

53C-2-101 Central index -- Administration to maintain central index of trust lands -- Availability to public.

- (1) The administration shall maintain a central index of all trust lands, including interests therein, and shall make that index available to the public.
- (2) The index shall include the following information:
 - (a) legal description of the land;
 - (b) when and from whom the land was acquired;
 - (c) where the abstracts, deeds, or other indicia of interest in the property may be found;
 - (d) name of any party holding an interest in the land;
 - (e) name of the grantor; and
 - (f) nature of the trust's interest in the land.

Enacted by Chapter 294, 1994 General Session
