

53A-8a-410 Report of educator ratings.

- (1) A school district shall report to the State Board of Education the number and percent of educators in each of the four rating categories referred to in Section 53A-8a-405 based on an educator's annual evaluation.
- (2) The data reported under Subsection (1) shall be separately reported for the following educator classifications:
 - (a) administrators;
 - (b) teachers; and
 - (c) educators other than administrators or teachers.
- (3) The data reported by school districts under this section shall be included in the state superintendent's annual report of the public school system required by Section 53A-1-301.
- (4) The State Board of Education shall make rules to ensure the privacy and protection of individual evaluation data.
