Chapter 20
Public Employees' Benefit and Insurance Program Act

Part 1
General Provisions

49-20-101 Title.
This chapter is known as the "Public Employees' Benefit and Insurance Program Act."

Renumbered and Amended by Chapter 250, 2002 General Session

49-20-102 Definitions.
As used in this chapter:
(1) "Covered employer" means an employer that offers employee benefit plans under this chapter to its employees and their dependents.
(2) "Covered individual" means an employee and the employee's dependents eligible for coverage under this chapter.
(3) "Employee Benefit Plans" means any group health, dental, medical, disability, life insurance, medicare supplement, conversion coverage, cafeteria, flex plans, or other program for covered individuals administered by the Public Employees' Benefit and Insurance Program.
(4) "Employer" means the state, its political subdivisions, and educational institutions.
(5) "Program" means the Public Employees' Benefit and Insurance Program.

Renumbered and Amended by Chapter 250, 2002 General Session

49-20-103 Creation of insurance program.
(1) There is created for the employees of the state, its educational institutions, and political subdivisions the "Public Employees' Benefit and Insurance Program" within the office.
(2) The program may also be known and function as the Public Employees' Health Program, PEHP, or PEHP Health and Benefits.

Amended by Chapter 141, 2017 General Session

49-20-104 Creation of fund.
(1) There is created the "Public Employees' Trust Fund" for the purpose of paying the benefits and the costs of administering this program.
(2) The fund shall consist of all money and interest paid into it in accordance with this chapter, whether in the form of cash, securities, or other assets, and of all money received from any other source.
(3) Custody, management, and investment of the fund shall be governed by Chapter 11, Utah State Retirement Systems Administration.

Renumbered and Amended by Chapter 250, 2002 General Session

49-20-105 Purpose -- Benefits are not a continuing obligation.
(1) The purpose of this chapter is to provide a mechanism for covered employers to provide covered individuals with group health, dental, medical, disability, life insurance, medicare...
supplement, conversion coverage, cafeteria, flex plan, and other programs requested by the state, its political subdivisions, or educational institutions in the most efficient and economical manner.

(2) The benefits provided to a covered individual under this chapter do not constitute a continuing obligation of the state, its political subdivisions, or educational institutions.

Amended by Chapter 406, 2012 General Session

49-20-106 Obesity report.

(1) The Public Employees' Health Plan shall report to the Health and Human Services Interim Committee every two years by no later than the Health and Human Services Interim Committee's November interim meeting regarding the analysis required by Subsection (2).

(2) For purposes of the report required by Subsection (1), the Public Employees' Health Plan shall:

(a) estimate the costs and benefits to the Public Employees' Health Plan associated with providing insurance coverage for anti-obesity treatment, including:

(i) counseling;
(ii) medication; and
(iii) surgery;

(b) compare the costs and benefits estimated under Subsection (2)(a) with the costs and benefits to the Public Employees' Health Plan associated with treating diseases caused by or linked to obesity, including:

(i) diabetes;
(ii) hypertension;
(iii) heart disease; and
(iv) other diseases; and

(c) analyze whether there would be cost savings by providing the insurance coverage described in Subsection (2)(a).

(3) The Public Employees' Health Plan may work with other insurers or other interested persons in developing the report required by this section.

Amended by Chapter 22, 2017 General Session

Part 2
Membership Eligibility

49-20-201 Program participation -- Eligibility -- Optional for certain groups.

(1)

(a) The state shall participate in the program on behalf of its employees.

(b) Other employers, including political subdivisions and educational institutions, are eligible, but are not required, to participate in the program on behalf of their employees.

(2)

(a) As provided in Subsection 26-40-110(5), the Department of Health may participate in the program for the purpose of providing health and dental benefits to children enrolled in the Utah Children's Health Insurance Program created in Title 26, Chapter 40, Utah Children's Health Insurance Act.
(b) If the Department of Health participates in the program under the provisions of this Subsection (2), all insurance risk associated with the Utah Children’s Health Insurance Program shall be the responsibility of the Department of Health and not the program or the office.

(3) A covered individual shall be eligible for coverage after termination of employment under rules adopted by the board.

(4) Only the following are eligible for Medicare supplement coverage under this chapter upon becoming eligible for Medicare Part A and Part B coverage:
   (a) retirees;
   (b) members;
   (c) participants;
   (d) employees who have medical employee benefit plan coverage at the time of their retirement; and
   (e) current spouses of those who are eligible under Subsections (4)(a) through (d).

Amended by Chapter 107, 2015 General Session

49-20-202 Establishment of separate risk pools.
(1) The program shall establish separate risk pools for:
   (a) state employees; and
   (b) the Utah Children’s Health Insurance Program.

(2) In accordance with participation standards established by the program, the following entities may elect to participate in the risk pool established under Subsection (1)(a):
   (a) in accordance with Subsection (3)(b), an institution of higher education designated under Section 53B-1-102 with a total full-time equivalent enrollment of less than 18,000;
   (b) an independent entity as defined in Section 63E-1-102; and
   (c) a comprehensive regional college.

(3)
   (a) The program shall create risk pools for other covered employers separate from those created in Subsection (1) as determined by the program.
   (b)
      (i) If an institution of higher education described in Subsection (2)(a) has 1,000 or more plan enrollees, the program shall establish a rate for the institution of higher education based 100% on experience; and
      (ii) if the rate established under Subsection (3)(b)(i) is:
         (A) less than the risk pool rate established for the state employees' risk pool, the program may include the institution of higher education in the state employees' risk pool described in Subsection (1)(a); or
         (B) more than the risk pool rate established for the state employees' risk pool, the program shall create a risk pool for the institution of higher education that is separate from the state employees' risk pool under Subsection (1)(a).

Amended by Chapter 211, 2010 General Session
Amended by Chapter 318, 2010 General Session
Premiums

49-20-301 Payments made by employer and employee.
The program shall be maintained on a financially and actuarially sound basis by payments from covered employers and covered individuals.

Amended by Chapter 240, 2003 General Session

Part 4
Insurance Program

49-20-401 Program -- Powers and duties.
(1) The program shall:
   (a) act as a self-insurer of employee benefit plans and administer those plans;
   (b) enter into contracts with private insurers or carriers to underwrite employee benefit plans as considered appropriate by the program;
   (c) indemnify employee benefit plans or purchase commercial reinsurance as considered appropriate by the program;
   (d) provide descriptions of all employee benefit plans under this chapter in cooperation with covered employers;
   (e) process claims for all employee benefit plans under this chapter or enter into contracts, after competitive bids are taken, with other benefit administrators to provide for the administration of the claims process;
   (f) obtain an annual actuarial review of all health and dental benefit plans and a periodic review of all other employee benefit plans;
   (g) consult with the covered employers to evaluate employee benefit plans and develop recommendations for benefit changes;
   (h) annually submit a budget and audited financial statements to the governor and Legislature which includes total projected benefit costs and administrative costs;
   (i) maintain reserves sufficient to liquidate the unrevealed claims liability and other liabilities of the employee benefit plans as certified by the program's consulting actuary;
   (j) submit, in advance, its recommended benefit adjustments for state employees to:
      (i) the Legislature; and
      (ii) the executive director of the state Department of Human Resource Management;
   (k) determine benefits and rates, upon approval of the board, for multi-employer risk pools, retiree coverage, and conversion coverage;
   (l) determine benefits and rates based on the total estimated costs and the employee premium share established by the Legislature, upon approval of the board, for state employees;
   (m) administer benefits and rates, upon ratification of the board, for single-employer risk pools;
   (n) request proposals for provider networks or health and dental benefit plans administered by third-party carriers at least once every three years for the purposes of:
      (i) stimulating competition for the benefit of covered individuals;
      (ii) establishing better geographical distribution of medical care services; and
      (iii) providing coverage for both active and retired covered individuals;
   (o) offer proposals which meet the criteria specified in a request for proposals and accepted by the program to active and retired state covered individuals and which may be offered to
active and retired covered individuals of other covered employers at the option of the covered employer;

(p) perform the same functions established in Subsections (1)(a), (b), (e), and (h) for the Department of Health if the program provides program benefits to children enrolled in the Utah Children's Health Insurance Program created in Title 26, Chapter 40, Utah Children's Health Insurance Act;

(q) establish rules and procedures governing the admission of political subdivisions or educational institutions and their employees to the program;

(r) contract directly with medical providers to provide services for covered individuals;

(s) take additional actions necessary or appropriate to carry out the purposes of this chapter;

(t)
   (i) require state employees and their dependents to participate in the electronic exchange of clinical health records in accordance with Section 26-1-37 unless the enrollee opts out of participation; and
   (ii) prior to enrolling the state employee, each time the state employee logs onto the program's website, and each time the enrollee receives written enrollment information from the program, provide notice to the enrollee of the enrollee's participation in the electronic exchange of clinical health records and the option to opt out of participation at any time; and

(u) at the request of a procurement unit, as that term is defined in Section 63G-6a-103, that administers benefits to program recipients who are not covered by Title 26, Utah Health Code, provide services for:
   (i) drugs;
   (ii) medical devices; or
   (iii) other types of medical care.

(2)

(a) Funds budgeted and expended shall accrue from rates paid by the covered employers and covered individuals.

(b) Administrative costs shall be approved by the board and reported to the governor and the Legislature.

(3) The Department of Human Resource Management shall include the benefit adjustments described in Subsection (1)(j) in the total compensation plan recommended to the governor required under Subsection 67-19-12(5)(a).

Amended by Chapter 393, 2019 General Session

49-20-402 Reserves to be held -- Refunds.

(1) The reserves in a risk pool in a given fiscal year shall be maintained at the level recommended by the program's consulting actuary and approved or ratified by the board. If the reserves drop below that level, covered employers in the risk pool are required to cure any deficiency in the reserve.

(2) If substantial excess reserves are accrued above those required by this chapter, and the board determines that a refund is appropriate, a refund shall be made:
   (a) to covered employers which shall then make a refund to covered individuals on the basis of the contribution of each to the plan; or
   (b) directly to covered individuals on the basis of the contribution of each to the plan.

Amended by Chapter 130, 2007 General Session
49-20-403 Assistance to members in purchase of life, health, dental, and medical insurance after retirement -- Employment of personnel to administer section.

(1) The program may assist active and retired covered individuals and inactive covered individuals of the covered employers to purchase life, health, dental, and medical coverage on a group basis which can be continued after retirement under rules adopted by the board.

(2) The executive director may employ any personnel, including consultants, to administer this section.

Enacted by Chapter 250, 2002 General Session

49-20-404 Governors' and legislative paid-up group health coverage benefit -- Limitations -- Medicare supplemental coverage -- Spouse coverage -- Limitations.

(1) (a) Except as provided under Subsection (1)(b), the state shall pay the percentage of the cost of providing paid-up group health coverage under Subsection (3) for members and their surviving spouses covered under Chapter 19, Utah Governors' and Legislators' Retirement Act, or governors and legislators, as defined in Section 49-19-102, and their surviving spouses covered under Chapter 22, New Public Employees' Tier II Contributory Retirement Act, who:

(i) retire after January 1, 1998;
(ii) are at least 62 but less than 65 years of age;
(iii) elect to receive and apply for this benefit to the program; and
(iv) are active members at the time of retirement or have continued coverage with the program until the date of eligibility for the benefit under this Subsection (1).

(b) A governor or a legislator who begins service as a governor or legislator on or after January 1, 2012, and a surviving spouse of the governor or the legislator who begins service as a governor or legislator on or after January 1, 2012, is not eligible for the benefit provided under this Subsection (1).

(2) The state shall pay the percentage of the cost of providing Medicare supplemental coverage under Subsection (3) for members and their surviving spouses covered under Chapter 19, Utah Governors' and Legislators' Retirement Act who:

(a) began service as a governor or legislator before July 1, 2013;
(b) retire after January 1, 1998;
(c) are at least 65 years of age; and
(d) elect to receive and apply for this benefit to the program.

(3) The following percentages apply to the benefit described in Subsections (1)(a) and (2):

(a) 100% if the member has accrued 10 or more years of service credit;
(b) 80% if the member has accrued 8 or more years of service credit;
(c) 60% if the member has accrued 6 or more years of service credit; and
(d) 40% if the member has accrued 4 or more years of service credit.

Amended by Chapter 410, 2013 General Session

49-20-405 Audit required -- Report to governor and Legislature.

The Insurance Department shall biennially audit the Public Employees' Trust Fund and programs authorized under this chapter and report its findings to the governor and the Legislature, but the commissioner may accept the annual audited statement of the programs under this chapter in lieu of the biennial audit requirement.
49-20-406 Insurance benefits for employees' beneficiaries.

(1) As used in this section:
(a) "Children" includes stepchildren and legally adopted children.
(b) "Line-of-duty death" means a death resulting from:
(A) external force or violence occasioned by an act of duty as an employee; or
(B) strenuous activity, including a heart attack or stroke, that occurs during strenuous training or another strenuous activity required as an act of duty as an employee.
(i) "Line-of-duty death" does not include a death that:
(A) occurs during an activity that is required as an act of duty as an employee if the activity is not a strenuous activity, including an activity that is clerical, administrative, or of a nonmanual nature contributes to the employee's death;
(B) occurs during the commission of a crime committed by the employee;
(C) the employee's intoxication or use of alcohol or drugs, whether prescribed or nonprescribed, contributes to the employee's death; or
(D) occurs in a manner other than as described in Subsection (1)(b)(i).
(c) "Strenuous activity" means engagement involving a difficult, stressful, or vigorous fire suppression, rescue, hazardous material response, emergency medical service, physical law enforcement, prison security, disaster relief, or other emergency response activity.
(ii) "Strenuous activity" includes participating in a participating employer sanctioned and funded training exercise that involves difficult, stressful, or vigorous physical activity.
(2) The beneficiary of a covered individual who is employed by the state and who has a line-of-duty death shall receive:
(a) the proceeds of a $50,000 group term life insurance policy paid for by the state and administered and provided as part of the group life insurance program under this chapter; and
(b) group health coverage paid for by the state that covers the covered individual's:
(i) surviving spouse until becoming eligible for Medicare as long as the surviving spouse continues coverage with the program; and
(ii) unmarried children up to the age of 26.
(3) A covered employer not required to provide the benefits under Subsection (2) may provide either or both of the benefits under Subsection (2) by paying rates established by the program.
(4) The benefit provided under Subsection (2)(a) is subject to the same terms and conditions as the group life insurance program provided under this chapter.

49-20-407 Insurance mandates.

Notwithstanding the provisions of Subsection 31A-1-103(3)(f):
(1) health coverage offered to the state employee risk pool under Subsection 49-20-202(1)(a) shall comply with the provisions of Sections 31A-22-605.5 and 31A-45-501; and
(2) a health plan offered to public school districts, charter schools, and institutions of higher education under Subsection 49-20-201(1)(b) shall comply with the provisions of Section 31A-22-605.5.
49-20-408 Prohibition against certain uses of Social Security numbers.
Notwithstanding the provisions of Subsection 31A-1-103(3)(f), health, dental, medical, Medicare supplement, or conversion coverage offered under Section 49-20-202 shall comply with the provisions of Section 31A-22-634.

Enacted by Chapter 188, 2003 General Session

49-20-409 Long-term disability -- Cost of health coverage benefit.
(1) Under the direction of the board, the program shall provide for health insurance coverage for state employees who receive a monthly disability benefit under Title 49, Chapter 21, Public Employees' Long-Term Disability Act.
(2) A risk pool, other than the state risk pool, may elect to provide a benefit for its employees similar to the benefit provided under Subsection (1).

Amended by Chapter 130, 2007 General Session

49-20-410 High deductible health plan -- Health savings account -- Contributions.
(1) In addition to other employee benefit plans offered under Subsection 49-20-201(1), the office shall offer at least one federally qualified high deductible health plan with a health savings account as an optional health plan.
(b) The provisions and limitations of the plan shall be:
   (i) determined by the office in accordance with federal requirements and limitations; and
   (ii) designed to promote appropriate health care utilization by consumers, including preventive health care services.
(c) A state employee hired on or after July 1, 2011, who is offered a plan under Subsection 49-20-202(1)(a), shall be enrolled in a federally qualified high deductible health plan unless the employee chooses a different health benefit plan during the employee's open enrollment period.
(2) The office shall:
   (a) administer the high deductible health plan in coordination with a health savings account for medical expenses for each covered individual in the high deductible health plan;
   (b) offer to all employees training regarding all health plans offered to employees;
   (c) prepare online training as an option for the training required by Subsections (2)(b) and (4);
   (d) ensure the training offered under Subsections (2)(b) and (c) includes information on changing coverages to the high deductible plan with a health savings account, including coordination of benefits with other insurances, restrictions on other insurance coverages, and general tax implications; and
   (e) coordinate annual open enrollment with the Department of Human Resource Management to give state employees the opportunity to affirmatively select preferences from among insurance coverage options.
(3) Contributions to the health savings account may be made by the employer.
(b) The amount of the employer contributions under Subsection (3)(a) shall be determined annually by the office, after consultation with the Department of Human Resource Management and the Governor’s Office of Management and Budget so that the annual
employer contribution amount is not less than the difference in the actuarial value between
the program's health maintenance organization coverage and the federally qualified high
deductible health plan coverage, after taking into account any difference in employee
premium contribution.
(c) The office shall distribute the annual amount determined under Subsection (3)(b) to
employees in two equal amounts with a pay date in January and a pay date in July of each
plan year.
(d) An employee may also make contributions to the health savings account.
(e) If an employee is ineligible for a contribution to a health savings account under federal
law and would otherwise be eligible for the contribution under Subsection (3)(a), the
contribution shall be distributed into a health reimbursement account or other tax-advantaged
arrangement authorized under the Internal Revenue Code for the benefit of the employee.

(4)
(a) An employer participating in a plan offered under Subsection 49-20-202(1)(a) shall require
each employee to complete training on the health plan options available to the employee.
(b) The training required by Subsection (4)(a):
   (i) shall include materials prepared by the office under Subsection (2);
   (ii) may be completed online; and
   (iii) shall be completed:
       (A) before the end of the 2012 open enrollment period for current enrollees in the program;
       and
       (B) for employees hired on or after July 1, 2011, before the employee's selection of a plan in
           the program.

Amended by Chapter 155, 2018 General Session

49-20-411 Autism Spectrum Disorder Treatment Program.
(1) As used in this section:
   (a) "Applied behavior analysis" means the design, implementation, and evaluation of
       environmental modifications using behavioral stimuli and consequences to produce
       socially significant improvement in human behavior, including the use of direct observation,
       measurement, and functional analysis of the relationship between environment and behavior
       that are:
       (i) necessary to develop, maintain, or restore, to the maximum extent practicable, the
           functioning of an individual; and
       (ii) provided or supervised by a board certified behavior analyst or a licensed psychologist with
           equivalent university training and supervised experience.
   (b) "Autism spectrum disorder" is as defined by the most recent edition of the Diagnostic and
       Statistical Manual on Mental Disorders or a recent edition of a professionally accepted
       diagnostic manual.
   (c) "Health plan" does not include the health plan offered by the Public Employees' Benefit
       and Insurance Program that is the state's designated essential health benefit package for
       purposes of the PPACA, as defined in Section 31A-1-301.
   (d) "Parent" means a parent of a qualified child.
   (e) "Program" means the autism spectrum disorder treatment program created in Subsection (2).
   (f) "Qualified child" means a child who is:
       (i) at least two years of age but less than seven years of age;
       (ii) diagnosed with an autism spectrum disorder by a qualified professional; and
Utah Code

(iii) the eligible dependent of a state employee who is enrolled in a health plan that is offered under this chapter.

(g) "Treatment" means any treatment generally accepted by the medical community or the American Academy of Pediatrics as an effective treatment for an individual with an autism spectrum disorder, including applied behavior analysis.

(2) The Public Employees' Benefit and Insurance Program shall offer a program for the treatment of autism spectrum disorders in accordance with Subsection (3).

(3) The program shall offer qualified children:
   (a) diagnosis of autism spectrum disorder by a physician or qualified mental health professional, and the development of a treatment plan;
   (b) applied behavior analysis provided by a certified behavior analyst or someone with equivalent training; and
   (c) an annual cost-shared maximum benefit of $30,000 toward the cost of treatment that the program covers, where, for each qualified child, for the cost of the treatment:
      (i) the parent pays the first $250;
      (ii) after the first $250, the program pays 80% and the parent pays 20%;
      (iii) the program pays no more than $150 per day; and
      (iv) the program pays no more than $24,000 total.

(4) The purpose of the program is to study the efficacy of providing autism treatment and is not a mandate for coverage of autism treatment within the health plans offered by the Public Employees' Benefit and Insurance Program.

(5) The program shall be funded on an ongoing basis through the risk pool established in Subsection 49-20-202(1)(a).

Amended by Chapter 258, 2015 General Session

49-20-413 Pilot program for on-site employee clinic.

(1) Within state premiums paid to the state risk pool from the Legislature, the program shall establish a primary care clinic:
   (a) for state employees and their dependents;
   (b) within a state building that is accessible to a large number of state employees; and
   (c) in accordance with Subsection (2).

(2) The program shall:
   (a) affiliate with an existing clinic:
      (i) located in a building accessible to a large number of state employees; and
      (ii) managed by a physician licensed in this state under Title 58, Chapter 67, Utah Medical Practice Act, or Chapter 68, Utah Osteopathic Medical Practice Act; or
   (b) request bids from private entities to establish the on-site primary care clinic in accordance with criteria established by the program, which shall include at least the following:
      (i) the entity's ability to establish a primary care clinic that is designed to:
         (A) be convenient for employees and their dependents;
         (B) increase health of employees;
         (C) increase compliance with health care screening and management of chronic health care conditions; and
         (D) dispense commonly used, pre-packaged drugs in a cost effective manner;
      (ii) the entity's organizational and financial independence from any particular hospital network, network of clinics, or network of health care providers; and
(iii) management of the clinic by a physician licensed in the state under Title 58, Chapter 67, Utah Medical Practice Act, or Chapter 68, Utah Osteopathic Medical Practice Act.

Enacted by Chapter 68, 2015 General Session

49-20-414 Telemedicine services -- Reimbursement -- Reporting.
(1) As used in this section:
(a) "Network provider" means a health care provider who has an agreement with the program to provide health care services to a patient with an expectation of receiving payment, other than coinsurance, copayments, or deductibles, directly from the managed care organization.
(b) "Telemedicine services" means the same as that term is defined in Section 26-60-102.
(2) This section applies to the risk pool established for the state under Subsection 49-20-201(1)(a).
(3) The program shall, at the provider's request, reimburse a network provider for medically appropriate telemedicine services at a commercially reasonable rate.
(4) Before November 1, 2019, the program shall report to the Legislature's Public Utilities, Energy, and Technology Interim Committee and Health Reform Task Force on:
(a) the result of the reimbursement requirement described in Subsection (3);
(b) existing and potential uses of telehealth and telemedicine services;
(c) issues of reimbursement to a provider offering telehealth and telemedicine services;
(d) potential rules or legislation related to:
   (i) providers offering and insurers reimbursing for telehealth and telemedicine services; and
   (ii) increasing access to health care, increasing the efficiency of health care, and decreasing the costs of health care; and
(e) telemedicine services that the program declined to cover because the telemedicine services that were requested were not medically appropriate.

Amended by Chapter 249, 2019 General Session

49-20-415 Prescribing policies for certain opioid prescriptions.
A plan offered to state employees under this chapter may implement a prescribing policy for certain opioid prescriptions in accordance with Section 31A-22-615.5.

      (v) eosinophilic colitis; or
      (vi) food protein-induced enterocolitis syndrome.
   (j) "Short bowel syndrome" means malabsorption of nutrients resulting from anatomical or functional loss of a significant length of the small intestine.

(2) Beginning plan year 2017-18 and ending plan year 2019-20, the Public Employees' Benefit and Insurance Program shall offer a 3-year pilot program within the state risk pool that provides coverage for the use of an amino acid-based elemental formula, regardless of the delivery method of the formula, for the diagnosis or treatment of an eosinophilic gastrointestinal disorder, food protein-induced enterocolitis syndrome, severe protein allergic condition, or short bowel syndrome in the traditional and Star plans.

(3) Coverage offered under Subsection (2) applies to an amino acid-based elemental formula if:
   (a) the formula is ordered for the enrollee by a physician;
   (b) the physician indicates in the order that the formula is medically necessary; and
   (c) the insured obtains the formula from a pharmacy.

(4) Coverage offered under Subsection (2) may not include cost-sharing provisions, including deductibles, copayments, co-insurance, and out-of-pocket limits, or a durational limit, that are less favorable to the insured than the cost-sharing provisions and durational limits applied by the health benefit plan to prescription drugs.

(5) The purpose of the program is to study the efficacy of providing coverage for the use of an amino acid-based elemental formula and is not a mandate for coverage of an amino acid-based elemental formula within the health plans offered by the Public Employees' Benefit and Insurance Program.
(b) The Public Employees' Benefit and Insurance Program shall, on or before November 30, 2019, report to the Social Services Appropriations Subcommittee regarding the costs and benefits of the program.

(6) Under Section 63J-1-603 of the Utah Code, the Legislature intends that the cost of the program shall be paid for from funds above the minimum recommended level in the public employees' state risk pool reserve.

49-20-418 Expanded infertility treatment coverage pilot program.

(1) As used in this section:

(a) "Assisted reproductive technology" means the same as the term is defined in 42 U.S. Code Sec. 26-3a-7a.

(b) "Physician" means the same as the term is defined in Section 58-67-102.

(c) "Pilot program" means the expanded infertility treatment coverage pilot program described in Subsection (2).

(d) "Qualified individual" means a covered individual who is eligible for maternity benefits under the program.

(2)

(a) Beginning plan year 2018-19, and ending plan year 2020-21, the program shall offer a 3-year pilot program within the state risk pool that provides coverage to a qualified individual for the use of an assisted reproductive technology.

(b) The pilot program shall offer a one-time, lifetime maximum benefit of $4,000 toward the costs of using an assisted reproductive technology for each qualified individual.

(c) The benefit described in Subsection (2)(b) is subject to the same cost sharing requirements as the covered individual's plan.

(3) Coverage offered under the pilot program applies if:

(a) the patient who will use the assisted reproductive technology is a qualified individual;

(b) the patient's physician verifies that the patient or the patient's spouse has a demonstrated condition recognized by a physician as a cause of infertility; or

(i) the patient attests that the patient is unable to conceive a pregnancy or carry a pregnancy to a live birth after a year or more of regular sexual relations without contraception;

(c) the patient attests that the patient has been unable to attain a successful pregnancy through any less-costly, potentially effective infertility treatments for which coverage is available under the health benefit plan; and

(d) the use of the assisted reproductive technology procedure is performed at a medical facility that conforms to the minimal standards for programs of assisted reproductive technology procedures adopted by the American Society for Reproductive Medicine.

(4) Coverage offered under the pilot program:

(a) may not exceed $4,000 over the lifetime of each qualified individual;

(b) shall satisfy, in accordance with Subsection 31A-22-610.1(1)(c)(ii), the requirement to provide an adoption indemnity benefit to a qualified individual under Section 31A-22-610.1; and

(c) does not apply to a qualified individual if the qualified individual has received the adoption indemnity benefit required under Section 31A-22-610.1.
(a) The purpose of the pilot program is to study the efficacy of providing coverage for the use of an assisted reproductive technology and is not a mandate for coverage of an assisted reproductive technology within all health plans offered by the program.
(b) Before November 30, 2021, the program shall report to the Social Services Appropriations Subcommittee regarding the costs and benefits of the pilot program.
(6) Under Section 63J-1-603, the Legislature intends that the cost of the pilot program will be paid from money above the minimum recommended level in the public employees’ state risk pool reserve.

49-20-419 Coverage of exome sequence testing.
(1) As used in this section, "exome sequence testing" means a genomic technique for sequencing the genome of an individual for diagnostic purposes.
(2) Beginning July 1, 2019, the program shall provide coverage for exome sequence testing:
(a) for a covered individual within the state risk pool who:
   (i) is younger than 21 years of age; and
   (ii) who remains undiagnosed after exhausting all other appropriate diagnostic-related tests;
(b) performed by a nationally recognized provider with significant experience in exome sequence testing;
(c) that is medically necessary; and
(d) at a rate set by the program.

49-20-503 Request for proposals for pharmacy benefits manager for Public Employees' Benefit and Insurance Program.

(1) When the board issues a request for proposals for a pharmacy benefits manager to provide pharmacy benefits management services for the program, the request for proposals shall:
   (a) require each responder to comply with the pharmacy audit provisions of Section 58-17b-622; and
   (b) provide each responder with the option to include, among the billing options proposed, a billing option that complies with the requirements described in this section.

(2) The billing option described in Subsection (1) shall require the pharmacy benefits manager to, on at least a monthly basis, submit to the board an invoice for all pharmacy services paid by the pharmacy benefits manager on behalf of the program since the last request for payment or reimbursement.

(3) The invoice described in Subsection (2) shall state, as a separate item from any other amount:
   (a) the total amount due to the pharmacy benefits manager for all pharmacy services billed in the invoice; and
   (b) the total amount paid by the pharmacy benefits manager for the same pharmacy services for which payment is sought in that invoice.
