41-6a-1641 Video display in motor vehicles prohibited if visible to driver -- Exceptions.

- (1) A motor vehicle may not be operated on a highway if the motor vehicle is equipped with a video display located so that the display is visible to the conventional driver of the vehicle as that term is defined in Section 41-26-102.1.
- (2) This section does not prohibit the use of a video display used exclusively for:
 - (a) safety or law enforcement purposes if the use is approved by rule of the department under Section 41-6a-1601;
 - (b) motor vehicle navigation;
 - (c) monitoring of equipment and operating systems of the motor vehicle; or
 - (d) operation of a vehicle in a connected platooning system.
- (3) A violation of this section is an infraction.
