

Effective 5/12/2015

53A-13-111 Educational program on the use of information technology.

- (1) The State Board of Education shall provide for an educational program on the use of information technology, which shall be offered by high schools.
- (2) An educational program on the use of information technology shall:
 - (a) provide instruction on skills and competencies essential for the workplace and requested by employers;
 - (b) include the following components:
 - (i) a curriculum;
 - (ii) online access to the curriculum;
 - (iii) instructional software for classroom and student use;
 - (iv) certification of skills and competencies most frequently requested by employers;
 - (v) professional development for teachers; and
 - (vi) deployment and program support, including integration with existing core standards for Utah public schools; and
 - (c) be made available to high school students, faculty, and staff.
