for the policy year, as defined in Subsection (5) or (6)(d), whichever is applicable. Except as is required by the next succeeding sentence of this paragraph, such percentage:

(i) shall be the same percentage for each policy year between the second policy anniversary and the later of:
(A) the fifth policy anniversary; and
(B) the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least 2/10 of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and
(ii) shall be such that no percentage after the later of the two policy anniversaries specified in Subsection (9)(a) may apply to fewer than five consecutive policy years.

(d) Provided, that no basic cash value may be less than the value which would be obtained if the adjusted premiums for the policy, as defined in Subsection (5) or Subsection (6)(d), whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic value.

(e) All adjusted premiums and present values referred to in this Subsection (9) shall for a particular policy be calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other subsections of this nonforfeiture law. The cash surrender values referred to in this Subsection (9) shall include any endowment benefits provided for by the policy.

(f) Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment shall be determined in manners consistent with the manners specified for determining the analogous minimum amounts in Subsections (2), (3), (4), (5), (6), and (8). The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed as Subsection (8)(c) shall conform with the principles of this Subsection (9).

(10)
(a) This section does not apply to any of the following:
   (i) reinsurance;
   (ii) group insurance;
   (iii) pure endowment;
   (iv) an annuity or reversionary annuity contract;
   (v) a term policy of uniform amount, which provides no guaranteed nonforfeiture or endowment benefits, or renewal thereof, of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;
   (vi) a term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in Subsections (5) and (6), is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance, and for a term of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;
   (vii) a policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in Subsections (3), (4), (5), and (6) exceeds 2-1/2% of the amount of insurance at the beginning of the same policy year; or
   (viii) a policy which shall be delivered outside this state through an agent or other representative of the company issuing the policy.

(b) For purposes of determining the applicability of this section, the age of expiry for a joint term insurance policy shall be the age of expiry of the oldest life.

(11) The commissioner may adopt rules interpreting, describing, and clarifying the application of this nonforfeiture law to any form of life insurance for which the interpretation, description, or clarification is considered necessary by the commissioner, including unusual and new forms of life insurance.

Amended by Chapter 163, 2016 General Session

(1) This section is known as the "Standard Nonforfeiture Law for Individual Deferred Annuities."

(2) This section does not apply to:

(a) reinsurance;
(b) a group annuity purchased under a retirement plan or plan of deferred compensation:
   (i) established or maintained by:
      (A) an employer, including a partnership or sole proprietorship;
      (B) an employee organization; or
      (C) both an employer and an employee organization; and
   (ii) other than a plan providing individual retirement accounts or individual retirement annuities under Section 408, Internal Revenue Code;
(c) a premium deposit fund;
(d) a variable annuity;
(e) an investment annuity;
(f) an immediate annuity;
(g) a deferred annuity contract after annuity payments have commenced;
(h) a reversionary annuity; or
(i) a contract that is delivered outside this state through an agent or other representative of the company issuing the contract.

(3)

(a) If a policy is issued after this section takes effect as set forth in Subsection (15), a contract of annuity, except as stated in Subsection (2), may not be delivered or issued for delivery in this state unless the contract of annuity contains in substance:
   (i) the provisions described in Subsection (3)(b); or
   (ii) provisions corresponding to the provisions described in Subsection (3)(b) that in the opinion of the commissioner are at least as favorable to the contractholder, governing cessation of payment of consideration under the contract.

(b) Subsection (3)(a)(i) requires the following provisions:
   (i) the company shall grant a paid-up annuity benefit on a plan stipulated in the contract of such a value as specified in Subsections (7), (8), (9), (10), and (12):
      (A) upon cessation of payment of consideration under a contract; or
      (B) upon a written request of the contract owner;
   (ii) if a contract provides for a lump-sum settlement at maturity, or at any other time, upon surrender of the contract at or before the commencement of any annuity payments, the company shall pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in Subsections (7), (8), (10), and (12);
   (iii) a statement of the mortality table, if any, and interest rates used in calculating any of the following that are guaranteed under the contract:
      (A) minimum paid-up annuity benefit;
      (B) cash surrender benefit; or
      (C) death benefit;
   (iv) sufficient information to determine the amounts of the benefits described in Subsection (3)(b)(iii);
   (v) a statement that any paid-up annuity, cash surrender, or death benefits that may be available under the contract are not less than the minimum benefits required by a statute of the state in which the contract is delivered; and
(vi) an explanation of the manner in which a benefit described in Subsection (3)(b)(v) is altered by the existence of any:
  (A) additional amounts credited by the company to the contract;
  (B) indebtedness to the company on the contract; or
  (C) prior withdrawals from or partial surrender of the contract.

(c) Notwithstanding the requirements of this Subsection (3), a deferred annuity contract may provide that if no consideration is received under a contract for a period of two full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from consideration paid before the period would be less than $20 monthly:
  (i) the company may at the company's option terminate the contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table specified in the contract, if any, and the interest rate specified in the contract for determining the paid-up annuity benefit; and
  (ii) the payment described in Subsection (3)(c)(i), relieves the company of any further obligation under the contract.

(d) A company may reserve the right to defer the payment of cash surrender benefit for a period not to exceed six months after demand for the payment of the cash surrender benefit with surrender of the contract.

(4) For a policy issued before June 1, 2006, the minimum values as specified in Subsections (7), (8), (9), (10), and (12) of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as established in this Subsection (4).

(a)
  (i) With respect to a contract providing for flexible considerations, the minimum nonforfeiture amount at any time at or before the commencement of any annuity payments shall be equal to an accumulation up to such time, at a rate of interest of 3% per annum of percentages of the net considerations paid before such time:
   (A) decreased by the sum of:
     (I) any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of 3% per annum; and
     (II) the amount of any indebtedness to the company on the contract, including interest due and accrued; and
   (B) increased by any existing additional amounts credited by the company to the contract.
  (ii) For purposes of this Subsection (4)(a), the net consideration for a given contract year used to define the minimum nonforfeiture amount shall be:
   (A) an amount not less than zero; and
   (B) equal to the corresponding gross considerations credited to the contract during that contract year less:
     (I) an annual contract charge of $30; and
     (II) a collection charge of $1.25 per consideration credited to the contract during that contract year.
  (iii) The percentages of net considerations shall be:
   (A) 65% of the net consideration for the first contract year; and
   (B) 87-1/2% of the net considerations for the second and later contract years.
  (iv) Notwithstanding Subsection (4)(a)(iii), the percentage shall be 65% of the portion of the total net consideration for any renewal contract year that exceeds by not more than two times the sum of those portions of the net considerations in all prior contract years for which the percentage was 65%.
(b) Except as provided in Subsections (4)(b)(ii) and (iii), with respect to a contract providing for fixed scheduled consideration, minimum nonforfeiture amounts shall be:
(A) calculated on the assumption that considerations are paid annually in advance; and
(B) defined as for contracts with flexible considerations that are paid annually.

(ii) The portion of the net consideration for the first contract year to be accumulated shall be equal to an amount that is the sum of:
(A) 65% of the net consideration for the first contract year; and
(B) 22-1/2% of the excess of the net consideration for the first contract year over the lesser of the net considerations for:
(I) the second contract year; and
(II) the third contract year.

(iii) The annual contract charge shall be the lesser of $30 or 10% of the gross annual consideration.

(c) With respect to a contract providing for a single consideration payment, minimum nonforfeiture amounts shall be defined as for contracts with flexible considerations except that:
(i) the percentage of net consideration used to determine the minimum nonforfeiture amount shall be equal to 90%; and
(ii) the net consideration shall be the gross consideration less a contract charge of $75.

(5) For a policy issued on or after June 1, 2006, the minimum values as specified in Subsections (7), (8), (9), (10), and (12) of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts as established in this Subsection (5).

(b) The minimum nonforfeiture amount at any time at or before the commencement of any annuity payments shall be equal to an accumulation up to such time, at rates of interest as indicated in Subsection (5)(c), of 87-1/2% of the gross considerations paid before such time decreased by the sum of:
(i) any prior withdrawals from or partial surrenders of the contract accumulated at rates of interest as indicated in Subsection (5)(c);
(ii) an annual contract charge of $50, accumulated at rates of interest as indicated in Subsection (5)(c);
(iii) any premium tax paid by the company for the contract, accumulated at rates of interest as indicated in Subsection (5)(c); and
(iv) the amount of any indebtedness to the company on the contract, including interest due and accrued.

(c) The interest rate used in determining minimum nonforfeiture amounts shall be an annual rate of interest determined as the lesser of:
(A) 3% per annum; or
(B) the five-year Constant Maturity Treasury Rate reported by the Federal Reserve, rounded to the nearest 1/20th of 1%, as of a date or average over a period no longer than 15 months before the contract issue date or redetermination date under Subsection (5)(c)(iii):
(I) reduced by 125 basis points; and
(II) where the resulting interest rate is not less than 100 basis points, 1% for a policy issued on or after June 1, 2006, and before June 1, 2021, or where the resulting interest rate is not less than 15 basis points, 0.15% for a policy issued on or after June 1, 2021.
(ii) The interest rate shall apply for an initial period and may be redetermined for additional periods.

(iii)
(A) If the interest rate will be reset, the contract shall state:
(I) the initial period;
(II) the redetermination date;
(III) the redetermination basis; and
(IV) the redetermination period.
(B) The basis is the date or average over a specified period that produces the value of the five-year Constant Maturity Treasury Rate to be used at each redetermination date.

(d)
(i) During the period or term that a contract provides substantive participation in an equity indexed benefit, the reduction described in Subsection (5)(c)(i)(B)(I) may be increased by up to an additional 100 basis points to reflect the value of the equity index benefit.
(ii) The present value of the additional reduction at the contract issue date and at each redetermination date may not exceed the market value of the benefit.

(iii)
(A) The commissioner may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit.
(B) If the demonstration required under Subsection (5)(d)(iii)(A) is not made to the satisfaction of the commissioner, the commissioner may disallow or limit the additional reduction.

(6) Notwithstanding Subsection (4), for a policy issued on or after June 1, 2004 and before June 1, 2006, at the election of a company, on a contract form-by-contract form basis, the minimum values as specified in Subsections (7), (8), (9), (10), and (12) of any paid-up annuity, cash surrender, or death benefits available under an annuity contract may be based upon minimum nonforfeiture amounts as established in Subsection (5).

(7)
(a) A paid-up annuity benefit available under a contract shall be such that the contract's present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date.
(b) The present value described in Subsection (7)(a) shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

(8)
(a) For a contract that provides cash surrender benefits, the cash surrender benefits available before maturity may not be less than the present value as of the date of surrender of that portion of the cash surrender value that would be provided under the contract at maturity arising from considerations paid before the time of cash surrender:
(i) decreased by the amount appropriate to reflect any prior withdrawals from or partial surrender of the contract;
(ii) decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued; and
(iii) increased by any existing additional amounts credited by the company to the contract.
(b) For purposes of this Subsection (8), the present value is to be calculated on the basis of an interest rate not more than 1% higher than the interest rate specified in the contract for accumulating the net considerations to determine the maturity value.
(c) In no event shall a cash surrender benefit be less than the minimum nonforfeiture amount at that time.
(d) The death benefit under a contract described in Subsection (8)(a) shall be at least equal to the cash surrender benefit.

(9)
(a) For a contract that does not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time before maturity may not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid before the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity increased by any existing additional amounts credited by the company to the contract.
(b) For purposes of Subsection (9)(a), the present value for the period before the maturity date is to be calculated on the basis of the interest rate specified in the contract for accumulating the net considerations to determine maturity value.
(c) For a contract that does not provide a death benefit before commencement of any annuity payments, the present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit.
(d) In no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time.

(10)
(a) For the purpose of determining the benefits calculated under Subsections (8) and (9), the maturity date shall be considered to be:
(i) in the case of an annuity contract issued on or before May 5, 2002, under which an election may be made to have an annuity payment commence at an optional maturity date, the latest date for which an election is permitted by the contract, except that it may not be considered to be later than the later of:
(A) the anniversary of the contract next following the day on which the annuitant becomes 70 years old; or
(B) the tenth anniversary of the contract; or
(ii) in the case of an annuity contract issued on or after May 6, 2002, the latest date permitted by the contract, except that the maturity date may not be considered to be later than the later of:
(A) the anniversary of the contract next following the day on which the annuitant becomes 70 years old; or
(B) the tenth anniversary of the contract.
(b) In the case of an annuity contract issued on or after May 6, 2002:
(i) for a contract that provides cash surrender benefits, the cash surrender value on or past the maturity date shall be equal to the amount used to determine the annuity benefit payments; and
(ii) a surrender charge may not be imposed on or past maturity.

(11) A contract that does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount before the commencement of any annuity payments shall include a statement in a prominent place in the contract that these benefits are not provided.

(12) A paid-up annuity, cash surrender, or death benefit available at any time, other than on the contract anniversary under a contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs.
(13) For a contract that provides, within the same contract by rider or supplemental contract provisions, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall:

(i) be equal to the sum of:
   (A) the minimum nonforfeiture benefits for the annuity portion; and
   (B) the minimum nonforfeiture benefits, if any, for the life insurance portion; and

(ii) computed as if each portion were a separate contract.

(b)

(i) Notwithstanding Subsections (7), (8), (9), (10), and (12), additional benefits payable, as described in Subsection (13)(b)(ii), and consideration for the additional benefits payable, shall be disregarded in ascertaining, if required by this section:
   (A) the minimum nonforfeiture amounts;
   (B) paid-up annuity;
   (C) cash surrender; and
   (D) death benefits.

(ii) For purposes of this Subsection (13), an additional benefit is a benefit payable:
   (A) in the event of total and permanent disability;
   (B) as reversionary annuity or deferred reversionary annuity benefits; or
   (C) as other policy benefits additional to life insurance, endowment, and annuity benefits.

(iii) The inclusion of the additional benefits described in this Subsection (13) may not be required in any paid-up benefits, unless the additional benefits separately would require:
   (A) minimum nonforfeiture amounts;
   (B) paid-up annuity;
   (C) cash surrender; and
   (D) death benefits.

(14) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the commissioner may adopt rules necessary to implement this section, including:

(a) ensuring that any additional reduction under Subsection (5)(d) is consistent with the requirements imposed by Subsection (5)(d); and

(b) providing for adjustments in addition to the adjustments allowed under Subsection (5)(d) to the calculation of minimum nonforfeiture amounts for:

   (i) notify the policyholder at the time a cash loan is made of the initial rate of interest on the loan;
   (ii) notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan, but notice need not be given to the policyholder when a further premium loan is added, except as provided in Subsection (3)(e)(iii);

A policy may be issued to a group other than those specified under Sections 31A-22-502 through 31A-22-508, if specifically authorized by the commissioner and if granting the permission is not contrary to public policy. The commissioner may not grant permission to issue these types
of policies unless the insurer demonstrates to the commissioner's satisfaction that the proposed
group would be actuarially sound, would result in economies of acquisition and administration
which justify a group rate, and would not present hazards of adverse selection. The premiums
for the policy shall be paid by the policyholder, either from the policyholder's funds or from funds
contributed by the covered persons, or from both. Premiums for the policy and any contributions

and dependent children, or any classes of the employees or members. The premiums for the
insurance shall be paid by the policyholder from funds contributed by the person to whom the
policy has been issued, from funds contributed by the covered persons, or from both. Except as

   (i) in advance of the date of discontinuance; and
   (ii) in accordance with the policy terms.

(2) The policy may require the policyholder to pay the pro rata premium for the time the policy is in force during the grace period.

Amended by Chapter 114, 2000 General Session

31A-22-514 Incontestability.
The group life insurance policy shall contain a provision that the validity of the policy may not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue. This provision shall also state that no statement made by any person insured under the policy relating to his insurability may be used in contesting the validity of the insurance with respect to which the statement was made after the insurance has been in force, prior to the contest, for a period of two years during the person's lifetime, nor may the statement be used unless it is contained in a written instrument signed by him. This type of provision does not preclude the assertion of defenses based upon provisions in the policy which relate to eligibility for coverage.

31A-22-515 Nonforfeiture.
If the group life insurance policy is not a term policy, it shall contain nonforfeiture provisions which the commissioner determines to be equitable to the insured persons and to the policyholder. 31A-22-516 Payment of benefits.
Any sum which is due because of the death of the person insured is payable to the beneficiary designated by the insured person, unless the policy contains conditions providing that the beneficiary is a family member designated by the policy terms. The insurer may reserve in the policy the right, if there is no designated beneficiary living at the death of the person insured as to all or any part of the sum, to pay a part of the sum not exceeding $5,000 to any person appearing to the insurer to be equitably entitled to that money by reason of having incurred expense for the maintenance, medical attention, or burial of the insured or for other reasons.

31A-22-517 Conversion on termination of eligibility.
(1) Except as provided in Subsection (6), a person is entitled to be issued by an insurer, without evidence of insurability, an individual policy offering life insurance without accident and health or other supplementary benefits, if:
(a) any portion of insurance on a person covered by a policy ceases because of:
   (i) termination of employment; or
   (ii) termination of membership in the classes eligible for coverage;
(b) an application for the individual policy is made; and
(c) the first premium is paid to the insurer within 31 days after the day on which the termination described in Subsection (1)(a) occurs.

(2) The individual policy described in Subsection (1) shall, at the option of the person entitled to the policy, be on any form then customarily provided by the insurer at the age and for the amount applied for, except that the group policy may exclude the option to elect:
(a) term insurance; or
(b) flexible premium insurance.

(3)
(a) The individual policy described in Subsection (1) shall be for an amount equal to or, at the election of the person entitled, less than the life insurance that ceases because of the termination described in Subsection (1)(a), less the amount of any group life insurance for which the person is eligible within 30 days after the day on which the termination described in Subsection (1)(a) occurs.
(b) Any amount of insurance that matures on or before the termination, as an endowment payable to the person insured, is not included in the amount that is considered to cease because of the termination whether the endowment payment is in:
   (i) one sum;
   (ii) installments; or
   (iii) the form of an annuity.

(4) The premium on the individual policy described in Subsection (1) shall be at the insurer's customary rate at the time of termination, which is applicable to:
(a) the form and amount of the individual policy;
(b) the class of risk to which the person belonged when terminated from the group policy; and
(c) the age attained on the effective date of the individual policy.

(5) Subject to the conditions of this section, the conversion privilege described in this section is available:
(a) to a surviving dependent, if any, at the death of the employee or member, with respect to the survivor's coverage under the group policy that terminates by reason of the death; and
(b) to the dependent of the employee or member upon termination of coverage of the dependent, while the employee or member remains insured, because the dependent ceases to be a qualified dependent under the group policy.

(6) This section does not apply to an insured whose coverage will continue being the policy of group life insurance issued to a group as authorized under Subsection 31A-22-504(1)(b)(ii).

Amended by Chapter 252, 2021 General Session

31A-22-518 Conversion on termination of policy.
(1) Subject to Subsection (2), if the group policy terminates or is amended to terminate the insurance of any class of covered persons, every insured person whose insurance terminates, including the insured dependent of a covered person who has been insured for at least five years prior to the termination date, is entitled to have the insurer issue to the person
an individual policy of life insurance, subject to the conditions and limitations in Section 31A-22-517.

(2) The group policy described in Subsection (1) shall provide that the amount of the individual policy may not be less than the smaller of:

(a) the amount of the person's life insurance protection ceasing because of the termination or amendment of the group policy, less the amount of any life insurance for which the person is eligible under any group policy issued or reinstated by the same or another insurer within 30 days after the termination; or

(b) $10,000.

If a person insured under a group life insurance policy, or the insured dependent of that person, dies during the period of eligibility for conversion under Section 31A-22-517 or 31A-22-518 and before the individual policy becomes effective, the amount of life insurance to which the insured would have been entitled to have issued under the individual policy is payable as a claim under the group policy, whether or not application for the individual policy or the payment of the first premium has been made.

Amended by Chapter 319, 2013 General Session

31A-22-520 Continuation of coverage during total disability.
(1) An insured person in a group life insurance policy may continue coverage during the total disability of the insured person or dependent by timely payment to the policyholder of that portion, if any, of the premium that would have been required on behalf of the insured person in the absence of total disability.

(2) The continuation shall be on a premium paying basis until the earlier of:

(a) six months from the date of total disability;

(b) approval by the insurer of continuation of the coverage under any disability provision the group insurance policy may contain; or

(c) the discontinuance of the group insurance policy.

(3) If the group policy has a waiting period for an accident and health benefit, the continuation extends to the end of the waiting period, even if the group policy is otherwise discontinued.

(1) Any provision dealing with preexisting conditions shall be consistent with this section, Section
31A-22-609, and rules adopted by the commissioner.

(2) Except as provided in this section, an insurer that elects to use an application form without
questions concerning the insured's health or medical treatment history shall provide coverage
under the policy for any loss which occurs more than 12 months after the effective date of
coverage due to a preexisting condition which is not specifically excluded from coverage.

(3)
(a) An insurer that issues a specified disease policy may not deny a claim for loss due to a preexisting condition that occurs more than six months after the effective date of coverage.
(b) A specified disease policy may impose a preexisting condition exclusion only if the exclusion relates to a preexisting condition which first manifested itself within six months prior to the effective date of coverage or which was diagnosed by a physician at any time prior to the effective date of coverage.

(4)
(a) Except as otherwise provided in this section, a health benefit plan may impose a preexisting condition exclusion only if:
   (i) the exclusion relates to a preexisting condition for which medical advice, diagnosis, care, or treatment was recommended or received within the six-month period ending on the enrollment date from an individual licensed or similarly authorized to provide those services under state law and operating within the scope of practice authorized by state law;
   (ii) the exclusion period ends no later than 12 months after the enrollment date, or in the case of a late enrollee, 18 months after the enrollment date; and
   (iii) the exclusion period is reduced by the number of days of creditable coverage the enrollee has as of the enrollment date, in accordance with Subsection (4)(b).
(b) The amount of creditable coverage allowed under Subsection (4)(a)(iii) is determined by counting all the days on which the individual has one or more types of creditable coverage.
   (i) Days of creditable coverage that occur before a significant break in coverage are not required to be counted.
      (A) Days in a waiting period or affiliation period are not taken into account in determining whether a significant break in coverage has occurred.
      (B) For an individual who elects federal COBRA continuation coverage during the second election period provided under the federal Trade Act of 2002, the days between the date the individual lost group health plan coverage and the first day of the second COBRA election period are not taken into account in determining whether a significant break in coverage has occurred.
   (c) A group health benefit plan may not impose a preexisting condition exclusion relating to pregnancy.
(d) An insurer imposing a preexisting condition exclusion shall provide a written general notice of preexisting condition exclusion as part of any written application materials.
   (i) The general notice under this subsection shall include:
      (A) a description of the existence and terms of any preexisting condition exclusion under the plan, including the six-month period ending on the enrollment date, the maximum preexisting condition exclusion period, and how the insurer will reduce the maximum preexisting condition exclusion period by creditable coverage;
      (B) a description of the rights of individuals:
         (I) to demonstrate creditable coverage, including any applicable waiting periods, through a certificate of creditable coverage or through other means; and
         (II) to request a certificate of creditable coverage from a prior plan;
      (C) a statement that the current plan will assist in obtaining a certificate of creditable coverage from any prior plan or issuer if necessary; and
      (D) a person to contact, and an address and telephone number for the person, for obtaining additional information or assistance regarding the preexisting condition exclusion.
(e) An insurer may not impose any limit on the amount of time that an individual has to present a certificate or other evidence of creditable coverage.

(f) This Subsection (4) does not preclude application of any waiting period applicable to all new enrollees under the plan.

(5)

(a) If a short-term limited duration health insurance policy provides for an extension or renewal of the policy, the insurer may not exclude coverage for a loss due to a preexisting condition for a period greater than 12 months following the original effective date of the coverage, unless the insurer specifically and expressly excludes the preexisting condition in the terms of the policy or certificate.

(b) An insurer that includes a preexisting condition exclusion in a short-term limited duration health insurance policy in accordance with this subsection shall provide a written general notice of the preexisting condition exclusion as part of any written application materials.

(i) A written general notice described in this subsection shall:

(ii) in accordance with Section 31A-22-613.5, disclosure requirements for coverage limitations.

(b) Notwithstanding the provisions of Subsection 31A-1-103(3)(f), a health insurance mandate enacted under this title after January 1, 2012, shall apply to:

The report shall include the costs and benefits of the particular mandatory obligation.

(3)
(a) An insurance mandate for policies of accident and health insurance enacted under this title after January 1, 2012, shall apply to a health plan offered by a public school district, a charter school, or a state funded institution of higher education that is not insured through the Public Employees’ Benefit and Insurance Program.

(b) The renewal notice described in Subsection (4)(a) shall clearly state:
   (i) the renewal amount;
   (ii) how the policyholder may pay the renewal premium, including the day on which the renewal premium is due; and
   (iii) that failure of the policyholder to pay the renewal premium extinguishes the policyholder's right to renew.
(5) The extinguishment of a policyholder’s right to renew for nonpayment of premium is effective no sooner than 10 days after the day on which the policyholder receives written notice that the policyholder has failed to pay the premium when due.

31A-22-608 Reinstatement of individual or franchise accident and health insurance policies.
(1) Every individual or franchise accident and health insurance policy shall contain a provision which reads substantially as follows:

"REINSTATEMENT: If any renewal premium is not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept the premium, without also requiring an application for reinstatement, shall reinstate the policy. However, if the insurer or agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy shall be reinstated upon approval of this application from the insurer or, lacking this approval, upon the 45th day following the date of the conditional receipt, unless the insurer has previously notified the insured in writing of its disapproval of the application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than 10 days after that date. In all other respects the insured and insurer have the same rights under the reinstated policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed on or attached to this policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement."

(2) The last sentence of the provision described in Subsection (1) may be omitted from any policy that the insured has the right to continue in force subject to the policy’s terms by the timely payment of premiums until at least age 50, or in the case of a policy issued after age 44, for at least five years from the day on which the insurer issues the policy.

31A-22-609 Incontestability for accident and health insurance.
(1)

(b) The insurer has the burden of proving fraud by clear and convincing evidence.

(2) Except as provided under Section 31A-22-605.1, a claim for loss incurred or disability commencing after two years from the date of issue of the policy may not be reduced or denied on the ground that a disease or physical condition existed prior to the effective date of coverage, unless the condition was excluded from coverage by name or specific description in a provision that was in effect on the date of loss.

(3) Except as provided in Subsection (1)(a), a specified disease policy may not include wording that provides a defense based upon a disease or physical condition that existed prior to the effective date of coverage except as allowed under Subsection 31A-22-605.1(2).
31A-22-610 Dependent coverage from moment of birth or adoption.

(1) As used in this section:

(b) "Placement for adoption" means the assumption and retention by a person of a legal obligation for total or partial support of a child in anticipation of the adoption of the child.

(2)

(i) a newly born child from the moment of birth; and

(ii) an adopted child:

(A) beginning from the moment of birth, if placement for adoption occurs within 30 days of the child's birth; or

(B) beginning from the date of placement, if placement for adoption occurs 30 days or more after the child's birth.

(b) The coverage described in this Subsection (2):

(i) is not subject to any preexisting conditions; and

(ii) includes any injury or sickness, including the necessary care and treatment of medically diagnosed:

(A) congenital defects;

(B) birth abnormalities; or

(C) prematurity.

(c)

(i) Subject to Subsection (2)(c)(ii), a claim for services for a newly born child or an adopted child may be denied until the child is enrolled.

(ii) Notwithstanding Subsection (2)(c)(i), an otherwise eligible claim denied under Subsection (2)(c)(i) is eligible for payment and may be resubmitted or reprocessed once a child is enrolled pursuant to Subsection (2)(d) or (e).

(d) If the payment of a specific premium is required to provide coverage for a child of a policyholder or certificate holder, for there to be coverage for the child, the policyholder or certificate holder shall enroll:

(i) a newly born child within 30 days after the date of birth of the child; or

(ii) an adopted child within 30 days after the day of placement of adoption.

(e) If the payment of a specific premium is not required to provide coverage for a child of a policyholder or certificate holder, for the child to receive coverage the policyholder or certificate holder shall enroll a newly born child or an adopted child no later than 30 days after the first notification of denial of a claim for services for that child.

(3)

(a) The coverage required by Subsection (2) as to children placed for the purpose of adoption with a policyholder or certificate holder continues in the same manner as it would with respect to a child of the policyholder or certificate holder unless:

(ii) the child is removed from placement.
(b) The coverage required by Subsection (2) ends if the child is removed from placement prior to being legally adopted.

(4) The provisions of this section apply to employee welfare benefit plans as defined in Section 26B-3-1001.

(5) If an accident and health insurance policy that is not subject to the special enrollment rights described in 45 C.F.R. Sec. 146.117(b) provides coverage for one individual, the insurer may choose to:
(a) provide coverage according to this section; or
(b) allow application, subject to the insurer's underwriting criteria for:
   (i) a newborn;
   (ii) an adopted child; or

If more than one child from the same birth is placed for adoption with the insured, only one adoption indemnity benefit is required.

       (B) providing additional adoption indemnity benefits including:
           (I) extending the period of time after birth in which a child must be placed with an insured; or
           (II) providing a benefit in excess of the amount specified in Subsection (1)(c).

   (c)  
       (i) The amount of the adoption indemnity benefit provided under Subsection (1) is $4,000 subject to the adjustments permitted by Subsection (1)(a)(ii).
       (ii) An insurer may comply with the provisions of this section by providing the $4,000 adoption indemnity benefit to an enrollee to be used for the purpose of the enrollee obtaining infertility treatments rather than seeking reimbursement for an adoption in accordance with terms designated by the insurer.
   (d) Each insurer shall pay its pro rata share of the adoption indemnity benefit if each adoptive parent:
       (i) has coverage for maternity benefits with a different insurer; and
       (ii) makes a claim for the adoption indemnity benefit provided in Subsection (1)(a).

(2)  
If a policy offers optional maternity benefits, it shall also offer coverage for adoption indemnity benefits if:
(a) a child is placed for adoption with the insured within 90 days of the child's birth; and
(b) the adoption is finalized within one year of the child's birth.

      (vii) reproductive;
      (viii) digestive;
      (ix) genito-urinary;
      (x) hemic and lymphatic;
      (xi) skin; or
      (xii) endocrine.

(2) The insurer may require proof of the impairment and dependency be furnished by the person insured under the policy within 30 days of the effective date or the date the child attains the age specified in Subsection 31A-22-610.5(2), and at any time thereafter, except that the insurer may not require proof more often than annually after the two-year period immediately following attainment of the limiting age by the dependent with a disability.

(3) Any individual or group accident and health insurance policy or health maintenance organization contract that provides coverage for a policyholder's or certificate holder's dependent shall, upon application, provide coverage for all unmarried dependents with a disability who have been continuously covered, with no break of more than 63 days, under any accident and health insurance since the age specified in Subsection 31A-22-610.5(2).

(4) Every accident and health insurance policy or contract that provides coverage of a dependent with a disability may not terminate the policy due to an age limitation.
31A-22-612 Conversion privileges for insured former spouse.
(1) An accident and health insurance policy, that in addition to covering the insured also provides coverage to the spouse of the insured, may not contain a provision for termination of coverage of a spouse covered under the policy, except by entry of a valid decree of divorce, legal separation, or annulment between the parties.
(2) Every policy that contains the type of provision described in Subsection (1) shall provide that:
(a) upon the entry of the divorce decree the spouse is entitled to have issued an individual policy offering accident and health insurance without evidence of insurability, upon application to the company and payment of the appropriate premium; and
(b) the individual policy described in Subsection (2)(a) shall:
(i) provide the coverage that is most nearly similar to the terminated coverage; and
(ii) consider a probationary or waiting period satisfied to the extent the coverage was in force under the prior policy.
(3) When an insurer receives actual notice that the coverage of a spouse is to be terminated because of a divorce, legal separation, or annulment, the insurer shall promptly provide the spouse written notification of the right to obtain individual coverage as provided in Subsection (2), the premium amounts required, and the manner, place, and time in which premiums may be paid.
(b) The premium is determined in accordance with the insurer's table of premium rates applicable to the age and class of risk of the persons to be covered and to the type and amount of coverage provided.
(c) If a spouse applies and tenders the first monthly premium to the insurer within 30 days after the day on which the spouse receives the notice provided by this Subsection (3), the spouse shall receive individual coverage that commences immediately upon termination of coverage under the insured's policy.

31A-22-613 Permitted provisions for accident and health insurance policies.
The following provisions may be contained in an accident and health insurance policy, but if they are in that policy, they shall conform to at least the minimum requirements for the policyholder in this section.
(1) Any provision respecting change of occupation may provide only for a lower maximum benefit payment and for reduction of loss payments proportionate to the change in appropriate premium rates, if the change is to a higher rated occupation, and this provision shall provide for retroactive reduction of premium rates from the date of change of occupation or the last policy anniversary date, whichever is the more recent, if the change is to a lower rated occupation.
(2) Section 31A-22-405 applies to misstatement of age in accident and health policies, with the appropriate modifications of terminology.
(3) Any policy which contains a provision establishing, as an age limit or otherwise, a date after which the coverage provided by the policy is not effective, and if that date falls within a period for which a premium is accepted by the insurer or if the insurer accepts a premium after that
date, the coverage provided by the policy continues in force, subject to any right of cancellation, until the end of the period for which the premium was accepted. This Subsection (3) does not apply if the acceptance of premium would not have occurred but for a misstatement of age by the insured.

(4)
(a) If an insured is otherwise eligible for maternity benefits, a policy may not contain language which requires an insured to obtain any additional preauthorization or preapproval for customary and reasonable maternity care expenses or for the delivery of the child after an initial preauthorization or preapproval has been obtained from the insurer for prenatal care. A requirement for notice of admission for delivery is not a requirement for preauthorization or preapproval, however, the maternity benefit may not be denied or diminished for failure to provide admission notice. The policy may not require the provision of admission notice by only the insured patient.

(b) This Subsection (4) does not prohibit an insurer from:
   (i) requiring a referral before maternity care can be obtained;
   (ii) specifying a group of providers or a particular location from which an insured is required to obtain maternity care; or
   (iii) limiting reimbursement for maternity expenses and benefits in accordance with the terms and conditions of the insurance contract so long as such terms do not conflict with Subsection (4)(a).

(5)
(a) An insurer may only represent that a policy offers a vision benefit if the policy provides reimbursement for materials or services provided under the policy.

(b) An insurer may only represent that a policy covers laser vision correction, whether photorefractive keratectomy, laser assisted in-situ keratomelusis, or related procedure, if the procedure is at least a partially covered benefit.

(6) If a policy excludes coverage for the diagnosis and treatment of autism spectrum disorders, the insurer may not deny a claim for a procedure or service that is otherwise covered in the accident and health insurance policy unless the autism spectrum disorder is the primary diagnosis or reason for the service or procedure in the particular claim.

31A-22-613.5 Price and value comparisons of health insurance.

(1)
(a) This section applies to all health benefit plans.

(b) Subsection (2) applies to:
   (i) all health benefit plans; and
   (ii) coverage offered to state employees under Subsection 49-20-202(1)(a).

(2) The commissioner shall promote informed consumer behavior and responsible health benefit plans by requiring an insurer issuing a health benefit plan to provide to all enrollees, before enrollment in the health benefit plan, written disclosure of:

(a) restrictions or limitations on prescription drugs and biologics, including:
   (i) the use of a formulary;
   (ii) co-payments and deductibles for prescription drugs; and
   (iii) requirements for generic substitution;

(b) coverage limits under the plan;

(c) any limitation or exclusion of coverage, including:
(i) a limitation or exclusion for a secondary medical condition related to a limitation or exclusion from coverage; and
(ii) easily understood examples of a limitation or exclusion of coverage for a secondary medical condition;

(d)
(i) each drug, device, and covered service that is subject to a preauthorization requirement as defined in Section 31A-22-650; or
(B) if listing each device or covered service in accordance with Subsection (2)(d)(i)(A) is too numerous to list separately, all devices or covered services in a particular category where all devices or covered services have the same preauthorization requirement;
(ii) each requirement for authorization as defined in Section 31A-22-650 for:
(A) each drug, device, or covered service described in Subsection (2)(d)(i)(A); and
(B) each category of devices or covered services described in Subsection (2)(d)(i)(B); and
(iii) sufficient information to allow a network provider or enrollee to submit all of the information to the insurer necessary to meet each requirement for authorization described in Subsection (2)(d)(ii);
(e) whether the insurer permits an exchange of the adoption indemnity benefit in Section 31A-22-610.1 for infertility treatments, in accordance with Subsection 31A-22-610.1(1)(c)(ii) and the terms associated with the exchange of benefits; and
(f) whether the insurer provides coverage for telehealth services in accordance with Section 26B-3-123 and terms associated with that coverage.

(3) An insurer shall provide the disclosure required by Subsection (2) in writing to the commissioner:
(a) upon commencement of operations in the state; and
(b) anytime the insurer amends any of the following described in Subsection (2):
(i) treatment policies;
(ii) practice standards;
(iii) restrictions;
(iv) coverage limits of the insurer's health benefit plan or health insurance policy; or
(v) limitations or exclusions of coverage including a limitation or exclusion for a secondary medical condition related to a limitation or exclusion of the insurer's health insurance plan.

(4)
(a) An insurer shall provide the enrollee with notice of an increase in costs for prescription drug coverage due to a change in benefit design under Subsection (2)(a):
(i) either:
(A) in writing; or
(B) on the insurer's website; and
(ii) at least 30 days prior to the date of the implementation of the increase in cost, or as soon as reasonably possible.
(b) If under Subsection (2)(a) a formulary is used, the insurer shall make available to prospective enrollees and maintain evidence of the fact of the disclosure of:
(i) the drugs included;
(ii) the patented drugs not included;
(iii) any conditions that exist as a precedent to coverage; and
(iv) any exclusion from coverage for secondary medical conditions that may result from the use of an excluded drug.
(c) The commissioner shall develop examples of limitations or exclusions of a secondary medical condition that an insurer may use under Subsection (2)(c).

(5) Examples of a limitation or exclusion of coverage provided under this section or otherwise are for illustrative purposes only, and the failure of a particular fact situation to fall within the description of an example does not, by itself, support a finding of coverage.

(6) An insurer shall:
(a) post the information described in Subsection (2)(d) on the insurer's website and provider portal;
(b) if requested by an enrollee, provide the enrollee with the information required by this section by mail or email; and
(c) if requested by a network provider for a specific drug, device, or covered service, provide the network provider with the information described in Subsection (2)(d) for the drug, device, or covered service by mail or email.

31A-22-614 Claims under accident and health policies.
(1) Section 31A-21-312 applies generally to claims under accident and health policies.

(2)
(a) Subject to Subsection (1), an accident and health insurance policy may not contain a claim notice requirement less favorable to the insured than one which requires written notice of the claim within 20 days after the occurrence or commencement of any loss covered by the policy. The policy shall specify to whom claim notices may be given.

(b) If a loss of time benefit under a policy may be paid for a period of at least two years, an insurer may require periodic notices that the insured continues to have a disability, unless the insured is legally incapacitated. The insured's delay in giving that notice does not impair the insured's or beneficiary's right to any indemnity which would otherwise have accrued during the six months preceding the date on which that notice is actually given.

(3) An accident and health insurance policy may not contain a time limit on proof of loss which is more restrictive to the insured than a provision requiring written proof of loss, delivered to the insurer, within the following time:
(a) for a claim where periodic payments are contingent upon continuing loss, within 90 days after the termination of the period for which the insurer is liable; or
(b) for any other claim, within 90 days after the date of the loss.

(4)
(a)
(i) Section 31A-26-301 applies generally to the payment of claims.
(ii) Indemnity for loss of life is paid in accordance with the beneficiary designation effective at the time of payment. If no valid beneficiary designation exists, the indemnity is paid to the insured's estate. Any other accrued indemnities unpaid at the insured's death are paid to the insured's estate.

(b) Reasonable facility of payment clauses, specified by the commissioner by rule or in approving the policy form, are permitted. Payment made in good faith and in accordance with those clauses discharges the insurer's obligation to pay those claims.

(c) All or a portion of any indemnities provided under an accident and health policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option, be paid directly to the hospital or person rendering the services.

         (I) the federal Health Insurance Portability and Accountability Act; and
         (II) the electronic commerce agreements established in a business associate agreement; and
      (B) for the purpose of coordination of health benefit plans.

(3) (a) The commissioner shall coordinate the administrative rules adopted under the provisions of this section with the administrative rules adopted by the Department of Health and Human Services for the implementation of the standards for the electronic exchange of clinical health information under Section 26B-8-411. (1) Except as provided under Section 31A-45-303 and Subsection (2), and except as to insurers licensed under Chapter 8, Health Maintenance Organizations and Limited Health Plans, no insurer may unfairly discriminate against any licensed class of health care providers by structuring contract exclusions which exclude payment of benefits for the treatment of any illness, injury, or condition by any licensed class of health care providers when the treatment is within the scope of the licensee’s practice and the illness, injury, or condition falls within the coverage of the contract. Upon the written request of an insured alleging an insurer has violated this section, the commissioner shall hold a hearing to determine if the violation exists. The commissioner may consolidate two or more related alleged violations into a single hearing.

(c) The commissioner shall adopt rules to establish specific standards for policy provisions of Medicare supplement policies and certificates. The standards adopted shall be in addition to and in accordance with applicable laws of this state. (4) Medicare supplement policies shall return to policyholders benefits that are reasonable in relation to the premium charged. The commissioner shall make rules to establish minimum standards for loss ratios of Medicare supplement policies on the basis of incurred claims experience, or incurred health care expenses where coverage is provided by a health maintenance organization on a service basis rather than on a reimbursement basis, and earned premiums in accordance with accepted actuarial principles and practices.

      (A) a medicare supplement policy; or
      (B) a disability income policy.

(e) The commissioner may prescribe by rule a standard form and the contents of an informational brochure for persons eligible for Medicare, that is intended to improve the buyer's ability to select the most appropriate coverage and improve the buyer's understanding of Medicare. Except in the case of direct response insurance policies, the commissioner may require by rule that the informational brochure be provided concurrently with delivery of the outline of coverage to any prospective insureds eligible for Medicare. With respect to direct response insurance policies, the commissioner may require by rule that the prescribed brochure be provided upon request to any prospective insureds eligible for Medicare, but in no event later than the time of policy delivery.

(f) The commissioner may adopt reasonable rules to govern the full and fair disclosure of the information in connection with the replacement of accident and health policies, subscriber contracts, or certificates by persons eligible for Medicare.

If the premium is less than that set forth in the notice of proposed insurance, an appropriate refund shall be made.

31A-22-807 Filing and approval of forms -- Loss ratio standards.
(1) A policy, certificate of insurance, statement of insurance, or endorsement form intended for use in Utah is subject to Section 31A-21-201.
(2) In addition to the grounds for prohibiting use of a form under Subsection 31A-21-201(3), it is a ground to prohibit the use of a form that the benefits provided in the form are not reasonable in relation to the premium charge.
(3)
(a) In ascertaining whether the benefits are reasonable in relation to the premium charged, the commissioner shall consider:
   (i) the mortality cost of the life insurance;
   (ii) the morbidity cost of the accident and health insurance; and
(iii) the reserves set up for the payment of claims unreported or in the process of settlement.

(b) For purposes of this section, benefits are considered reasonable in relation to the premium charged if, given the costs described in this Subsection (3), the premium rate charged develops or may reasonably be expected to develop a loss ratio of:

(i) not less than 50% for credit life insurance; and

(ii) not less than 55% for credit accident and health insurance.

(4) Benefits are considered reasonable in relation to premium charged if the ratio of claims incurred to premium earned during the most recent four-year period at the rates in use produces a loss ratio that is equal to or exceeds the minimum loss ratio standard specified in Subsection (3).

(5) If the minimum loss ratio test produces a loss ratio that exceeds the minimum loss ratio standard in Subsection (4) by five percentage points or more, the insurer may file for approval and use a rate that is higher than the prima facie rate, if it can be expected that the use of the higher rate will continue to produce a loss ratio for an account to which it is applied that will satisfy the minimum loss ratio test.

(6) If the minimum loss ratio test produces a loss ratio that is lower than the minimum loss standard in Subsection (4) by five percentage points or more, the commissioner may require that the insurer:

(a) file an adjusted rate that can be expected to produce a loss ratio that will satisfy the minimum loss ratio test; or

(b) submit reasons acceptable to the commissioner why the insurer should not be required to file an adjusted rate.

The formula used in computing the refund shall be filed with and approved by the commissioner under Chapter 21, Part 2, Approval of Forms. No refund is required if it would be less than $5.

(2) If a creditor requires a debtor to make any payment for credit life or credit accident and health insurance and an individual policy, certificate, or statement of insurance is not issued, the creditor shall immediately give written notice to the debtor and credit the account.

(3) The amount charged the debtor for credit life or accident and health insurance may not exceed the premiums charged by the insurer as computed at the time the charge to the debtor is determined.

(2) The Workers' Compensation Fund shall write all workers' compensation insurance for which application is made to the Workers' Compensation Fund until the time designated by the commissioner, but no later than December 31, 2020. (3) (a) Before entering the contract required under Subsection (3)(b), the commissioner shall work with the Workers' Compensation Fund and other workers' compensation insurance carriers to determine what constitutes the residual market within this state. After consulting with the Workers' Compensation Fund and other workers' compensation insurance carriers, the commissioner shall make the final decision of how to define the residual market. As part of the process of determining the residual market, the commissioner may make reasonable requests of data from the Workers' Compensation Fund and other workers' compensation insurance carriers.
(b) Beginning no later than January 1, 2021, the commissioner shall enter into a contract with a workers' compensation insurance carrier to write all workers' compensation insurance for which application is made to the workers' compensation insurance carrier.

(4) The commissioner shall annually submit a written report in accordance with Section 68-3-14 to the Business and Labor Interim Committee by no later than October 1 that:
(a) describes the status of the commissioner's activities under Subsection (3); and

31A-22-1006 Insurer's constructive knowledge.
Every workers' compensation policy or contract shall contain a provision that, as between the employee and the insurer, notice to or knowledge of the occurrence of the injury on the part of the employer is considered to be notice or knowledge to the insurer. This provision shall also state that the insurer is bound by and subject to the orders, findings, decisions, and awards rendered against the employer for the payment of compensation on account of compensable accidental injuries or occupational disease disability.

Enacted by Chapter 242, 1985 General Session

31A-22-1007 Employer's insolvency.

31A-22-1008 Employer's breach of safety rules.

However, the insurer may bring a claim against the insured employer for breach of the policy condition.

(1) As used in this section, "Workers' Compensation Fund" means the mutual corporation that is the successor to the quasi-public corporation created under Chapter 33, Workers' Compensation Fund, which is the chapter repealed by Laws of Utah 2017, Chapter 363.

(2) As a consequence of the repeal of Chapter 33, Workers' Compensation Fund, effective January 1, 2018:
(a) The Workers' Compensation Fund shall convert from a quasi-public corporation to a mutual insurance corporation subject to Chapter 5, Domestic Stock and Mutual Insurance Corporations.
(b) On or before December 31, 2017, the Workers' Compensation Fund shall file amended and restated articles of incorporation with the Department of Insurance and the Division of Corporations and Commercial Code that comply with Chapter 5, Domestic Stock and Mutual Insurance Corporations.
(c) Following the filing of the Workers' Compensation Fund's amended and restated articles of incorporation, if the commissioner determines that the Workers' Compensation Fund complies with Chapter 5, Domestic Stock and Mutual Insurance Corporations, the commissioner shall:
(i) reissue a certificate of authority effective January 1, 2018, for the Workers' Compensation Fund to write workers' compensation insurance in Utah as a mutual insurance corporation; and

(ii) reauthorize the Workers' Compensation Fund's existing filings, rates, forms, or other administrative matters on file with the department as a result of, or related to, Workers' Compensation Fund's existing insurance business in the state, so that the filings, rates, forms, or other administrative matters on file shall be effective January 1, 2018, with respect to the Workers' Compensation Fund's insurance business activities as a mutual insurance corporation.

(d) The Workers' Compensation Fund may adopt and conduct business under any name that complies with state law.

(3) Subject to Subsection (2), the commissioner may, because of the Workers' Compensation Fund's developed status, waive or otherwise not impose requirements imposed on mutual insurance corporations by Chapter 5, Domestic Stock and Mutual Insurance Corporations, to facilitate the conversion of the Workers' Compensation Fund to a mutual insurance corporation effective January 1, 2018, so long as the commissioner finds those requirements unnecessary to protect policyholders and the public.

(4)

(a) From and after the Workers' Compensation Fund's conversion to a mutual insurance corporation, the Workers' Compensation Fund shall retain title to all assets of, and remain responsible for all liabilities incurred by, the Workers' Compensation Fund as a quasi-public corporation before the Workers' Compensation Fund conversion described in this section.

Legal Expense Insurance

31A-22-1101 Combination of lines.

(1) Legal expense insurance may be transacted alone or together with life insurance, accident and health insurance, or casualty insurance.
(2) An insurer may not transact liability insurance and also issue legal expense insurance policies providing coverage for the expense of enforcing claims against third persons, unless the requirements of Subsection (3) are met and the commissioner is satisfied that the interests of policyholders of legal expense insurance policies are not endangered by potential conflicts of interest within the insurer.

(3) Adequate precautions shall be taken to make sure that the handling of an insured's claim for legal assistance in enforcing a claim against a third person is not affected by the insurer's actual or potential obligation as a liability insurer to pay the claim for the third person. These precautions may include:

(a) a provision in the policy that claims against third persons shall be handled exclusively by attorneys selected by the insureds themselves rather than by the insurer, that no information about the case other than the name of the defendant and the nature of the claim may be made available to the insurer, and that the insurer may not interfere with the handling of the case; or

(b) organizational separation between the legal expense and the liability insurance departments with respect to management, accounting, record keeping, and claims handling, with appropriate rules and procedures, satisfactory to the commissioner, to prevent the exchange of information between the two departments about details of cases.

(b) Certificates issued under group policies shall contain a full statement of the benefits provided, but may summarize the other terms of the master policy.

(c) Policies promising legal services to be provided by a limited number of attorneys who have concluded provider contracts with the insurer, whether the attorney in an individual case is to be selected by the insured or by the insurer, shall provide for alternative benefits in case the insured is unable to find a participating attorney willing to perform the promised services or the attorney selected by the insurer is disqualified or otherwise unable to perform the promised services. The alternative benefit may consist of furnishing the services of an attorney selected and paid by the insurer or paying the fee of an attorney selected by the insured. The policy shall also provide a procedure that includes impartial review for settling disagreements about the grounds for demanding an alternative benefit.

(d) No policy, except one issued by a mutual insurance company, may provide for assessments on policyholders or for reductions of benefits to maintain the insurer's solvency.

(4) The commissioner may disapprove a policy or certificate form if he finds that it:

(a) is unfair, unfairly discriminatory, misleading, or encourages misrepresentation or misunderstanding of the contract;

(b) provides coverage or benefits or contains other provisions that would endanger the solidity of the insurer; or
(c) is contrary to law.
(5) The commissioner may require the submission of relevant information he considers to be reasonably necessary in determining whether to approve or disapprove a filing.

During the pendency of the claim, any assuming reinsurer may investigate the claim and unless forbidden to do so by the reinsurance agreement, may intervene in the proceeding in which the claim is pending and
interpose any defenses it considers available which have not been raised by the ceding insurer or its receiver. The expenses incurred by the assuming reinsurer in this type of action are payable up to the amount of the expenses or the amount of the benefit produced, whichever is less, as expenses of the receivership. If two or more assuming reinsurers have potential liability because of the same claim, the expenses shall be apportioned among them in proportion to the benefit received.

(ii) A numerical value, categorization, or classification described in Subsection (1)(c)(i) is a
score if it is developed to predict the likelihood of future insurance claims regardless of
whether it is developed to predict other factors in addition to predicting future insurance
claims.

(2)
(a) An insurer may not make an adverse eligibility or rate decision related to personal lines
insurance in whole or in part on the basis of:
(i) a report by a loss reporting agency of a loss if the loss did not result in the insured requesting
the payment of a claim;
(ii) a telephone call or other inquiry by an insured of a loss if the loss did not result in the
insured requesting payment of a claim;
(iii) a loss that occurred when real property covered by the personal lines insurance was owned
by a person other than the:
   (A) insured; or
   (B) person seeking insurance; or
(iv) a score if the score is determined in whole or in part on the basis of information described in
Subsection (2)(a)(i), (ii), or (iii).
(b) Notwithstanding Subsection (2)(a), an insurer may:
   (i) use the information described in Subsection (2)(a)(iii) to require a review of the condition of
the premises; and
   (ii) make an adverse eligibility or rate decision on the basis of the condition of the premises.

(3)
(a) If an insurer uses a score that is derived from information obtained from a loss reporting agency or an insured, the insurer shall file with the department a certification that the method used to derive the score complies with the provisions of Subsection (2)(a)(iv).

(b) the insurer shall file a certification required under Subsection (3)(a) within 30 days of the day on which the score described in Subsection (3)(a) is first used by the insurer.

(c) The department shall classify a certification filed under this Subsection (3) as a protected record under Subsection 63G-2-305(2) except that the insurer is not required to file the information specified in Section 63G-2-309.

(1) be canceled, nonrenewed, or otherwise terminated on the grounds of the age or the
deterioration of the mental or physical health of the insured individual or certificate holder;
(2) contain a provision establishing a new waiting period in the event existing coverage is
converted to or replaced by a new or other form within the same company, except with respect
to an increase in benefits voluntarily selected by the insured individual or group policyholder; or

31A-22-1406 Preexisting conditions.

(1) A long-term care insurance policy or certificate may not use a definition of a preexisting

for which medical advice or treatment was recommended by or received from a provider of
health care services, within six months preceding the effective date of coverage of an insured
person."
(2) A long-term care insurance policy or certificate may not exclude coverage for a loss or
confinement which is the result of a preexisting condition unless such loss or confinement
begins within six months following the effective date of coverage of an insured person.
(3) The commissioner may extend the preexisting condition periods provided in Subsections
(1) and (2) as to specific age group categories in specific policy forms upon finding that the
extension is in the best interest of the public.

(4)
(a) The definition of preexisting condition does not prohibit an insurer from using an application
form designed to elicit the complete health history of an applicant and from underwriting in
accordance with that insurer's established underwriting standards on the basis of the answers
on that application.
(b) Unless otherwise provided in the policy or certificate, a preexisting condition, regardless
of whether it is disclosed on the application, need not be covered until the waiting period
described in Subsection (2) expires.

any kind to exclude, limit, or reduce coverage or benefits for specifically named or described
preexisting diseases or physical condition beyond the waiting period described in Subsection

      (iii) post-acute care; or
      (iv) recuperative benefits.
(2) A long-term care insurance policy containing post confinement, post-acute care, or recuperative benefits shall clearly label the limitations or conditions, including any required number of days of confinement in a separate paragraph of the policy or certificate that is entitled "Limitations or Conditions on Eligibility for Benefits."

(8) At the time of policy delivery, a policy summary shall be delivered for an individual life insurance policy which provides long-term care benefits within the policy or by rider. In the case of direct response solicitations, the insurer shall deliver the policy summary upon the applicant's request. However, the insurer shall deliver the summary to the applicant no later than at the time of policy delivery regardless of request. In addition to complying with all applicable requirements, the summary shall also include:
(a) an explanation of how the long-term care benefit interacts with other components of the policy, including deductions from death benefits;
(b) an illustration for each covered person of the amount of benefits, the length of benefit, and the guaranteed lifetime benefits if any;

(d) if applicable to the policy type, the summary shall also include:
   (i) a disclosure of the effects of exercising other rights under the policy;
   (ii) a disclosure of guarantees related to long-term care costs of insurance charges; and

(a) is material to the acceptance for coverage; and
(b) pertains to the condition for which benefits are sought.

31A-22-1412 Nonforfeiture benefits.
(1) (a) A long-term care insurance policy or certificate may not be delivered or issued for delivery in this state unless the policyholder or certificate holder has been offered the option of purchasing a policy or certificate including a nonforfeiture benefit.
(b) The offer of a nonforfeiture benefit under Subsection (1)(a) may be in the form of a rider that is attached to the policy.
(c) If the policyholder or certificate holder declines the nonforfeiture benefit offered under this Subsection (1), the insurer shall provide a contingent benefit upon lapse of the policy or certificate that is available for a specified period of time following a substantial increase in premium rates.
(d) (i) Except as provided in Subsection (1)(d)(ii), if a group long-term care insurance policy is issued, the offer required in this Subsection (1) shall be made to the group policyholder.
(ii) If the policy is issued to a group authorized under Section 31A-22-509, the offer required under this Subsection (1) shall be made to each proposed certificate holder.

   (c) discriminate in the offering, issuance, cancellation, amount of coverage, price, or any other condition of a long-term care insurance policy or contract for an individual based upon the status of the individual as a living organ donor without any additional actuarial risk.

31A-22-1502 Motorboat liability coverage.
(1) A liability insurance policy purchased to satisfy the owner's or operator's security requirement of Section 73-18c-301 shall:

(a) name the motorboat owner or operator in whose name the policy was purchased, state that named insured's address, the coverage afforded, the premium charged, the policy period, and the limits of liability;

(b) if it is an owner's policy:

(i) designate by appropriate reference each motorboat on which coverage is granted;

(ii) insure the person named in the policy;

(iii) insure any other person using any named motorboat with the express or implied permission of the named insured; and

(iv) except as provided in Subsection (7), insure any person included in Subsection (1)(c) against loss from the liability imposed by law for damages arising out of the ownership, maintenance, or use of the named motorboat within the United States and Canada, subject to limits exclusive of interest and costs, for each motorboat, in amounts not less than the minimum limits specified under Section 31A-22-1503; or

(ii) if it is an operator's policy, insure the person named as insured against loss from the liability imposed upon him or her by law for damages arising out of the insured's use of any motorboat not owned by the insured, within the same territorial limits and with the same limits of liability as in an owner's policy under Subsection (1)(b)(i); and

(c) except as provided in Subsection (7), insure persons related to the named insured by blood, marriage, adoption, or guardianship who are residents of the named insured's household, including those who usually make their home in the same household but temporarily live elsewhere, to the same extent as the named insured.

(2) A liability insurance policy covering a motorboat may:

(a) provide for the prorating of the insurance under that policy with other valid and collectible insurance;

(b) grant any lawful coverage in addition to the required motorboat liability coverage;

(c) if the policy is issued to a person other than a motorboat business, limit the coverage afforded to a motorboat business or its officers, agents, or employees to the minimum limits under Section 31A-22-1503, and to those instances when there is no other valid and collectible insurance with at least those limits, whether the other insurance is primary, excess, or contingent; and

(d) if issued to a motorboat business, restrict coverage afforded to anyone other than the motorboat business or its officers, agents, or employees to the minimum limits under Section 31A-22-1503, and to those instances when there is no other valid and collectible insurance with at least those limits, whether the other insurance is primary, excess, or contingent.

(3) Motorboat liability coverage need not insure any liability:

(a) under any workers' compensation law under Title 34A, Utah Labor Code;

(b) resulting from bodily injury to or death of an employee of the named insured, other than a domestic employee, while engaged in the employment of the insured, or while engaged in the operation, maintenance, or repair of a designated motorboat; or

(c) resulting from damage to property owned by, rented to, bailed to, or transported by the insured.

(4) An insurance carrier providing motorboat liability coverage has the right to settle any claim covered by the policy, and if the settlement is made in good faith, the amount of the settlement is deductible from the limits of liability specified under Section 31A-22-1503.
(5) A policy containing motorboat liability coverage imposes on the insurer the duty to defend, in
good faith, any person insured under the policy against any claim or suit seeking damages
which would be payable under the policy.

(6)
(a) If a policy containing motorboat liability coverage provides an insurer with the defense of lack
of cooperation on the part of the insured, that defense is not effective against a third person
making a claim against the insurer, unless there was collusion between the third person and
the insured.

(b) If the defense of lack of cooperation is not effective against the claimant, after payment, the
insurer is subrogated to the injured person's claim against the insured to the extent of the
payment and is entitled to reimbursement by the insured after the injured third person has
been made whole with respect to the claim against the insured.

(7) A policy of motorboat liability coverage may specifically exclude from coverage a person who
is a resident of the named insured's household, including a person who usually makes his or
her home in the same household but temporarily lives elsewhere, if each person excluded
from coverage satisfies the owner's or operator's security requirement of Section 73-18c-301,
independently of the named insured's proof of owner's or operator's security.
