

31A-8-405 Confidentiality of medical records and audits.

Unless a court orders otherwise, the department shall treat the following records and information as confidential and prevent their disclosure to the public:

- (1) the medical records of enrollees of an organization; and
- (2) the annual audits performed under Section 31A-8-404.

Enacted by Chapter 204, 1986 General Session
