

**36-17-2 Committee duties.**

The committee shall:

- (1) review existing legislative and budget procedures and study the legislative and budget procedures used in other states;
- (2) review and consider alternatives to the Utah Legislature's current process for preparing a budget;
- (3) review and consider alternatives to the Utah Legislature's current process for requesting, preparing, prefiling, and prioritizing legislation;
- (4) review and consider alternatives to the Utah Legislature's current process for interims;
- (5) review and consider alternatives to the current role of standing committees in the legislative process;
- (6) review and consider alternatives to the Utah Legislature's rules governing floor actions;
- (7) review and consider alternative measures to meet the constitutional requirements for Utah's legislative process;
- (8) review and consider any other matters involving the legislative process; and
- (9) make recommendations, if any, to the Legislative Management Committee for any changes to the legislative process.

Enacted by Chapter 164, 1991 General Session
