

41-6a-1010 Unmarked crosswalk locations -- Restrictions on pedestrian.

- (1) A highway authority in its respective jurisdiction may, after an engineering and traffic investigation, designate unmarked crosswalk locations where:
 - (a) pedestrian crossing is prohibited; or
 - (b) pedestrians shall yield the right-of-way to vehicles.
- (2) The restrictions in Subsection (1) are effective only when traffic-control devices indicating the restrictions are in place.
