

41-6a-715 Controlled-access highways -- Prohibiting use by class or kind of traffic -- Traffic-control devices.

- (1) A highway authority may regulate or prohibit the use of any controlled-access highway within its respective jurisdiction by any class or kind of traffic which is found to be incompatible with the normal and safe movement of traffic.
- (2) The highway authority shall erect and maintain traffic-control devices on the controlled-access highway on which the regulations or prohibitions are applicable.

Renumbered and Amended by Chapter 2, 2005 General Session
