

**41-1a-211 Temporary permits -- Other laws applied.**

- (1)
  - (a) The division may grant a temporary permit to operate a vehicle for which:
    - (i) application for registration has been made, or, in the case of a newly purchased vehicle, will be made;
    - (ii) evidence of ownership is provided; and
    - (iii) the proper fees have been paid.
  - (b) The temporary permit allows the vehicle to be operated pending complete registration by displaying:
    - (i) the temporary permit; or
    - (ii) other evidence of the application under rules made by the commission.
- (2) If a vehicle is operated on a temporary permit issued under this section or Section 41-3-302, that vehicle is subject to all other statutes, rules, and regulations intended to control the use and operation of vehicles on the highways.
