

**41-6a-1110 Bicycle and moped inspections -- At request of officer.**

A peace officer may at any time require a person riding a bicycle or moped to stop and submit the bicycle or moped to an inspection and a test as appropriate if the officer has reasonable cause to believe that:

- (1) the bicycle or moped is unsafe or not equipped as required by law; or
- (2) the bicycle or moped's equipment is not in proper adjustment or repair.
